

# Aggies Land City Title on Eighteenth Straight Win, Defeating Machinists Nine

## AGGIES MAKE FINE RECORD IN WINNING CITY TITLE GAMES

Farmers Lost Three Games This Season and Have Won Eighteen Straights.

## MACHINISTS ARE DEFEATED

Ninth-Inning Spurt Losses Championship to Heavy-Hitting Department Nine.

By BRYAN MORSE. The Agricultural baseball team, winners of the city amateur championship, is possessed of one of the best records ever made in amateur ranks here. The defeat of the Machinists in yesterday's final championship battle by 5 to 4 in nine innings, was the eighteenth straight victory for the Farmers.

The last defeat registered by the Aggies was June 30 when the War team took an 8 to 6 game. Since that date eighteen straights have been recorded. The team has gone through the second series of the Departmental League with but one defeat, won the final series from the Interior nine by three straight wins, took two postponed games, one from the Interior nine and one from the Printers, went through Section B winning four straight, and annexed three straights from the Machinists in the finals for the title.

In all the Aggies have won 21 games and lost but 3. In the first series in the Departmental League the Aggies took 4 and dropped 2. In the second series the Aggies won 12 and dropped 1, and in the post-season games took 7 straight.

The real strength of the team lies in the ability to out-pitch. Pee, Lemerick, Shugrue, McCarthy, Carroll, and Stratiff furnish enough offense to keep almost any pitcher on his feet during the whole game. Any one of these players is likely to break up a game. In the post-season series effective hitting at critical times has been done by Cusack, Shugrue, Carroll, McCarthy, and Stratiff. Johnny Shugrue has furnished a standard for future post-season series players. In the seven games for the title Shugrue has hit for .522, getting 10 hits out of 23 times at bat. Cusack has hit for .400, getting 10 hits out of 25 times at bat. Stratiff has hit for .333, getting 10 hits out of 30 times at bat. Lem Owen, the star hurler of the team, started things yesterday which virtually won for the Aggies.

Heavy hitting marked the final battle for the city title at American League Park. The Aggies' victory, accomplished by coming up from behind, as in other cases, was achieved by a ninth inning rally. The score was four all. Lemerick led off with a drive to left which Chapin muffed. Lem Owen followed with a home run on an error, foxing Kuhnert into throwing wide to second, and scored on Shugrue's double base wallop to through with three tallies on straight.

## PORTNER NINE HAS BEST OF RECORDS

The Portner team, champion of Richmond's Amateur Baseball Commission, will arrive here early tomorrow with a band of rosters, ready for the Aggies in the double-header to be staged at American League Park as the first clash in the intercity series.

The Richmond followers are right out in front with information concerning their nine and figure they have a great chance to come through in the initial clash with both contests. The brand of baseball displayed in Richmond is every bit as good as that here and the Virginians are more than confident of trimming the Aggies.

In Dunn and Napier the Portners have two fine hurlers. Dunn struck out fourteen batters and allowed two hits in the final game for the Richmond title against the Duplex team last week. Napier has a no-run-no-hit game to his credit this season. He has lost one game this year and has pitched for 419. Chittum, a catcher, hit for .304. Bauer, the first-sacker, is a left-hander, batted for .282 and was on the team in the game which played here three years ago. Moran, who plays second, was a member of the Petersburg team of the Virginia State League, at one time, and has pitched for 333, while Burch, the shortstop, is pitching at a 3-1 clip. Center fielder, who is a player, is regarded as the fastest man with the Virginians.

In the outfield the Portners play Bradford, a 3-1 center; Fred Burch, a .391 hitter, and a player who has a perfect fielding average, and H. Wells. Harry Lee is substitute fielder, while Napier plays in the outfield.

Reed Bird Season Opens on Sept. 1st. Just received a fresh supply of ammunition for Reed Bird Hunting.

## MARQUARD WILL NOT JOIN THE FEDERALS

NEW YORK, Aug. 27.—Rube Marquard, released by the Giants to the Toronto International League club, positively will not report to that team. And he has no thought of joining the Federal League, even if the Giants make it possible by giving him the unconditional release that he asks.

These statements were made in certain tones by the former pitcher of the Giants last night. On the other hand, the New York club says it will not release Marquard outright and that he wants to draw the salary—said to be \$3,000—they have contracted to pay him. He had better get on the first train for Toronto, Marquard believes that if he is released he can sign with the Braves or the Phillies. Neither of these clubs want him at the waiver price of \$1,000 but either would be willing to give him a chance if they could get him for nothing.

So the two parties are deadlocked. Marquard cannot jump to the Federal League, bound as he is by his present contract. He tried it last winter, but after he was signed with the Feds, Robert B. Ward, president of the Brooklyn Feds, had Marquard's contract with the Giants examined and turned him back to New York, admitting that the contract held Marquard to organized baseball.

