

Scout Ryan Looks at Player—Ban Johnson Hints at Closed Parks—Central and Tech to Swim

Griffs Are Seeking For Pitcher

The Washington club is angling for a pitcher now performing for the Richmond Rebels in the International League.

Manager Griffith does not believe in quitting just because his team is not going good and so he is casting about for players who would strengthen his outfit.

Jack Ryan, the aged but agile scout of the Griffs, paid Richmond a visit last week and took a look over the players tipped off to the Old Fox.

Griffmen Successful in Losing to Yankees

Outlining, generally outpitching, and outplaying the Yankees, the Griffmen succeeded in losing another game yesterday, though forced to go ten innings before succumbing, 4 to 2.

Nunamaker opened the tenth with a walk. Galla picked up Shocker's sacrifice and threw wildly to second, both men being safe.

Shocker and completed a double play with a snap leg to second. High's sweet single left center scored Nunamaker with the run that won.

A single, sacrifice and triple gave the Yanks their first run. Two more punched single with a runner on base, sent over another in the fifth. Smith's strong-armed throw in the eighth left Gilhooley score.

Three walks and a wild pitch sent Smith over in the second. Foster's walk, Milan's double and Rice's single scored the midget in the seventh. McBride's double, Henry's single, and Shanker's sacrifice fly scored the Griffmen's final run.

Foster and Judge excelled in the field, the former showing all his old-time brilliancy at third base. Moran's jumping catch of Piper's liner in the first inning deserves brackets.

Down here you'll find the mathematicians: New York, Washington, Griffs, Yankees, etc.

Washington, 6; Griffs, 2. Griffs contributed two brilliant double plays during the melee, the first being that of Foster to Judge to McBride, the latter covering third base, and the second from Foster to Judge.

Magee ruined the Griffmen's chances when he threw out Milan at the plate on Rice's bingle in the seventh. Milan was on second and seemed to have started slowly, for he was out by yards.

Twice Judge had chances to break up the game with a hit. In the fourth he rolled to Malise with two outs and two down. His double came too late to be of use.

Kid Sheeler, of Cumberland, Md., after forcing the fight against Sient Howard for fifteen rounds, was given a draw by Referee P. F. O'Connor, evoking a roar from the small crowd of fans that journeyed out to Ardmore last night.

In the first ten rounds Sheeler was easily the winner, but then Howard, the former Gallaudet football star, came to life and began hammering the Cumberland boy. In the fourteenth Howard took a knock-out, but the blood bothered him thereafter. It was largely on his good work in the concluding sessions that Howard earned his draw, according to the referee.

BOB THAYER'S GOSSIP ON SPORTING MATTERS

Tonight Freddie Welsh and Johnny Kilbane meet in the ring at the Manhattan A. C., in New York. There has been little excitement at this meeting of the lightweight and featherweight champions for two reasons.

In the first, the referee was not a disinterested one, and a bowl was in the second, the bout is for only ten rounds. Both boxers are ranked with the cleverest in the world.

Welsh is not much of a hitter, but Kilbane can put them away with songfrod, whatever that may be. Welsh is so clever that Kilbane is not expected to have much of a chance to land his sleep walk, at any rate, inside of ten rounds.

The mill will probably run through ten interesting rounds and a bowl will go up from the fans and scribes who saw it.

Many Washington fans, to whom I have listened in one place and another, seem to consider the Griffmen out of it just because they are now poking around the cellar. They're wrong. No pennant race in the history of baseball was ever decided inside of the first month.

A team may look wretched in April and be a championship organization in October. I'm not predicting any pennant for the Griffmen, but the fans should not believe them down and out merely because they have started poorly.

If you can't stay with your team, you're not worth having a team, and you know it. Washington's golf season gets under way this week. The Washington Country Club, situated across the river in Virginia, conducting its annual spring tournament beginning Thursday.

GOWEN SETS RECORDS IN DUCKPIN TOURNNEY

Chemistry Bowler Stars on Opening Night.

P. L. Gowen, a member of the Chemistry team, Agriculture Inter-bureau League, today is holder of two tournament records of the District Duckpin Association. Rolling last night, in the opening competition of the annual championships, at the Grand Central, Gowen set new marks for Class B in the singles and all-events.

The Aggie's bowler rolled 368 in the singles, and his 358 with Chemistry and 287 in the doubles gave him the record all-event total of 1,015. Gowen also had the high single score of last night, 143, made in the first string of his set with the team.

William F. Gude, A. Leftwich Sinclair, and George Iseemann opened the tournament with addresses. Henry Rodier introducing them. Iseemann, president of the District Association, heaped credit on the members of the various committees for the record entry list of the tournament.

Gude, former A. C. E. A. president, blamed Iseemann for the tournament's success, and Sinclair, president of the Chamber of Commerce, declared that bowling is a good, clean sport, should be encouraged, and that the Chamber of Commerce will always be willing to lend its support to the bowlers in their various tournament ventures.

Chemistry took the lead among the class B teams, with a total of 1,597. Every member of the quint had a set of better than 300. Gowen leading with 358, and McPhilloney doing well with 326.

In class C of the teams, Plant Industry, of the Agriculture Inter-bureau circuit, went to the front with 1,409. Anchor Man Rose being the best performer. No class A teams rolled.

