

CUTICURA HEALS SKIN TROUBLE

On Little Brother Could Not Sleep. Badly Disfigured.

"My little brother seventeen months old had a bad case of skin eruption. It began as large red blotches that later took the form of small pimples. They affected his face, hands, and feet so that he could not sleep. His face was badly disfigured."

"Then we got Cuticura Soap and Ointment, and baby was healed." (Signed) Miss Susie Denny, 10 Martha St., Montgomery, Ala.

Editorial

The Y. W. C. A. has recently started a campaign to educate young women in the matter of correct shoes. Shoes that give the most in comfort.

What more practical information could be given to young women? Every day middle-aged and old women come to our "Foot Comfort" section with foot troubles and aches and pains that would have been avoided had some one advised these folks of the kind of shoes to wear early in life.

We are glad to note that the Y. W. C. A. has chosen the Cantilever shoe as one of those approved for sensibility.

Our Shoe Department carries a good assortment of Cantilever shoes and will be glad to show them to you the first time you are down town. Especially Model No. 57.
