THE COURT—Circuit Court—Judge Meigs. This court was in session as usual yesterday, and disposed of the following business:
Hon. J. J. Jacob was admitted to practice in this court, upon motion of J. F. Jones, Esq.
The case of the State vs. Wm. Forth, jun., was argued on Wednesday evening and yesterday morning by Jordan and Cracraft for the State, and Davenport and Davenport for the prisoner. At 12:30 o'clock the jury returned a verdict of not guilty as to shop-breaking, but guilty of grand larceny, and fixing the term of imprisonment in the penitentiary at two years. A motion for a new trial was filed.
The case of the State vs. Patsy Egan, charged with robbery, was placed upon trial before the following jury: W. B. Curtis, J. T. Stone, C. B. Batts, J. W. Brown, Jacob T. Stone, John Melick, A. J. Adams, John Gibson, H. H. Pendleton, Andrew Gillespie, W. J. Robb, John Duly. The charge was not sustained, and the jury returned a verdict of not guilty.
The case of John Carter, charged with stealing harness from Pat. Kennedy, was continued until the next term, defendant giving bond in the sum of \$500 for his appearance.
Adjourned until this morning at 9 o'clock.

POLICE COURT—Judge Conner.
There was only one case before His Honor yesterday morning, viz:
John Ritchie, charged with drunkenness, was fined \$1 and costs. He paid the fine.

PERSONAL POINTS.—Mr. Frank Griffin, a Standard reporter, leaves for the Far West on Monday next, to grow up with his gun.

Marshall Swartzwelder, Esq., a Pittsburgh lawyer, will speak on temperance in this city Saturday evening.

Adam Green, "boss" hunter at the Belmont Mill, yesterday left for Topeka, Kansas, where he will make his home in the future.

We had a pleasant call this morning from Captain "B" Moore, of Wheeling, well known to many of our readers.

We have known the Captain all our life, and are glad to see that time has dealt so lightly with him, as he looks as young as he did ten years ago. —*See Commercial Independent.*

Mr. George P. Schuchle, of this city, was among the graduates at the fifty-sixth annual commencement of the Philadelphia College of Pharmacy, held recently.

One of the best, if not the very best temperance addresses made in this city since the temperance movement commenced was that of Mr. Cracraft, of Wheeling, on last Sabbath afternoon. His appeal to young men to abstain was grand, sublime. —*See Commercial Independent.*

Miss Emma Williams, of Martin's Ferry, and Miss Rissa Patterson, of Bellairs, are visiting friends in Barnesville and vicinity.

Mr. C. D. Kimmick, of Rush Run, yesterday secured Messrs. Jeff T. Reed and James W. Alexander as lecturers.

Messrs. Reed and Alexander organized the Murphy movement in the church at that place last night.

Rev. S. B. Harris, pastor of the Disciples' Church at Mountville, will be absent from his post, with his family, for three or four weeks, visiting relatives in Illinois. Meanwhile there will be no preaching at that church.

Mr. Cyrus Howard, of the firm of Howard Bros., architects, spends his leisure hours in making crayon sketches. He has now in his studio an excellent crayon portrait of Capt. Jack Crawford, the noted scout, who performed here with the Buffalo Bill combination a few weeks ago.

Mr. Philip H. Moore, of Wheeling, has discovered and patented an invention to protect the walls of a furnace from injury by the shock of the boiler, and the incline of the bell, it being prevented by his plan from striking the sides of the furnace and disintegrating or dislocating the brick composing the lining. —*Pittsburgh Manufacturer.*

DEATH OF JUSTICE FORBES.—George Forbes, Justice of the Peace in Webster district, died about noon yesterday, at his residence, No. 2367 Market street, after an illness of several weeks' duration. Some weeks ago, Mr. Forbes contracted a severe cold, which developed into pneumonia, and eventually terminated in death.

Mr. Forbes was born in McConnellsville, Pa., and when quite young went to Clark, Pa., in that State, and learned the carpenter trade. He resided here for some time, and was employed in the Harbinger, afterwards in Pittsburgh, then in Massillon, Ohio, and finally settled in Wheeling about the year 1831.

For long years he resided in Centre Wheeling, and has long been identified with the interests of the Fifth and Sixth Wards in the municipal government.

He served several terms in the City Council, and some six or seven years ago was elected to the Second Branch of that body. In 1868 he was elected county assessor, and held that office for several years. He was also at one time a prominent member of the Odd Fellows.

