MEXICO LOOTER HIDING OUT IN UNITED STATES

Youthful Paymaster for Obregon Said to Have \$250,000 Boodle.

By LOUIS F. KIRBY, International News Service.
MEXICO CITY, Oct. 17.—Gay companions, who helped to spend but were unwilling or powerless to help in a crisis, are reported to have been the cause of the downfall of Eduardo H. Diaz, paymaster of the Chamber of Deputies, who disappeared with about \$250,000 and is supposed to be somewhere in the United States.

Chauffeur Missing, Too.
When Diaz disappeared his chauffeur, also, was found to be missing. This led to the belief that the paymaster left Mexico City in his motor car.

New System Planned.
It is probable that a new system of paying the salaries of deputies and employees will be adopted, for the purpose of more closely checking the paymaster.

The Latest Word from Paris By Marie Suzanne

PARIS, France. VELVET—which all Paris is using at all hours—makes its final appearance of the day in a wrap that combines black and white velvet in a unique overlapping design, and is luxuriously and becomingly collared in sable.

A GOWN that is a drapery rather than a fitting of fabric, along with exquisitely graceful lines, places all confidence in the regal beauty of red purple velvet.
