Nervous Wrecks From Sore Feet Gives Cure

The nagging irritation from daily foot torture causes thousands of nervous breakdowns. Besides there is the pain, the haggard face and peevish disposition. Don't waste an hour, here is a treatment that will cure your feet quickly. No matter how many patent medicines you have tried in vain, this treatment, formerly known only to doctors, will give prompt results. Dissolve two tablespoonfuls of Calocide compound in a basin of warm water. Soak the feet in this for full fifteen minutes, gently rubbing the sore parts. The effects are marvelous. All pain goes instantly and the feet feel simply delightful. Corns and callouses can be peeled right off, bunions, aching feet, swollen, smelly feet, get immediate relief. Use this a week and your foot troubles will be a thing of the past. Calocide works through the pores and removes the cause. Any drugist has it in stock or will quickly get it. A twenty-five cent package is said to be enough to cure the worst feet.

BELASCO COMPANY MAKES ANOTHER HIT

"The Second in Command" Being Presented by the Butterfield Players.

The Butterfield Players, who gave "The Second in Command" at the Belasco Theater last night, made an excellent selection in the play they chose, for, although the rehearsals did not commence until last Friday, there were more than credits. Although this may have been due largely to the cleverly woven plot, the strong local interest, and the unexpectedness of the climax, the work of the principals was earnest, and showed a knowledge of the lines, which, coupled with the interpretation and acting that a few more performances will give, should make the play one of the most successful offered by the Butterfield Company this season.
