To write that this is the opportunity of a lifetime is to write logically.

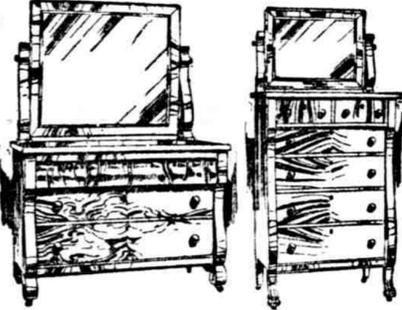

It is the occasion of a lifetime—more than \$100,000 worth of Home Needs are to be disposed of before the opening of the greater store next autumn.

With finally reduced prices to begin tomorrow morning and with a deposit accepted or an account opened the ambition and hope is to create a sale that will earn a lifetime memory in a thousand and one Washington homes.

Come tomorrow with the idea of investing one hundred dollars or more—with the assurance of later counting your profit at 33 to 50 per cent.
