

### MORGAN AND FLAGG TRY IN VAIN TO GET OUT OF THE TOMBS

Alleged Get-Rich-Quick Swindlers Offer \$67,500 Cash for Release.

NEW YORK, Sept. 24.—Although Jared Flagg, who with Daniel Nash Moran, recently Treasurer of the United States, had offered to furnish \$67,500 cash to be released, with other members of the Flagg stock brokerage concern arrested as swindlers, from the Tombs, they were obliged to spend today in their cells.

These men, who have been cleaning up hundreds of thousands of dollars on a 52 per cent dividend scheme which would put "Get Rich Quick" Wallingford in the shade, and who have been holed at elaborate luncheons of from thirty to forty plates daily, will be obliged to wry along on the 75 cents per diem allowance which the city receives from the Federal Government for feeding them.

It is possible they will be arraigned again tomorrow and bail accepted by Commissioner Gilchrist. Under arrest with Flagg and Morgan are F. Tennyson Neely, Alvin M. Higgins, Edward L. Schiller, George Joshua Brown, Henry A. Jackson, and James T. Schook. Flagg's concern, old business with about 5,000 customers all over the country, and as far as the authorities can find out has so far paid the 1 per cent weekly dividend promised to clients. Postoffice officials estimate that Flagg has taken in a million and a half dollars.

Mr. Morgan was the great drawing card of the concern. Flagg's agents used dollar bills, issued between 1893 and 1896, bearing his signature as Treasurer of the United States as convincing arguments to secure investors. When he was referred to, Morgan indured all of Flagg's claims, it is charged.

### James J. Hill Condemns The Union Station Idea

MINNEAPOLIS, Minn., Sept. 24.—James J. Hill, chairman of the board of directors of the Great Northern railway, said today that he would not join in the plan to build a new union station in Minneapolis on the site of the present so-called Union Station.

"The union station proposition has always been a disappointment in every city in which it has been tried out," said Mr. Hill. Mr. Hill thinks eventually there will be at least three large stations here. This announcement settles the union station question that has hung fire ever since Thursday, July 14, 1910, when the Commercial Club assembled the business men of Minneapolis and showed them plans for a new \$3,000,000 union station.

### SMITH AND CARLIN ARE FACING FIGHT

Proposed Virginia Reapportionment, If Carried, Will Throw Representatives in One District—Alexandrian Is the Favorite.

WASHINGTON TIMES BUREAU: ALEXANDRIA, VA., SEPT. 24.—An interesting situation will develop in accordance with the proposed reapportionment of the Congressional districts of the State of Virginia, the plan to remove Richmond county from the First district and transfer it to the Eighth district, becomes effective.

As Alexandria, the home of Representative C. C. Carlin, is located in the Eighth district, and that of Representative Jones in the First, the campaign next fall would devolve into a test of the personal popularity of each. Local politicians state there would be but little doubt as to the result. Carlin always has polled an overwhelming vote in this district, and the recent State senatorial primary plainly disclosed hostile feeling toward Jones here. Of course, the addition of Richmond County materially would strengthen Mr. Jones, but Mr. Carlin's lead probably would be too great to overcome.

Suffering from a fracture of the skull and numerous bruises and cuts about the head and body, William H. Rollins, aged about fifty years, was picked up in an unconscious condition near the corner of Alfred and Wolfe streets, at about 8 o'clock last evening. At the Alexandria Hospital, where he was treated by Dr. Walter A. Warnold, Rollins upon regaining consciousness could give no clue to his assailant. He stated that he was proceeding to the Alexandria Chemical and Fertilizer Works, where he is employed as night watchman, when he was suddenly felled from behind. This is the second time in less than

a fortnight that Rollins has been injured. He was struck while near the corner of Fairfax and Princess streets about ten days ago and badly injured about the eye.

A committee from the local Chamber of Commerce, composed of Julian Y. Williams, Carroll Pierce, and W. A. Smoot, Jr., will leave for Richmond tomorrow morning in an effort to have the school census for this city taken. As the State allows about \$2 per year for each pupil in the public schools, the marked decrease in school attendance, as shown by the last census, will result in a loss of revenue for the city.

