WASHINGTON HALL LAST NIGHT.—As usual with all the military dramas presented in our city, the Spy is drawing larger houses each evening, as witnessed by the increased numbers at Washington Hall last night. The family scene at Col. Wilmer's was exhibited last night by all the characters in a sprightly and life-like manner.

The second act, showing the arrest of the Spy at Col. Wilmer's by DeForest's gang, the rebel prison pen, the rescue by the Zouaves, the capture of the guerrilla chief, with the numerous grave and gay incidents, followed rapidly and smoothly and closed with another grand tableau.

The third act, after an amusing black squad drill, opens with the celebrated Zouave drill, never before presented here, and one well worth the price of admission.

The capture of May and the Spy, the rescue, and the beautiful tableau, close this act. Between this and the fourth act Master Eddie Capelhart, of Bridgeport, a little lad of 13 years, recited Sheridan's ride in a very entertaining manner, showing a fine conception of the piece for one so young, and was rewarded by hearty applause.

A WANT SUPPLIER. To supply a want felt for a real genuine good article of Soap at a reasonable price, the undersigned is now manufacturing such an article, as all testify who have seen and used.

The Favorite Soap, Manufactured by E. REID, Wheeling, W. Va.

I claim that it cannot be excelled, 1st, in purity and quality; 2d, in economy, because it is firm and hard as soap and makes the most soap of it. It will therefore wash just as much as the cheap soap in market at the same price. 3d, For perfection in water. You must wash with it, a clean soap, or you cannot have clean, white clothes. The skin is so tender that it will not injure the skin or the most delicate fabrics. 4th, I claim for it an advantage over all others in that it will not leave in water for 24 hours without injuring it. Other soaps are rendered useless by forgetting them in the tub or basin after using. Please enquire of your grocer for the Favorite Soap, and you will be convinced that it is the best.

Caution.—Each bar is stamped "Wm. B. Simpson & Co. Wheeling, W. Va." and is manufactured and sold at wholesale by JAS. HAMILTON, 117 WARD RD., Wheeling, W. Va.
