THE WHEELING RECORD.—The following shows the range of the temperature as observed at Silver's Drug Store, corner opposite the Post Office:

Table with 4 columns: Day, High, Low, Wind.

Franklin Insurance Company, Spectacles—Oxley & Dunfield, Masonic Funeral Notice, Electro Plating, German Study Lamp, Royal Arch, Steamer Andes, Wanted, Officer Furniture.

The beautiful air—well, there is not enough left worth speaking of.

To-day is the 101st anniversary of the birth of William H. Harrison.

It is now about certain that the ground hog did not go back on us this year.

The regular monthly meeting of the City Council will be held to-morrow night.

With the exception of a few moments on Saturday, the sun did not visit this section during last week.

SIXTH ANNIVERSARY.—Excelsior Lodge No. 40, I. O. O. F., celebrates its Sixth Anniversary to-morrow night.

POLICE COURT.—There were no cases before either the morning or afternoon session of the police court Saturday.

The average juvenile was happy Saturday in sliding down hill whenever he could find one not encompassed about by a policeman.

The Wheeling Scientific Association met Saturday evening, for the transaction of general business. Nothing of importance to the public was done.

The warm sun yesterday made the loafers bud out on the streets with a rapidity which gives hope that the next "spell of weather" will nip them effectually.

PHILIP PHILLIPS, the sacred song man, is stopping with Mr. Ed. Hobbs, Sen., on 17th street. He attended the Zane Street M. E. Church yesterday morning.

We are asked to inquire who is "Capt. Black"? A contemporary puts him on the steamer Andes. If so, Capt. Blagg would like some one to rise and explain.

ODD FELLOWS' MUTUAL AID.—The Odd Fellows' Mutual Aid Association, at their annual meeting to-night, elect a Board of Directors and adopt new by-laws.

CONSIDERABLY INJURED.—Henry Bone fell from an express wagon in Martin's Ferry Saturday, and was considerably injured by the wheels of the vehicle passing over his body.

SEXTANTINA SUNDAY.—Yesterday was Sextantina Sunday. It is the second Sunday before Lent, the next to Shrove-Tuesday, so-called as being about the 60th day before Easter.

PROF. ROBT. KIDD, the distinguished Ecoclonist, is expected to arrive in the city on Tuesday, and will deliver the first lecture of his course at the Female College on Tuesday evening, commencing at 7 1/2 o'clock.

AT THE CHURCHES.—No services were held in the Disciples' Church, or in the Chapel Street M. E. Church last evening.

Rev. Mr. Rambo occupied the pulpit of St. Matthew's Episcopal Church yesterday afternoon. There was no service in the morning.

Rev. Thos. D. Pitts, of Steubenville, Ohio, officiated at St. John's Episcopal Church, Centre Wheeling, morning and evening.

At the Zane Street M. E. Church last evening Mr. Philip Phillips presided. The building was crowded with people. Even the aisles were filled with benches, and many persons were obliged to stand.

The services consisted of religious exercises, scripture lessons and singing. Mr. Phillips sang a number of sweet hymns, read interesting and affecting anecdotes, and read scripture lessons which were responded to by a large portion of the congregation from pamphlets with which they had been previously supplied.

PRAYING CRUSADE.—The praying crusade against intemperance is evidently about to be inaugurated in this city. Several days since Mr. Laramie, the proprietor of a concert saloon, received a communication signed by Miss Lily Stephens "and forty other ladies," asking liberty to hold a prayer meeting in the street in front of his saloon every afternoon between 2 and 5 o'clock. Mr. Laramie promptly granted the ladies permission to meet and pray, assuring them that they should not be molested. When these meetings commence, if at all, we are unable to say.

PHILIP PHILLIPS.—About three hundred persons assembled at the Opera House Saturday evening to enjoy an "Evening of Sacred Song." Mr. Phillips is certainly a good singer, but we do not think he deserves the reputation he enjoys among the people. The majority of those who patronize his concerts are persons who seldom, if ever, hear superior music.

We mean, simply, that three-fourths of the audience present Saturday evening would not attend an opera, such as the Kellogg company gave us recently. Mr. Phillips sings in the Bellaire M. E. Church to-night.

A PEBBLE JOKE.—The imaginative Bridgeport editor in his last paper referred to a prominent citizen, a member of the choir of the M. E. Church there, as "Bridgport Philip Phillips." Yesterday a number of notices were posted about a town to the effect that Philip Phillips was to sing in the M. E. Church. Of course, the house was crowded, but the "Singing Pilgrim" failed to appear, and there were many disappointed people over the river.

THE FOX HUNT.—But two foxes were started at the circular fox hunt in the vicinity of Martin's Ferry Saturday. One of the foxes escaped; the other ran to the river and got on a cake of ice. James Deiters and Thomas Wilson, who live in the Seventh Ward in this city, saw master Reynard on the ice and went in a skiff to capture him. After a short and desperate fight, in which Deiters was bitten on the arm, the animal was captured and killed.

THE RAILROAD WAR.—The railroad war between the Pennsylvania and the Baltimore & Ohio lines has assumed a new phase recently. While the B. & O. still sells tickets at the reduced rates, the Pennsylvania company has returned to the old figures. The reason for this unexpected action on the part of the Pennsylvania road, which it was thought would be the last to surrender, has not been made public.

