NEMO WEEK

Nemo Week this year—May 1st to 6th—brings you:

1. Complete lines of all the latest Nemo inventions, and of the old favorites, improved and brought up to date.
2. Nemo models, for all figures, in strong, cool batiste, for summer wear.
3. Additional models in "Self-Help" Wonderlift Corsets, the marvel corsets of the age.
4. The "Nemo Week Special"—a new and ultra-stylish Self-Reducing model for rather tall full figures; of steeltex batiste, in sizes 22 to 36—\$3.00.

Costs of all corset materials are advancing.

Prices of standard corsets must also advance.

There is no advance YET in Nemo prices.

These are three good reasons why you should secure all the Nemo Corsets you will need for months to come.

Nemo Week provides complete lines of styles and sizes from which to select, and our expert Nemo fitters will give you their best services.

The New Pink and Flesh Colored Garments Cast a Roseate Glow Into the May White Sale of Muslin Underwear

Flesh colored underwear is becoming so popular at the present day, a white sale is no more a white sale strictly speaking. But qualities and prices are practically the same as in former white sales, even in the face of advancing cost of materials. Because we have been planning many weeks ahead for this sale we have secured special values, and the qualities are the best on the market at our regular low prices—for this THREE-DAY SALE, we have marked them still lower in the following lots. It is the Spring's best opportunity to provide yourself with the muslin underwear you will need for this summer.

The materials are nainsooks, fine cambrics, batiste, piques, sateens, china silk, and trimmed more or less elaborately with laces and embroideries, some in tailored effects with hemstitching finish.
