

The Intelligencer

Office Nos. 25 and 27 Fourteenth Street. WHEELING, W. VA., JUNE 28, 1882.

Manufacturing Prospects in the South. The New Orleans Picayune calls upon the capitalists of that city to turn their attention to manufactures instead of depending on commerce to build up a great city.

There are probably plenty of persons yet in middle life who will live to see the South a great manufacturing section, especially in the way of iron and cotton goods.

There are probably plenty of persons yet in middle life who will live to see the South a great manufacturing section, especially in the way of iron and cotton goods.

seriously to Rothamsted to scientific agriculture. The result is known far and wide, as there are few capable of reading the English tongue who are unaware that for at least forty years Sir John has been the most valued contributor to the journals of the Royal Agricultural Society, to the reports of the British Association for the Advancement of Science, to the Journal of the Chemical Society, to the Journal of the Agricultural Gazette, and many other cognate publications.
