

Fashion Says Oxfords

For summer wear the discriminating woman selects white oxfords.

Nothing is more appealing, more attractive or more distinctive than a pair of La France white oxfords. Fetching designs, smart lines, exquisite leather and cloth combinations, and deft workmanship by the La France experts are compelling features of

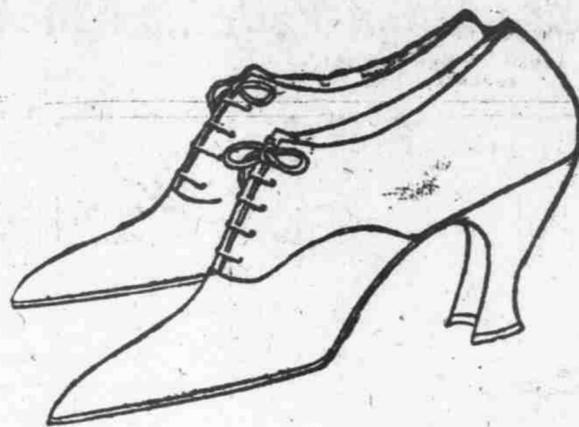

White Oxfords

Wear La France footwear for dash, style, refinement, correctness of design and true quality and all at prices that actually defy the steady advance in shoe values.

No detail of excellence is found wanting in the comprehensive gathering of models now on display at Berberich's.

We are showing a most complete assortment of white oxford styles, ranging from the walking type, with military heels and straight or wing tips, to the light dressy styles with high arches and Louis XV heels in the popular reign skin cloths as well as white washable kidskin.