Marquard is the property of the Giants and must play where they send him, if he is to draw the salary they contracted to pay him. Unless he gets his unconditional release—which the New York club refuses to do—he must remain out of baseball or go where the Giants send him. Marquard and Marquard are sitting tight, each waiting for the other to make a move. Rube was at the Polo Grounds yesterday afternoon, but not in uniform. He conferred with officials of the Giants and left before the game started.

## WEST SHADES EAST IN GOLF PRACTICE

DETROIT, Mich., Aug. 27.—That some splendid golfing should result from the efforts of the Western aspirants for the national amateur golf championship over the Detroit Country Club links during the week commencing Saturday, was indicated yesterday in the East vs. West match play.

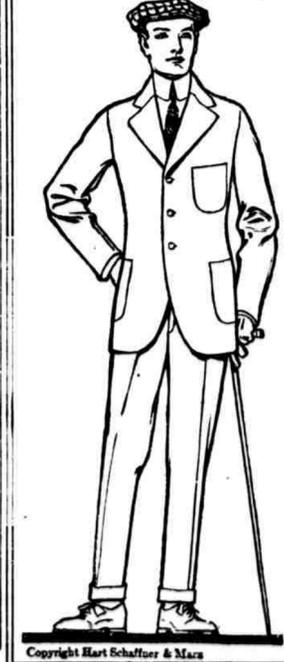

The ten players representing the West held a one-point advantage over the Easterners in the foursomes, and won five of the pairs matches played in the afternoon. All of the foursomes were decided by 1 up margins. Anderson and the big gallery following the match was rewarded with some splendid golfing. The long drives of the champions were considered almost impossible, and time and again did he reach the green of a long hole in two.

Quimet had a close battle in the pairs when he was forced to play the pair when he was paired with Howard Lee, of the Detroit Country Club, beat Francis Guimet, present American amateur champion, and B. Warren Corkran. The match was nip and tuck throughout, and the big gallery following the match was rewarded with some splendid golfing. The long drives of the champions were considered almost impossible, and time and again did he reach the green of a long hole in two.

The only exception we make is of black—every plain and fancy blue suit and all the mixtures, tans, grays, striped and checked effects included.

has won America's highest amateur golf honors more times than any other player, by his coolness and consistently good game. He was in tight places that would have shaken the nerves of the majority of players, but jilted through in a commendable manner. His use of the mid-mashie was good, while his approach work with the mashie could not have been much better.

To Detroit players—J. B. Schlottman and Howard E. Lee—falls the honor of returning the best medal scores made to date, each playing a 74 during the morning foursomes. Par is 73.

## Stuffy McInnis Not To Leave Athletics

PHILADELPHIA, Aug. 27.—"Stuffy" McInnis, the last of Connie Mack's "Mohl-ians," is still sewed up in an Athletic uniform and has not jumped to the Feds. Connie officially stated this today and said McInnis' absence from the line-up lately was because the first-sacker was visiting his sick mother at Gloucester, Mass. Furthermore, Mack and "Stuffy" will never jump.

PHILADELPHIA, Aug. 27.—A little burst of speed on the bases by Doc Cook, a bad leg by Steve O'Neil and a timely hit by Fritz Matal in the ninth inning enabled the Yanks to win the final game of the series with Cleveland here yesterday afternoon. It was the last contest the Yankees have to play here this year. The final score was 6 to 5. The Yankees got their usual scare, for Carroll Brown, who had been pitching well, weakened in the eighth, and when Cy Pieh was brought to the rescue the score stood at tie, each side having five counter-pitches.

Pieh twirled only one and two-thirds innings, and gets credit for the victory, so it was an easy win for Cy.

## LOCAL PRINTERS HAVE CHANCE FOR TROPHY

PHILADELPHIA, Aug. 27.—Washington Printers must defeat Indianapolis today, and St. Louis tomorrow in order to win the printers' championship in the annual baseball championship now under way. The Washington team in defeating New York by 6 to 2 yesterday, earned the right to tackle the Westerners, who downed the St. Paul nine.

St. Louis has drawn a bye and will play in the finals for possession of the Barry Herrmann Trophy. The St. Louis team defeated Cincinnati yesterday by 10 to 7.

Bennet proved the star of the Washington team yesterday. In addition to pitching cleverly he hammered out three hits, one a triple. The scores of yesterday's battles follow:

## Cubs and Braves End Game in Tie, 4-All

BOSTON, Aug. 27.—The Miracle Man sent Nehf after today's game with Chicago and for five innings the Cubs ate from his hands. Then a walk, single and double gave them two in the sixth and in the seventh boots by Maravalle and Smith crowded the sacks with home runs. Nehf was derided, and after Hughes took up the task Chicago made the score 4-all. Thereafter neither side scored. The crowd boomed and cheered retirement of Nehf and vented their spite on Evers, who was not responsible. Hank O'Day called the game in the ninth on account of darkness.

## Cy Pieh Stops Indians In the Eighth Inning

CLEVELAND, Aug. 27.—A little burst of speed on the bases by Doc Cook, a bad leg by Steve O'Neil and a timely hit by Fritz Matal in the ninth inning enabled the Yanks to win the final game of the series with Cleveland here yesterday afternoon.
