CALOTABS ARE BEST FOR COLDS AND INFLUENZA

Doctor Now Prescribes Calotabs, the Purified Calomel Tablets That Are Nauseless, Safe and Sure.

Doctors are warning the public that simple colds and mild cases of influenza often lead to pneumonia and other serious complications. They say that every cold should receive immediate attention and that the first step in the treatment is to make sure that the liver is active. For this purpose Calotabs, the perfected, nausealess calomel tablets are the best and most agreeable laxative.

One Calotab at bed time with a swallow of water—that's all, no salts, no nausea, and no upsetting of the digestion and appetite. Next morning your cold has vanished, your liver is active, your system is purified and refreshed and you are feeling fine with a hearty appetite for breakfast. Eat what you please—no danger.

The Strain and Wear on a Ball Player in Championship Games Is Terrific.

Little did the public know how terrible a strain that Cincinnati and Chicago ball players were under in this fall's championship games, and every player was keyed up to the highest tension, and in such cases the weak muscles and the nerves give way first. There is a ball player who had to give up the game for a while on account of his shattered nerves and strained muscles. Mr. S. Marshall, 230 22nd St., Baltimore, Md., said: "My shattered nerves and stiff muscles caused by excitement and a heavy rain on my nerves to lose a season of ball playing. I was run down, my arms and shoulders had rheumatism, and I could not get a good night's sleep on account of pain. I had tried liniments and medicines to lumber up my muscles, and could get no relief, and at that time so much was being said about Nu-Vim, it being a great builder of the nerves, with its vegetable iron to strengthen the body. I began to take it, and felt some relief within five days. I have now used 3 bottles, all my aches and pains have left me, and I feel as good and active as any trained athlete today. I can sleep good, eat and enjoy a hearty meal 3 times a day, and my muscles are strong and pliable, and I give credit to Nu-Vim bringing around this wonderful improvement in my condition, and all ball players by all means find themselves good, strong and ambitious, should take Nu-Vim, and it will restore that lost vitality, and put the popper and ginger in them that will make them feel fine as a fiddle and Nu-Vim, being a regulator of the system will ward off and protect them from colds, no colds go where Nu-Vim is used, don't overlook the bowel and liver tablets, that come with every package of Nu-Vim. On sale at the People's seven drug stores, and all druggists."

Editorial

The Ladies' Aid of Garfield Memorial Hospital is going to sell tags tomorrow, and the proceeds are to be used in refurbishing and making comfortable the home of nurses at the above institution. These women say that the more happy a nurse is, the better she is able to serve the sick. It is true in business, and there is no reason why it shouldn't hold true in nursing. So, tomorrow when you're asked to buy a tag, pay all your coin for it, and if you want to have a good time dig up a dollar and attend the dancet from four to seven in the ballroom of the New Willard Hotel. We hope enough money will be raised to buy everything the nurses need for their home.
