

ALEXANDRIA CHURCH CONFERENCE HEARS VIRGINIA REPORTS

Remaining Districts Make Statement of Year's Progress to Baltimore Body.

ALEXANDRIA, March 24.—Reports of the progress of the churches in the remaining four districts of the conference, Rockingham, Roanoke, Leesburg, and Moorefield, which had been left from yesterday took up practically all of this morning's session of the Baltimore conference of the Methodist Episcopal Church South, which met for the third day in the Washington Street Methodist Church South. The pastors of all of the churches in the districts were present, and their characters approved.

Five new elders were elected at this morning's session. Glenn G. Martin, Anthony O. Lambert, Harvey L. Hines, George G. Oliver, and Elmer A. Lambert.

They will be ordained at the 8 o'clock service Sunday night at the Washington Street Church. Deacons who will be elected today and tomorrow will be ordained on Sunday morning at the 11 o'clock service. Bishop Mouson will preach at this service. It was announced that on Sunday morning at 9:30 o'clock there will be an old-fashioned Methodist experience meeting, led by the Rev. W. E. Miller, of Baltimore.

At 3:30 o'clock this afternoon there will be a missionary meeting addressed by the Rev. C. C. Bush, a missionary to Africa. Tonight's public meeting at 7:30 o'clock will be in the interests of missions and will be held under the direction of the board of missions of the conference.

At 5 o'clock this afternoon the banquet of the alumni of the Lane, Mason College will be held in the Young People's building. About 100 members of the conference are expected to attend. The Rev. J. Howard Wells, of Harrisonburg, will be the toastmaster.

Morning Session. At this morning's session the Rev. Dr. A. C. Miller, of Little Rock, editor of the Arkansas Methodist; the Rev. Edward T. Kirkley, pastor of the Methodist Protestant Church of this city, and the Rev. R. M. Beckham, principal of the Ferris Training School of the Virginia conference, were presented to the conference. The religious services at today's session were led by Bishop Mouson, who read from the third chapter of Carinthians. The Rev. Dr. H. P. Hamill, of Martinsburg, W. Va., led in prayer and the members united in singing "Rock of Ages."

A meeting in the interest of the Sunday schools was held last night in the church and a large congregation was present. M. L. Walton, of Harrisonburg, president of the Sunday School Board, presided.

Prayer was offered by the Rev. J. C. Thresher, of Monterey, and the scripture lesson was read by the Rev. W. H. Balenger, of Luray. The principal address was made by the Rev. Charles O. Spiller, of Nashville, Tenn., superintendent of the program at the conference. Plans have been made for the golden jubilee celebration of the union of the Baltimore conference and the Methodist Episcopal Church South in Alexandria in 1862, to be held on Sunday afternoon at 5 o'clock.

Unless physically unable Bishop A. W. Wilson, of Baltimore, will preside and make the principal address. Dr. Carlton D. Harris, editor of the Baltimore Southern Methodist, will read a historical paper.

There are ten survivors of that conference every one of whom is expected to be present in person or send a letter. The survivors are: Elisha A. Wilson, of Baltimore; E. Greer, of Shepherdsboro, Va.; William Y. Puder, of Washington, D. C.; Broderick Stanley, of Williams, Va.; William V. Puder, of Washington, D. C.; John R. Kron, of Ashland, Va.; J. R. Van Horn, of Weststock, Va.; and Benjamin F. Hall, of Westchester, Va.

Julian T. Burke Dead.

Julian T. Burke, senior member of the firm of Burke & Herbert, bankers, and one of Alexandria's most prominent citizens, died at his home, 715 Prince street, at 7:30 o'clock this morning after a short illness. Mr. Burke was taken sick ten days ago with pneumonia.

His condition rapidly became critical on account of the condition of his heart and late last week his condition was regarded as very serious. On Monday there was a change for the better and he was somewhat improved yesterday. He spent a satisfactory night last night and his death came suddenly as a result of heart failure.

Mr. Burke was sixty-two years old, having been born in this city at the old homestead of the family, 208 Wilkes street, in 1854. He was a son of the late John W. Burke and Mrs. Julia H. Thompson Burke. After a grammar school education in Alexandria Mr. Burke attended Charlotte Hall, in Maryland.

He returned to Alexandria and from here went to Baltimore, where he was engaged in business for a short time. He then became connected with the banking firm of Burke & Herbert, which was then composed of his father and Col. Arthur Herbert, the

firm having been established by them in 1853. Shortly after his entry into the business he became a junior partner and in 1907, upon the death of his father, became head of the firm, having for many years associated his brother, Harry H. Burke, with him. In addition to his banking interests Mr. Burke was the treasurer of the Virginia Theological Seminary and the Episcopal High School having been elected to these positions upon the retirement of Col. Arthur Herbert. For many years he was trustee of the Lulaney estate he had in charge Greenbrier White Sulphur Springs, W. Va., continuing in charge of that property until its purchase by the Chesapeake and Ohio railway. He was a vestryman in St. Paul's Episcopal Church.

Mr. Burke is survived by his wife, who was Miss Esther D. Taylor; three sons, City Councilman C. E. Taylor, Burke, Dr. John W. Burke, of Washington, and Julian T. Burke, Jr., of this city; and two daughters, Mrs. Louis S. Greene, of Washington, and Miss Esther D. Burke, of this city. Two brothers, City Councilman Harry H. Burke, of this city and E. J. Burke, of Boston, and three sisters, Misses Fanny M. Burke and Virginia R. Burke, of this city, and Mrs. Charles E. Edger of Plainfield, N. J., also survive him.

