Mrs. McHenry, From Kansas, Says She Will Lead Women From Her Home State.

Mrs. Myra McHenry, of Wichita, Kan., who has a record in the cause of women's suffrage second to none, not even the Pankhursts, so far as trials and tribulations are concerned, has announced her intention of carrying the banner of suffrage at the head of the Kansas delegation which will march in the suffrage parade on March 3. Mrs. McHenry bears letters of commendation from Governor Hodges of Kansas and from many other prominent politicians and editors in that State.

In the course of ten years' labor for women's suffrage Mrs. McHenry has been put in all thirty-seven times, "singed" four times, and ducked in cold water twice. She has also been jailed several times for smashing up saloons in company with the late Carrie Nation, with whom she worked for years. Mrs. McHenry admits that she is a live wire, and although she will not say she approves of the bomb and cobblestone methods carried on in Great Britain she said today that Mrs. Pankhurst and her followers had their reasons.

"I am an evolutionist," declared Mrs. McHenry today, "and I run on railroad time. There is nothing slow about the way I evolve matters. I jump from the basic proposition to the final conclusion in about three leaps, and by the time the ordinary woman is figuring out how to start about the thing I am looking for another question to solve."

Mrs. McHenry is in Washington on political business, and will be here until after the inauguration. She could think of no more fitting place for herself than the leadership of the Kansas delegation, which was not in existence until she came, and she notified suffrage headquarters at once that she would lead.

Before the suffragettes at headquarters had gotten their breath, Mrs. McHenry had organized a delegation, not of women directly from Kansas, but of women in Washington who are natives of Kansas. Mrs. Lacy Johnston, wife of State Supreme Court Judge Johnston of Kansas, and president of the Kansas Suffragette Association, was wired to for a banner, and now everything is ready for the parade except the badges, which are being made.

Mrs. McHenry is now evolving schemes for making the parade more attractive and instructive, and there is no doubt in the minds of her friends that before many days are past she will hand over a first-class scheme for publicity and action.

"PURE FOOD" BABY CHRISTENED TODAY

Harvey W. Wiley, Jr., Baptized, With Distinguished People as His Godparents.

Harvey W. Wiley, jr., pure food baby, was christened at St. Margaret's Episcopal Church at 12:45 o'clock today. His godfathers were John Uri Lloyd, of Cincinnati, author of "Stringtown on the Pike," and Prof. Joseph Remington, of Philadelphia. Miss Lella M. Peachy of this city was godmother.

Baby Wiley is a son of the former chemist of the Department of Agriculture. Already he is pledged to the pure food cause, of which his father has been a pioneer. He is also pledged to the Votes-For-Women movement. Master Harvey is nine months old today, and is one of the lustiest, healthiest babies of his age in the city. He bids fair to be a shining example of what pure food, pure air, and proper baby culture can do in the upbuilding of the race.

He chuckled and cooed this afternoon while the christening service was being conducted, and didn't appear to heed in the least the commands of his mother that he should be a "real good boy."

Knights of Cosmos to Hold Masked Ball

The annual grand masked ball of the Protective Order of the Knights of Cosmos will be held in Old Masonic Temple tomorrow night at 8 o'clock. The ball will open with a series of tableaux showing the various costumes worn by the dancers. After the tableaux the grand march into the hall will be started and then dancing will begin. Royberger's orchestra will furnish music for the evening. The arrangements for the ball have been made by a committee, of which Charles F. Kouche is chairman and it promises to be one of the greatest events held by that organization. This is the sixteenth annual ball to be given by the P. O. K. of C.

Woman Speaker Will Urge Temperance Cause

Mrs. Don P. Elaine, of the Women's Christian Temperance Union, will deliver an address before the Young Women's Christian Association this afternoon on temperance. The interest shown in temperance legislation now before Congress and the general activity of the temperance workers makes the address this afternoon more than usually interesting and a large audience is expected.

Brightwood Citizens to Hear Mrs. William Kent

The Brightwood Park Citizens' Association will hold its next meeting Wednesday evening at 8 o'clock at Van Horn Hall, Georgia avenue and Longfellow street northwest. Mrs. William Kent, wife of Congressman Kent of California, will make an address on woman suffrage.

WILMINGTON, Del., Feb. 23.—Benjamin Hiefield, aged sixty-five years, employed by the Philadelphia and Reading railroad for many years, was stricken with apoplexy on the street last night and died shortly after being carried into a nearby drug store. The body was removed to the morgue and was claimed this morning by his family.

Mrs. Dimock Reports \$100,000 in Cash Paid in for Building to Honor Washington.

Announcing that \$100,000 in cash had been subscribed, and five times that amount pledged, Mrs. Henry F. Dimock, president of the George Washington Memorial Hall Association, declared, at the annual meeting of the body yesterday, that substantial progress had been made on the project.

Mrs. Dimock related how the Senate had passed the bill setting aside the old Pennsylvania station site for the hall, and said the House probably would take the same action at the present session.

Charles J. Bell was re-elected trustee of the permanent fund, and among the new presidents elected were Mrs. Joseph Foraker, Mrs. Charles J. Bell, Mrs. Daniel Manning of Albany, and Mrs. Charles W. Richardson. Miss Guernsey was elected corresponding secretary. Mrs. Henry of New York, recording secretary, and Mrs. Frank Northrop, of New York, treasurer. Peanut vs. Doughnut Is Subject of Debate

This season's debate at the National Press Club on "Bowlegs vs. Knock-knees" has a serious rival. Students of McKinley Manual Training High School have been arguing the important question: "Resolved, That the peanut has done more toward the advancement of civilization than the doughnut."