W. P. Bartel and G. H. Gleitsmann did fine work in the class A doubles, with 645. Gleitsmann having 332 and his partner 313. C. J. Hausler and M. N. Straight took the lead in class B doubles, with 620.

Two class A singles were rolled, W. S. King getting 348 and C. E. Jacobson, 288.

Despite Serious Fire in Stables, Races Start Today. BALTIMORE, May 1.—Fourteen race horses were burned to a crisp, forty-two stables were razed, and a large part of the equipment of the Pimlico race track was threatened with destruction by a fire that broke out at 12:45 o'clock this morning.

Early this morning five of the dead horses had been identified. Three of them, Billy McDie, Miss Sanfara, and a pony belonging to J. S. Fryer, of Washington, D. C. The other two, Don Moran and a pony, were the property of Timothy J. Donohue, of New York.

Fourteen of the burned stables were occupied by Dr. Tyer's string, fourteen by the Sage stable, in charge of Donohue, and four by the horses of William M. Roberts. The ten unidentified horses are thought to have been the property of these men.

There are no entry fees and no prizes. Collegiate rules will govern in all cases. For all events over 225 yards time will govern the finding of winners, no heats being swum in these events.

BALTIMORE. May 1.—By a decision of the Baltimore county court, there will be no racing at Bengie. The action of the racing commission in forbidding a license to the new track association has been upheld by the court.

Central and Technical to Swim

First Scholastic Dual Outdoor Meet To Be Staged May 16 at Bathing Beach—Football Schedule for 1917 Is Out.

Central and Technical swimmers will meet in the first outdoor dual swimming meet ever held in the city on Wednesday, May 16, at the Bathing Beach pool.

F. J. Brunner, coach at Central High School, and also superintendent of the bathing beach, has arranged the meet for the schools. Prof. Stafford, of Tech, has been appointed faculty athletic adviser of swimming and will marshal the Tech swimmers for the events.

There will be a fifty, hundred, two, twenty, and five hundred yard swim, a hundred backstroke and a hundred breast stroke besides fancy diving and a plunge for distance.

Central is endeavoring to arrange other dual meets. Ample facilities for seating spectators will be arranged. Entry blanks are out for the first outdoor scholastic swimming championships to be held June 2 at the bathing beach.

While the high school football season is somewhat removed in the future the faculty advisers have arranged the title series. Games will probably be played in the Central stadium.

The list of games and dates are as follows: October 10—Business vs. Western. October 23—Central vs. Eastern. October 26—Technical vs. Western. October 30—Business vs. Eastern. November 2—Technical vs. Central. November 6—Western vs. Eastern. November 9—Business vs. Central.

RECORD DUCKPIN GAME ROLLED BY MISS DREW

Member of Grand Central Team Gets 128 Count.

Although bowlers on opening night of the District Association tournament battled the headpin with uncommon skill in many instances, the most interesting performance seen at the Grand Central alleys last night is accredited to Miss Nellie Drew, a member of the Grand Central girls' team, who established a record for high game among the shriller sex of Washington by rolling 128. This beats the previous mark by three pins.

Miss Drew made five marks, starting the game with three spares, sparing in the ninth and striking in the tenth. Her opponents at the time were Mrs. George Iseemann and Mrs. John L. Vaeth.

Funniest thing at the Grand Central last night—Pop Halley playing his third game of pocket billiards with Tommie George coaching him.

In addition to being here, there, and everywhere, doing fourteen things at once, it seemed, Paul Howlin, Morris Caffritz's young assistant, had things soft.

McKercher, of the Lebanon quint, was recently applauded when he pulled a 5-6-7 spare in the third game.

Business and Tech Cross Bats in Title Game on G. U. Field. Business will endeavor to get on even terms with Central today in its scheduled contest with Tech to be held at Georgetown Field.

The Stenographers will send Dorsey to the mound, while Towles will be behind the bat. Tech will put Dave Pfeiffer on the rubber while Gurenski will be the receiving end. Business defeated Western by 14 to 12 in its last game, while Tech went down to an 11 to 1 defeat at the hands of Central recently.

Georgetown Preps and Army and Navy Preps are meeting today on the Prep Field. The teams will play again on Saturday.

A meeting of the faculty advisers is expected either today or tomorrow. Details of the annual field and track games to be held May 12 at the stadium are up for consideration.

BENGIES LOSE OUT. BALTIMORE, May 1.—By a decision of the Baltimore county court, there will be no racing at Bengie. The action of the racing commission in forbidding a license to the new track association has been upheld by the court.

Managers are arranging games for the various high school teams. Central and Tech will probably take on Baltimore school teams while other contests are being arranged for the Tomie School, at Port Deposit, Md.

Georgetown Prep and Western High School track athletes have arranged a dual meet for May 16. The youngsters will compete in the hundred, two-hundred, four-hundred, half mile, high jump, broad jump, and shotput. Western has entered twenty-two in the Maryland State games to be held on Saturday at College Park.

Army and Navy Preps were defeated by the Western High School tracksters yesterday in four out of five matches. The scores were as follows: Gardner, W. defeated Lange, A. N. P., 62, 61; Gieseking, W. defeated Merris, A. N. P., 60, 61; Chambrice, W. defeated Malone, A. N. P., 75, 75; Lange and Ferris, N. P. defeated Gardner and Gieseking, W., 64, 75; Abbott and Chamberlaine, W., defeated Scott and Arigoni, 62, 64, 63.
