ROTARIANS PROBE CARE OF SOLDIERS

Start Nation-wide Quiz to Find How Uncle Sam is Treating Veterans.

INDIANAPOLIS, Ind., March 22.—The board of directors of the International Association of Rotary Clubs has ordered a nation-wide survey of conditions surrounding the care of disabled veterans. "To prove whether American Legion reports are based on hysteria or upon actual facts," according to a letter received at Legion headquarters from Chesley N. Perry, Chicago, secretary-general of the Rotary organization. Mr. Perry said the Rotary board had endorsed the Legion's consolidation program for relief to the disabled and would support the legion's efforts to obtain its enactment into law. His letter says: "The 50,000 American business and professional men who form the 800 Rotary clubs of the United States have started out to gather the actual facts in their respective communities with regard to the manner in which the United States Government is handling the cases of disabled ex-soldiers. The Rotarians have been shocked by the disclosures made by the American Legion regarding the rehabilitation of Uncle Sam's disabled ex-service men. Each Rotary club is appointing a special committee to investigate conditions in its community and report to the club. Every club will then report to the headquarters office of Rotary in Chicago. The result will be that from 800 communities in every part of the United States will come evidence of business and professional men to prove to the American people whether or not the American Legion reports are based on hysteria or upon actual facts so revolting and heartrending as to cause the whole American people to rise in their might and do justice to the men who sacrificed themselves for their country."

F. W. Galbraith, Jr., national commander of the legion, asserted the legion welcomed the Rotary investigation.

"I hope its findings will be given the widest publicity," he said. "It will be found the legion has not overstated the case in any particular."

NEWS OF ALEXANDRIA AND NEARBY VIRGINIA

Condition of Wounded Prowler Remains Unchanged.

ALEXANDRIA, Va., March 22.—The condition of William Smith, twenty-one, who was shot while attempting to escape from the store of Julius Wolf, which he and two other men had entered a few nights ago, continues unchanged, according to the Alexandria health authorities. Smith gave the police his address as Richmond, but they think that both the name and his address are fictitious.

The annual meeting of the Chamber of Commerce last night was addressed by John Hilder of Washington, of the United States Chamber of Commerce. The officers made their annual reports, which showed the organization to be in a flourishing condition. The meeting was a "booster meeting" and it was stated by the speaker that the outlook for the chamber was never brighter. Leopold Rube, Claude Fletcher, Judge S. G. Brent and Judge C. E. Nicol were elected directors.

Evangelistic services are in progress at the Presbyterian Chapel on Commerce street. The services are being conducted by the Rev. John Lee Allison, pastor of the Second Presbyterian Church.

MISTAKE IN TELEGRAM SCARES HOTEL GUESTS

COLUMBUS, Ohio, March 22.—A near panic here is attributed to a telegraph operator at Wellington. A patron of a local hotel received the following telegram: "Will burn hotel in Columbus tonight. BOCCO."

The telegram referred to the hotel where the patron was quartered. Some guests changed hotels hurriedly, but officials of the ill-fated hostelry presented a calm demeanor as they tried to unravel the mystery. Despite extended inquiry at Wellington and activity on the part of the Columbus police the sender of the telegram eluded the officials.

It was late that night when he arrived at the hotel. Bocco immediately located his friend, asking him whether the patron had received Bocco's telegram. Admitting he had, he asked Bocco for an explanation. "Why," declared Bocco, "I wired: 'Will be at Hotel in Columbus tonight.'"

SMASH TOUGH SAFE TO RECOVER PINT OF LIQUOR

FORT YATES, N. D., March 22.—After years of exposure to the weather, a large safe, locked and combination unknown, yielded to the efforts of a blacksmith's chief and hammer here when it became known that a pint of whiskey was a part of the contents. The safe has been a roosting place for story-tellers in the past as it rested upon the porch of the office of the chief clerk of the Indian agency. Records pertaining to the agency from early days of the settlement were recovered.

When Food Doesn't Digest

Give the Stomach a Rational Rest by Proper Aid, Not by Harsh Starvation Methods. Use Stuart's Dyspepsia Tablets.

A sour stomach may indicate an acid condition that calls for an alkaline effect. This you will get from one or two

Stuart's Dyspepsia Tablets after a meal. Sour risings, gasiness, a heavy bloated feeling and such distress due to indigestion or dyspepsia are usually only temporary. And yet they may lead to serious disorder. The regular use of Stuart's Dyspepsia Tablets after meals reflects to a high degree the intelligent selection of preventive measures. One cannot always select or inspect the quality of food to be eaten nor its method or manner of preparation. But it is possible to avoid the acidity that is so often the result. And it is a far better plan to eat without worry over what may happen, than to starve for fear it will happen. Many physicians recommend these tablets for stomach distress due to indigestion or dyspepsia. They are sold by all druggists everywhere at 60 cents a box.

TURN HAIR DARK WITH SAGE TEA

If Mixed With Sulphur It Darkens So Naturally Nobody Can Tell.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage. Nowadays, though, we don't have the troublesome task of gathering the sage and the many mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." It is very popular, because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it, and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications it also produces that soft luster and appearance of abundance which is so attractive.

Will Take Off All Excess Fat

Do you know that there is a simple, harmless effective remedy for overweight that may be used safely and secretly by any man or woman who is losing the slimmest of youth? There is; and it is none other than the tablet form of the now famous Marmosa Prescription, known as Marmosa Prescription Tablets. You can well expect a reduction of from two to four pounds a week without dieting or exercising. Marmosa Prescription Tablets are sold by all druggists at one dollar for a large case, or if you prefer, you can order direct from the Marmosa Co., 4112 Woodward Ave., Detroit, Mich.