For many years he was a leading carpenter and builder, and was at the same time he was serving his second term as Justice of the Peace in Webster district, and represented the Sixth Ward in the Second Branch of the City Council.

TRANSFERS OF REAL ESTATE.—The following transfers of real estate were admitted to record in the office of the Clerk of the County Court yesterday:

Deed made August 10, 1875, by Robert Luke and wife to Wilson Murphy, for 20 feet of ground on the south side of Alley 16, between Jacob and Wood streets; \$200.

BOARD OF EQUALIZATION.—The Finance Committee of the Board of Equalization, convened in the Court House yesterday morning. There were present Messrs. Ewing, Baylis, Frew and Myers; Messrs. Swearing, Spindel and Waddle. The Board was in session for several hours, and adjourned to meet again this morning at 10 o'clock.

CONTRACTS AWARDED.—The contracts for doctoring the poor of Pease Township were yesterday awarded to Dr. B. O. Williams for the Martin's Ferry precinct, and Doctors Fisher and Wagner for the Bridgeport precinct. The Williams received \$75 and Doctors Fisher and Wagner \$85, making a total of \$160, and being \$142 less than was paid to one doctor for his services last year.

RELIGIOUS EXERCISES.—A meeting of much interest is in progress at the Disciples' Church, Centre Wheeling. The ordinance of baptism will be administered this evening after the regular services. Services every night this week and on Sabbath.

The Board of Education adjourned before 8 o'clock last night. Business is pressing.

BOARD OF EDUCATION.—The Board of Education met last night in regular session, and presented a roll call: Messrs. Bingley, Caldwell, Cochran, Collier, Hastings, Hildreth, Hupp, Miller, McCully, Todd and Watkins—11.
The minutes of the last meeting were read and approved.
In the absence of the President, Dr. Hupp was called to the chair.
The Board ordered the payment of the bills presented by the Finance Committee, with the exception of a bill of \$15 presented by the janitor of the Eighth Ward school house, which was rejected.
The committee on Text Books asked for further time for the consideration of the proposed adoption of Goodrich's History of the United States, instead of Willard's, in the public schools. The request of the committee was granted.

The following is the report of the Superintendent, which was read and placed on file.

GERMAN DEPARTMENT.
Enrollment in German—Washington 43, Madison 37, Clay 141, Union 63, Centre 88, Webster 55, Ritchie 114, total 542; number of pupils of German parentage 341, other than German parentage 201, belonging to German School No. 80, belonging to Division A, 123, belonging to Division B, 201, belonging to Division C, 123; number of classes taught 45; amount paid for instruction in German, \$200.

UNDER THE PRESENT organization of this school the scholars of Division A, grade 2, are required to be seated in the grammar room. They are placed there in the building for the purpose of the plan is not desirable and does not work well. It necessarily tends to some confusion, and interferes to some extent with the proper grading of the school. There is a room on the third floor of the building, large enough, and well adapted to the purpose, but unoccupied.

The commissioners of Union school would have applied last fall for privilege to furnish this room, had it not been that the school in the summer by which their building was under reconstruction, it was necessary to incur an unexpected outlay in repairs. Your attention is called to it now, so that if it meets your approval the matter can be referred to the Committee on Buildings and Grounds to report such action as may be found to be proper.

Respectfully submitted,
JOHN C. HENRY, Sup't.

Mr. Collins made a verbal report concerning the fire at the old Second Ward school building, the particulars of which have already been published.

The appointment of Paul Neitzel as janitor of the Third Ward school was confirmed.

The following resolution was adopted: Resolved, That the Clerk be directed to give notice to Mr. Neitzel, the contractor for supplying coal, that there will be no more coal required at any of the schools for the present school term, with the exception of the Seventh Ward, and that he discontinue until otherwise ordered by the Clerk.

ORGANIZATION OF A TEMPERANCE UNION AT TILTONVILLE.—Mr. Editor: A temperance meeting was held here on last Wednesday evening. W. M. Howes presided. The meeting was organized, and W. M. OUR READERS' attention is called to another enterprise just started in our midst by the enterprising gentlemen, Messrs. Colvin and Wilson. It is their steam coffee and spice mills. As will be observed by their advertisement in another column, they seek to establish a wholesale grocery and drug store. Their establishment and outfit are entirely new, and they offer the best kind of inducements to the trade to give them their patronage. Their place of business on Main street is ready to be recognized by its very novel and suggestive sign of a large coffee pot, from which steam is constantly issuing. We bespeak for the firm a good share of patronage.
