

MILLION IN W. S. S. SALES A WEEK IS D. C. WORKERS' AIM

"Over the Top" is the slogan for war savings week adopted today by the District War Savings Committee. Starting next Sunday a city-wide drive begins to raise \$1,000,000 in war savings and thrift stamp sales before the end of the week.

Preparation for the week's intensive campaign has been completed by Director D. J. Callahan, of the District committee. Thousands of volunteer workers have pledged their aid in putting over the big war savings drive in Washington. The various committees have been organized and subcommittees are being appointed.

Every theater is to have a war savings speaker. All civic and social gatherings are to be addressed in behalf of the war savings movement. W. J. Brida, chairman of the speakers committee has a large force of speakers at his command, including several of the best-known men in the Capital.

WOODS AGAIN HEADS CONGRESS COMMITTEE

Congressman Frank P. Woods of Iowa will continue for another term as chairman of the Republican Congressional committee.

This was settled at a meeting of the new committee at the Capitol. Mr. Woods, after a sharp fight, which was carried on under the surface, was unanimously re-elected.

Congressman Madden of Illinois withdrew from the race. It is said Colonel Roosevelt while here advised against continuation of the fight. Other officers elected were: Vice chairman, Congressman Kahn of California and Wood of Indiana; secretary, Congressman Watson of New Hampshire; treasurer, former Senator Nathan B. Scott of West Virginia. A subcommittee was named to consider revision of the by-laws. It consists of Congressmen Graham of Pennsylvania and Mondell of Wyoming and Senator Sutherland of West Virginia.

U. S. FLYER KILLED IN ACCIDENT ABROAD

First Lieut. John H. Wright, aviation section, signal corps, was accidentally killed in France, according to announcement from the War Department today. His commanding officer, John S. Wise, resides in New York.

The War Department also received a report from First Lieut. H. A. Brown, of the medical reserve corps, attached to the British expeditionary forces, had been wounded in action. His home is in Cincinnati.

GERMANS TO AID U. S. LOANS

The Sons of Herman, an organization with a membership of 70,000 persons throughout the United States of German birth or extraction, will aid Government loans. The head of the order has addressed a circular letter to each of the thousand lodges advising them to appoint committees and co-operate fully in all war savings or loan campaigns.

"TIZ" EASES TIRED, SORE, SWOLLEN FEET

Instant relief for aching, puffed-up, calloused feet and corns.

Why go limping around with aching, puffed-up feet—feet so tired, chafed, sore and swollen you can hardly get your shoes on? Why don't you get a 25-cent box of "Tiz" from the drug store now and gladden your tortured feet?

COMB SAGE TEA INTO GRAY HAIR

Darkens Beautifully and Restores its Natural Color and Lustre at Once.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An elegant, ready-made preparation improved by the addition of other ingredients, in a large bottle, at little cost, at drug stores, known as "Weyth's Sage and Sulphur Compound," thus avoiding a lot of fuss.
