8. Many men are often troubled with symptoms and signs of disease that may be due to the weather and atmosphere?

9. Many men are often troubled with symptoms and signs of disease that may be due to the weather and atmosphere?

10. Many men are often troubled with symptoms and signs of disease that may be due to the weather and atmosphere?

AMUSEMENTS

Belasco

Belasco's new drama, "The Happy Family," will be presented at the Belasco Theater. The play is a comedy about a family life and its problems, and is directed by Belasco himself. The cast includes some of the finest actors of the day, and the performance is expected to be a success.