The committee, which will be accompanied by W. H. Sweeney, superintendent of city schools, will confer with J. D. Esqleton, superintendent of public instruction of the State board of education.

A threatened strike was crushed by the officers of two of the local glass companies, assisted by members of the police department, yesterday. About twenty-five boys, employed as packers, became disgruntled at the scale of wages prevailing in the factories, and, encouraged by two or three leaders, refused to work, but remained in the vicinity and behaved disorderly. A detail of police, however, put a quietus on the affair, and the lads, realizing how matters stood, decided to return to their work.

At an enthusiastic meeting of Branch 88, Glass Bottle Blowers' Association, held last evening, addresses were made by William Larner, of Philadelphia, national secretary; Harry Jenkins, of Alton, Ill., and Francis H. Williams, of Baltimore. Both Mr. Jenkins and Mr. Williams are members of the national executive board of the organization.

### John W. Gates' Son Weds on Wednesday

MINNEAPOLIS, Minn., Sept. 24.—Charles Gates, son and heir of John W. Gates, and Miss Florence Hopwood, daughter of Mr. and Mrs. Frank T. Hopwood, of Minneapolis, will be married Wednesday in Uniontown, Pa., at the home of Miss Hopwood's uncle, Robert F. Hopwood. Miss Hopwood, her parents, and a small party of Minneapolis friends have left Minneapolis for Uniontown. It was decided the wedding should be a simple ceremony, owing to the recent death of John W. Gates. At the time of Charles G. Gates' last visit to Minneapolis ten days ago, it was decided to have the ceremony in Uniontown. The bridegroom will be Miss Margaret, daughter of St. Charles, Minn. Wayne Dodge, of Detroit, will be best man. Among Smith College girl friends of Miss Hopwood who will attend will be Miss Edna Butnell, of St. Cloud, Minn. Two brothers and three sisters of Mr. Hopwood live in or near Uniontown.

### Willis Goodnow Wanted To Share in Legacy

Willis Goodnow, supposed to be in Washington, who disappeared more than seven years ago from his home at North Rose, Wayne county, New York, is wanted to share in the estate of an uncle. Goodnow will share in the division, among half a dozen other relatives, of property amounting to nearly \$100,000. The police of Washington have been asked to look for him. He is about forty-nine years old, if he is living, and is believed to have been employed for a time in Rochester, Buffalo and Pittsburgh. In Chicago he is said to have been a bartender. Goodnow came of a good family and he left behind him a wife and son. The reason for his disappearance was never known. Traces of him were also found in St. Louis several years ago, where it is thought he was employed as a butcher. The information as to his whereabouts is wanted by George D. Peck, special guardian for his son, at Canandaigua, N. Y.

### FIREMAN KILLED AS FLYER CRASHES INTO FREIGHT TRAIN

Pennsylvania Special in Bad Wreck—Passengers Escape Injury.

PITTSBURGH, Sept. 24.—Pennsylvania railroad train No. 28, the eighteen-hour Chicago-New York flyer, was in a collision with a freight train at Larimer, twenty-five miles east of Pittsburgh, at 1 o'clock this morning, and as a result one man is dead and four hurt. F. Campbell, the fireman of No. 28, was killed, and Engineer Lew Henry was slightly hurt. Engineer Schue and Fireman Newhouse, of the freight, were severely hurt, an unidentified brakeman had his leg cut off.

Extra freight No. 287, westbound, was given the signal to cross from No. 3 to No. 2 track at Larimer. After the engine had passed the home signal, the towerman changed the signals and instead of running the freight on to No. 3 track sent it straight through on to No. 2.

The flyer was eastbound on No. 3 and the engineer saw the change of signals at the distant post. He applied the air and brought his train almost to a stop when the heavy freight crashed into it head-on. Both engines were smashed and several empty freight cars were piled up. None of the passengers on the flyer was injured and none of the cars left the track.

Johnson, corresponding secretary, and Mrs. Mamie Jones, treasurer. Brief addresses also will be made by the organizers, Mrs. Sarah B. Holmes and Mrs. Eliza J. Cummings. Miss Ida R. Cummings will talk to the young people, and the convention will then close with a solo by Miss Dora Griffin. Mrs. Susie Ross will preside at the meeting.
