### PRESIDENT'S COLD KEEPS HIM INSIDE

#### Longest Engagement List of This Administration Is Canceled on Physician's Order.

President Wilson's cold was reported to be yielding to treatment today. His physician, Dr. Cary A. Grayson, said that there was a distinct improvement. But he insisted that the Executive remain in the White House and not visit the executive offices. As a result, one of the longest engagement lists made for the President was canceled. Included in it was to have been a speech to the Ohio corn growers, who are celebrating their victories with a two days' stay in the Capital. As a result of the illness of the President, it was doubtful today that he would receive any visitors before next week.

### CHRISTMAS SHOPPING IS MORE EASILY ACCOMPLISHED DURING THE MORNING HOURS.

#### Women's FUR-TRIMMED SUITS

PRICED AT \$29.50.

Made of Best Chiffon Broadcloth.

Each season has its own distinct modes, and this year most favored are the many garments trimmed with fur. The suit illustrated represents a very exceptional value, and is a specialty here. It is an exact copy of a very high-priced garment with modified slash in skirt, and the coat in collarless style with Mandarin sleeves, and trimmings of the best skunk or raccoon fur. Finished with self-colored satin girdle and lined with Skinner's satin.

Skirt fastens over the hip and is artistically draped in front, held by three self-covered buttons. Sizes for women and misses, in black, navy, taupe, Copenhagen, green, and plum—\$29.50.

Another strong value in Fur-trimmed Suits, priced at \$25.00.

#### A Charming Charmeuse Evening Dress,

Priced at \$18.75.

No one can doubt the smartness and beauty of this dress. It exemplifies the growing tendency to a greater ampleness of the silhouette, and in all particulars is notably true to fashion. Much lower priced than dresses of this quality and style can usually be obtained for.

It is fashioned of charmeuse, with the skirt artistically caught-up at the front, and a panel in back. The waist recognizes the attractiveness of Japanese fashions, being made in kimono style, and is set-off by a double frilling of lace at neck and sleeves. The high girdle is finished with a large La France rose.

One of the features of our Costume Department, priced very low at \$18.75.

### Pulling Against Handicaps

The average man has about all he can do to get ahead without bucking the setbacks to mind and body from

#### Coffee Drinking

Coffee isn't a food. Anything not a food which is taken into the system makes the eliminative processes work overtime to throw it off. Often the unprofitable thing, when taken regularly, accumulates faster than it can be eliminated, and becomes a destroyer.

Besides, coffee contains caffeine, a subtle, poisonous drug—about 2 1/2 grains to the cup. It is well known that caffeine frequently causes heart trouble, nervousness, sleeplessness and biliousness—serious handicaps to progress and comfort.

If something is hindering your efforts, try the simple test of leaving off coffee ten days and using Postum.

If after a few days you begin to feel better—sleep well, nerves steady up and brain gets clear, you will know how to avoid that kind of trouble.

Postum, made only of prime wheat and a small percent of New Orleans molasses, is a pure food-drink—wholesome, nourishing and delicious. It is absolutely free from caffeine or any other drug.

Postum now comes in two forms.

**Regular Postum**—must be well boiled to bring out its delightful flavour and food value.

**Instant Postum**—(the new form) is a soluble powder. A teaspoonful stirred in a cup of hot water makes a delicious beverage instantly. Add sugar and cream to taste.

### "There's a Reason" for POSTUM

Sold by grocers everywhere.

### Small Audience Greeted Parlow and Bachaus

An undeservedly small audience greeted the appearance in joint recital of Miss Kathleen Parlow, violinist, and William Bachaus, pianist, at the Columbia Theatre yesterday afternoon. It is safe to say that these sterling artists would have given their interest in program to far more spectators, and both under different conditions, for both Miss Parlow and Mr. Bachaus have won laurels and sustained reputations in their respective arts both in this country and abroad.

Vigor and brilliance, rather than poetic feeling and tone shading, dominated their playing, but the following program served to display their finished technique and virtuosity. An encore "Menuet" by Beethoven, was played by Miss Parlow after her second group of solos, and Mr. Bachaus added the "Lobengrin" of Wagner.

The program included the Giga Sonata in C Minor, a group of four numbers by Miss Parlow, three Chopin numbers by Mr. Bachaus, Nocturne, Hungarian Dance and Polonaise in A Major by Miss Parlow, and three Schubert waltz numbers by Mr. Bachaus. Carlton Keith served as accompanist to Miss Parlow.