While the funeral arrangements have not been completed it is expected that the funeral will take place on Sunday afternoon.

The fourteenth degree of Scottish Rite Masonry will be conferred upon a large class by the officers of Washington Memorial Lodge of Perfection at a meeting to be held in Masonic Temple at 7:30 o'clock tonight.

OLD FOLKS NEED "CASCARETS" FOR LIVER, BOWELS

Salts, calomel, pills act on bowels like pepper acts in nostrils. Enjoy life! Don't stay bilious, sick, headachy and constipated.

Most old people must give to the bowels some regular help, else they suffer from constipation. The condition is perfectly natural. It is just as natural as it is for old people to walk slowly. For a man is never so active as youth. The muscles are less elastic. And the bowels are muscles. One might as well refuse to aid weak eyes with glasses as to neglect this gentle aid to weak bowels. The bowels must be kept active. This is important at all ages, but never so much as at fifty. Age is not a time for harsh physics. Youth may occasionally whip the bowels into activity. But a laxative can't be used every day. What the bowels of the old need is a gentle and natural tonic. One that can be constantly used without harm. The only such tonic is Cascarets, and they cost only 10 cents per box at any drug store.—Advt.

ROAD TO HEALTH IS THROUGH THE KIDNEYS

No person alive is stronger than his kidneys. The minute the kidneys become disarranged or clogged with waste the warning bells begin to ring. The entire system is greater part of all sickness today can be kept by keeping the kidneys working properly.

Most any reliable druggist in this vicinity knows how many of his well-known customers have tried the standard kidney remedy with little or no benefit. There are hundreds of people who were made well by O'Donnell's Drug Store's remarkable kidney remedy. This remedy is a kidney tonic and a general blood-purifier. It is a kidney tonic and a general blood-purifier. It is a kidney tonic and a general blood-purifier. It is a kidney tonic and a general blood-purifier.

The best kind of advertising is the praise of a pleased customer, and there are hundreds today praising Solvax because it has perfectly won in standing the test of time. Not very long ago they were afflicted with all manner of aches, unbecomingly painful, and each day seemed to bring with it a new ache in some other part of their body. Since using Solvax they are once more bright and chipper, and able to enjoy life at its fullest with no more fear of suffering.

We doubt if any other kidney remedy has made such a large percentage of cures as Solvax. It is so large that its owners are perfectly sure in standing ready to refund the price to any customer whom it does not help. This is a good time to get well and get it from O'Donnell's Drug Store or any well stocked drug store.—Advt.

FOR BRONCHITIS, PAINFUL COUGH, WHOOPING COUGH AND COLDS

Cheapest Remedy Made at Home—128 Teaspoonful for 50c.

When in need of a remedy for the treatment of Bronchitis, Croup, Whooping Cough, Croup, Stomach Coughs, Colds, or Hoarseness, don't simply ask the druggist for a "Cough Medicine," but get the best. Tell him to give you Schiffmann's New Concentrated Expectant. Instead of being induced into buying something else purely on the strength of some testimonials or the exaggerated claims of the manufacturer. The same "Money Back" guarantee goes with every bottle of this remedy sold by O'Donnell's Drug Store as does with Dr. Schiffmann's famous Asthma and your money will be refunded, if it does not give perfect satisfaction; in fact, even more, if it is not found the best remedy ever used for these affections. In buying this new remedy, besides securing the guarantee these druggists give, it will likewise be

U. S. Experts to Study Trade in South America

Foreign-trade experts of the Bureau of Foreign and Domestic Commerce will sail for South America next month to study the markets for American textiles, electrical appliances, and boots and shoes. Philip S. Smith, of New York, will take up the work of the electrical appliances markets; W. A. Tucker, of Massachusetts, will study the market for electrical appliances, and H. G. Brock, of the bureau staff, will take up boots and shoes.

Textiles, principally cotton goods, are among the largest of South America's imports, and heretofore the United States has furnished only a small share of this trade. Declaring there is less illiteracy among Hebrew immigrants than any other class, Joseph Tepper, Zionist, in an address before the Ahavas Zion Society at 1223 Sixth street northwest, last night, protested against a proposed literacy test in connection with the immigration laws.

The speaker declared that if an immigrant was strong morally and physically, he had enough stock in trade to be self-supporting, and consequently a good citizen. E. H. Alpher, president of the society, introduced the speaker.

Opposes Literacy Test in Immigration Laws

Eno's Valet Coming to Testify in Will Suit

PARIS, March 24.—The French government has granted a leave of absence of sixty days of Edmond Bigaut, a private in the French army, who was valet of the late Amon E. Eno, of New York, so that he may go to New York in May to testify in the Eno will case.

Both sides in the will contest desire Bigaut's evidence as to the testamentary capacity of Mr. Eno. The foreign office, which is understood to have acted on representations from the American embassy, recommended to the ministry of war that it grant this unusual leave.

Millions for Farmers in Protection of Birds

WINNIPEG, Manitoba, March 21.—Game preservation in Manitoba, North Dakota, and Minnesota was argued here today by the Audubon Society, declaring that it represented "the 90 per cent of the population that does not shoot prairie chicken," the society asks for laws protecting the bird, whose eggs, it says, have largely been destroyed by frost.

The protection of plover, woodcock, snipes, and plovers would save American agriculture \$60,000,000 a year, the society says, because these creatures live on seeds and insects.

Diamond in Sea Weeds

ATLANTIC CITY, N. J., March 23.—John H. Carrington, a "white wing" thought he had unearthed a new specimen of sea shells when he raked a white stone from seaweed on Virginia avenue. It was a diamond beryl. It was substantially rewarded.
