JOHN IN CINCINNATI.

The Big Slugger Comes North Before Going to Prison.

HIS SENTENCE OF ONE YEAR.

The Judge Refuses to Entertain a Plea of Mercy—How Jake Kirrain Received the News of John's Sentence.

CINCINNATI, O., August 18.—John L. Sullivan arrived to-night at 8:40 p. m. on the Queen and Crescent route. He was met by John Sullivan, of this city, and as soon as the two left the train they became the head of a rapidly spreading and encircling procession of train men and others who had got within the train inclosure. Outside this inclosure the space was packed, and it was with great difficulty that the pugilist hero and his escort made their way through into the waiting room and then out to a carriage. The enthusiastic crowd cheered Sullivan frequently, but he gave no sign of recognition of the adoration of his admirers, but walked straight on under his yellow straw hat like a soldier in review. He was driven rapidly to a hotel, with boys running and yelling after the carriage. Sullivan took the train for New York. He had not much to talk about, and said but little to the reporters who tried to interview him.

JOHN L. SULLIVAN'S SENTENCE. He Gets Twelve Months' Imprisonment—A New Trial Applied For.

PRIVAS, Miss., Aug. 18.—Circuit Judge Terrell was before the bar, showing up before his attorney came to court. He looked as pleasant and unconcerned as usual, although there was a tremble in his eye, over the jury was seated and he glanced over at the men who had found him guilty. Hardly was the Court seated when the grand jury filed in. They presented one indictment and filed out again.

ONE MAN'S DOWNFALL. Sad Fate of a Former Well Known Newspaper Man.

KANSAS CITY, Mo., August 18.—A. Musser, at one time a well known respected citizen of Brunswick, Mo., today made a novel attempt at suicide that will doubtless prove successful. Mr. Musser was arrested yesterday afternoon at the Union depot charged with the theft of numerous papers. In three of the satchels were valuable papers, which he hid in different parts of the city. Today, guarded by two officers, he was taken out to find the papers, and while passing a cable street railroad, threw himself in front of a passing train before the officers could restrain him, and sustained injuries that will prove fatal.

TERRIBLE SLAUGHTER.

Of People by Earthquakes. Floods and Riots in Japan.

LATEST ACCOUNTS RECEIVED.

From the Scenes of the Recent Disasters—Nearly Five Hundred Men, Women and Children Massacred by Rioters.

SAN FRANCISCO, August 18.—The steamer City of Yeddo which arrived today was expected to bring details of the earthquake at Kumato, the first news of which was cabled from Yokohama July 30. One cablegram gave the loss of life at 3,000, while another stated that almost the entire town of Kumato, with a population of 38,000, was destroyed. Full details had not been received when the City of Yeddo left, but the newspapers of that city, of August 2, indicate no such loss as given by the cablegrams. Several telegrams from Yokohama gave the loss at 2,000 killed.

The floods having subsided in various districts of Japan, a fairly accurate estimate of the damage done is obtained. Nine hundred and thirty houses were destroyed by being washed away or broken by colliding together. Forty-one persons are known to have lost their lives.

The attack by rioters, July 8, on the Chin Chu village, is confirmed. In the loss of four or five of their countrymen last year the rioters avenged themselves by slaughtering between four and five hundred inhabitants of Chin Chu village, including women and children.