DEATH OF DANIEL MURRY.—About half-past 3 o'clock Saturday morning, Daniel Murry, Esq., an old and well known citizen of Wheeling, died at his residence in the First Ward in the 78th year of his age. Mr. Murry has occupied a prominent place in the community for many years, and in his death we lose a useful citizen.

PRESENTATION.—Wm. Shanley, the efficient night watchman, on Saturday afternoon was presented with a beautiful silver-mounted revolver by a number of Main street merchants. The testimonial is a token of their appreciation of his services as a watchman. Mr. Shanley is a deserving officer, and enjoys the confidence of the community.

NEW BUILDING ASSOCIATION.—An application was sent off to Charleston Saturday for a charter for a new Building Association, to be called the "Nail City." The incorporators are Benjamin Fisher, Eugene List, O. J. Crawford, John Boring, Charles Leifer, Captain A. H. Britt and James Lander. Capital stock, \$150,000.

IN LUCK.—Blanchard Clarke, who lives about a mile west of Bridgeport, is in luck. Some time ago he was sent a "complimentary ticket" in a New York lottery. On Saturday he received a communication stating that his ticket had drawn \$200, and found enclosed a check for the amount named.

DISCHARGED.—Constable Wm. Freeze on Saturday morning, on complaint of Christian Ketter, arrested a boy named James McGee for malicious trespass and disorderly conduct. An examination before Squire Cochran resulted in McGee's discharge at the cost of the complainant.

DANGEROUS CONDITION.—Christian Repp, who was kicked in the side and sustained other injuries in a row at Fulton Saturday night week, and who has been unable to leave his bed since, is now lying in a critical condition. It is feared that he will not recover.

BURIAL.—On Friday night the residence of a man named Balderson, on the National Road west of Bridgeport, was entered by a burglar, and a gold watch, \$10 in money, and some jewelry carried off. There is no clue to the robber.

MASTER MACHINIST.—Henry Harrison, a Bridgeport boy, is now master machinist in an extensive manufacturing establishment at St. Louis. Mr. Harrison is a finished mechanic, and his skill and industry will insure success anywhere.

ANOTHER PARTY.—William Homeister, tailor, who lives in the Eighth Ward, desires us to say that he is in no way related to Sophia Homeister, the woman that charged Henry Hall with matrimony before Squire Caldwell a day or two since.

MASQUERADE BALL.—The Beethoven Singing Society to-night give a Grand Masquerade Ball at Turner Hall. Elaborate preparation have been made for the event, and it will no doubt be a success.

FOR GREAT BARGAINS IN CASSIMERE and Jeans, go to J. W. Ferrel's.

EXTRA HORSE.—An extra horse was required to pull street cars from Zane street, Island, to the east end of the suspension bridge, Saturday, owing to snow on the track.

FESTIVAL.—A Festival will be held at Washington Hall on Thursday evening, Feb. 12th, for the benefit of the Thomson M. E. Church. A gold headed cane is to be voted for. The candidates are Judges Cramer, Melvin and Cochran. The cane can be seen at C. P. Brown's jewelry store, where votes will be received.

NOW IS YOUR TIME to buy goods, as Henry Jacobs has a Cheap Counter, on which you find different kinds of Dress Goods, Flannels, Hosiery, &c., &c.

REMOVAL.—BARBER SHOP.—George Hollinger, the gentlemanly barber, has removed from Luke's building, above the Custom House, or Post Office, to the McLure House barber shop on 12th street, or old Monroe. He has renovated said barber shop, so that a gentleman can get a nice, easy, clean and speedy shave, but begs to be excused from shaving, &c., on the Sabbath Day.

MUSICAL INSTRUMENTS.—In making your selection of a Piano or Organ, don't fail to examine the stock of Messrs. Adams & Lucas, 1237 Market street. The instruments they represent, viz: the Steinway, Knabe and Emerson Pianos, the Mason & Hamlin and Smith American Organs, are universally acknowledged to be the leading instruments of the world, and taken together they make an assortment so varied that no one can fail to be suited in the selection of an instrument, either as to price or quality. Inasmuch as many unscrupulous dealers offer for sale instruments of questionable character and inferior quality, it would be well to bear in mind the fact that but few persons buy more than one instrument in a lifetime, hence the necessity of making a careful selection, for, as thousands of experienced parties can testify, it is cheaper, safer and better to buy instruments of established reputation, of good and responsible makers, than to risk money in doubtful experiments.

OFFICERS ELECTED.—At a meeting of the Board of Directors of the Peabody Insurance Company, the officers elected to serve for the ensuing year were: William Bailey, President; Alonzo Loring, Vice President; N. C. Arthur, Secretary; J. V. L. Rodgers, Assistant Secretary; Lewis Bailey, Cashier.

A SPLENDID carved Knabe Piano is for sale at a great sacrifice at Sheil's Music Store. Will be sold for less than two-thirds the list price. Apply early.

Dr. Helmbold is the only man who ever really utilized and extracted the pre-eminent virtues of Buchu. His preparation is as much superior to the so-called "Buchu's" as cream is to skimmed milk.