The debate was conducted by the Azara, one of the school debating societies. Students named Edwards, Tomlinson, and Saunders constituted the proponents of the proposition. Youth named Petrie, McLaughlin, and Hough upheld the doughnut.

An audience of seventy-five acted as the judges of the contest. By a close vote the rooster triumphed over the ventilated product of culinary art.

CHURCHES PLAN SPECIAL SERVICES

Anacostia Methodists Will Give Farewell to the Rev. Dr. Grafflin—Two Arrests Made in Campaign to Stop Loitering.

WASHINGTON TIMES BUREAU, ANACOSTIA, D. C., FEB. 23. Services of more than usual interest have been planned for two Methodist Episcopal Churches in this district tonight. With provision made for the accommodation of more than 200 members of the Junior Order of United American Mechanics, Anacostia Council, No. 36, Jr. O. U. A. M., will march to the Anacostia M. E. Church and take part in patriotic services. Not only will the program be allied to the Washington Birthday anniversary, but it is intended as a farewell by the order to the Rev. Mr. Grafflin in the event that the Baltimore Conference decides to assign him elsewhere next month.

In the Congress Heights M. E. Church there will be a celebration of the first anniversary of the Men's Club. A program of singing and speaking has been adopted. The speaker of the evening will be Judge W. F. Norris, of the Department of Justice.

Two arrests were made last night in Good Hope road by Policeman J. F. Reagan as a part of the crusade instituted against street loafing in that section. Earl Shepherd, aged twenty-one, and Daniel Freeland, twenty-five, were taken to the station house. A charge of disorderly conduct was made against Shepherd and an additional charge was preferred because of a warrant issued for him some time ago. He deposited \$10 as collateral and was released. Freeland was charged with unlawful assembly.

Miss Edith Irene Shipley, eldest daughter of Mr. and Mrs. W. L. Shipley, of Good Hope, and William Robert Dyer, of Anacostia, were married a few days ago in Baltimore, in the presence of some relatives and friends in that city. They surprised their friends here when they announced their marriage.

The service was performed by the Rev. L. N. Aiford, the pastor of the Ford Avenue Methodist Episcopal Church. Among those who witnessed the ceremony was Mrs. Ella Wither, an aunt of the bride. The young couple are making their home at Good Hope and Naylor roads. They will take a

DISTRICT BISHOP TO DELIVER EULOGY

Memorial Service is Planned for Former Episcopal Rector of Rockville Church.

ROCKVILLE, Md., Feb. 23.—The Rev. Alfred Harding, Bishop of Washington, will preside at a memorial service to be held in Christ Episcopal Church here next Thursday evening in honor of the late Rev. Dr. Thomas J. Packard, for many years rector of Christ Church, Rockville, and Anacostia Church, Gaithersburg. Bishop Harding will deliver an address, as will also the Rev. Randolph H. McKim, rector of Epiphany Church, Washington, who was a lifelong friend of Dr. Packard.

The various committees and church organizations of which Dr. Packard was a member will be represented. The committee in charge of the arrangements is composed of Mrs. G. Miner Anderson, Mrs. Philander R. Stansbury, and Mrs. William C. Beck.

Charles Walter Roth, thirty-one years old, a widower, and Miss Ruth Alma Ferguson, aged eighteen, both of Washington, were married in Rockville Friday afternoon by the Rev. Samuel B. White, of the Baptist Church, at the home of the minister.

In celebration of the birthday anniversary of General Washington exercises were held in the public school at Chevy Chase, this county. The program included addresses by the Rev. J. J. Kutz, of Washington, and Dr. Ryan Deveraux, of the board of county public school commissioners for this county; several correct selections by Deana Klugebury, of Washington, and a song by Eugene E. Stevens.

The flag recently presented to the school by the Home and School Association of Chevy Chase, was accepted in a speech by Mrs. E. E. Stevens, a member of the board of trustees of the school.

Accompanied by two friends, Miss Mary Beale Browning, aged twenty-eight, and Robert F. Eastman, aged twenty, both of Flint Hill, Va., visited Rockville yesterday afternoon and were married by the Rev. John R. Headman, pastor of the Presbyterian Church, the ceremony taking place at the minister's home immediately afterward, they left for Washington.

BUTTER NUT BREAD 5¢

Bread Is the Staff of Life

It is too important an article to tamper with. Its quality should always be the best possible; the greatest care should always be taken in the mixing; the cleanest surroundings should always be maintained; only the purest flour, rich in the maximum amount of the nourishing elements of the wheat—phosphate and gluten—should be used.

If all these features are observed in the making—

GOOD BREAD CAN'T BE SOLD FOR LESS THAN 5c PER LOAF

If It Is of the Same Quality As That of the General Baking Company

We WILL NOT use less care in making our bread than we always have used.
We WILL NOT use a cheaper and less sanitary process.
We WILL NOT use a cheaper quality of flour than we are now using.
We WILL NOT DECREASE THE SIZE OF OUR LOAVES—with the result that

THE GENERAL BAKING COMPANY CANNOT REDUCE THE PRICE OF ITS BREAD

We have our name on every loaf—look for it when you want GOOD BREAD, and when you pay 5c for a loaf. ASK FOR
