HARRY SEYBOLD'S ARREST. Sheriff Steenrod and Prosecutor Howard Expected here Today. The arrest of Harry Seybold in Kansas, which was chronicled in yesterday's INTELLIGENCER exclusively, was the most general topic of conversation about town yesterday. He was arrested at Winfield, Kansas, where a relative, William Seybold, lives. It is said Harry was about to embark in business there with his kinsman when arrested, and the report has reached here that an acquaintance named Charles Kane, living in St. Louis, Missouri, the authorities that Seybold was wanted here.

Since he left here Harry has been at Kansas City, St. Louis and Fortoria. The startling fact was learned last night that he had returned to this city, and that he had been arrested at his home in this city, having come here from Fortoria with a number of boys, and at that time he spent four days here. On Sunday morning, at 10 o'clock, Harry's father-in-law, received a telegram from him asking him to try to delay the requisition papers here. An effort was made to secure his release by means of certain proceedings. Sheriff Steenrod, however, had received a telegram from Winfield Sunday, and left for Charleston at once to secure the requisition, and went direct from there to Kansas City, where he was met by Attorney Howard later to join him, and a telegram was received yesterday saying they would probably be here to-day with the prisoner.

Young Seybold's friends have hopes that they will be able to effect his release when he is arraigned here. His family and relatives have the deepest sympathy of all who know him.

THE CHARLIE ISSUE. For the New South Side Bank—A List of Stockholders. Secretary of State William A. Ohley has issued a charter for the South Side Bank of Wheeling, the institution the inception of which was printed exclusively in the INTELLIGENCER a few weeks ago. The charter provides that a general banking business, such as is provided for under the laws of the State, shall be done. The capital stock subscribed is \$200,000, of which \$100,000 is paid in, and the privilege of increasing it to \$200,000 is reserved.

The stock is divided into shares of \$50 each, and is held by the following names: J. H. Gilliland, J. W. McCallum, Joseph Spedden, Frank J. Hearne, George H. W. C. Kalkbrenner, Chas. Kohler, Dr. H. T. Ford, Gustav W. Schmitt, J. W. Bowers, John W. Wadford, Joseph Heydinger, Wm. P. Myer, Chas. Horstman, Rev. L. W. Barr, H. Horkheimer, Dr. John H. Pipes, William W. Wadford, Louis Anson, John W. Wadford, Chas. F. Urich, P. J. A. Michael, Louis Joseph Sinclair, Chas. Sinclair, Frederick Beckendorf, George Fallon, William Ohley, E. F. Turner, W. W. McCannell, Charles E. Meyer, Albert H. Nolte, Charles E. Miner, Charles E. Jones, Louis G. Stein, Joseph H. Press, John H. Davine, Clara H. Miller, C. Lillian Jones, J. C. Beck, Henry A. Ackerman and Charles Ketter.

It cannot, of course, be definitely stated yet where the new bank will be located, but it is probable that it will be here in the city. It is expected that a meeting of the stockholders will be held as soon as the ten days' advertising time is passed, and it will then be decided when and where to begin operations.

TWO ROBERTS REPORTED. One Man Loses \$245 and another one \$21 Yesterday. Yesterday morning about 7 o'clock a stranger who claimed to have been robbed of \$245, was hunting the police headquarters to report his loss and the circumstances. He was from down the river, and was a very respectable looking man, but if he found the police office nobody there in the afternoon or last evening knew anything about his case. At least, they said they did not.

A German from Fulton who recently enlisted in the United States Army at the recruiting station here, but whose name neither the sergeant nor the sergeant could tell, was robbed of \$21 in a robbery yesterday afternoon about 3 o'clock in North Wheeling. He had been "setting up" in a saloon, and dropped his pocket-book in the side pocket of his blouse, and a gay young man wearing light-colored clothes and a dark mustache snatched it out and ran. The soldier chased the thief several squares, but was dissuaded. Last night at the recruiting station it was said the man had gone home to Fulton to get some more money. He collected some wages due him yesterday morning, and the \$21 was all he had left.

Shooting on the Shore Boat. Yesterday, when Thomas Pring, the colporteur upon Eugene Robinson's show, was giving his noon concert, a shot was fired from the shore boat. The boat's officers have complained of this before, and yesterday the mate, Jesse W. Youngblood, swore that he had a little thing got man, and going into the other boat with his revolver, and returning, fired three shots at the mate. While he was doing this, Youngblood was trying to hit him with a pistol. A shot was fired, and Chief Debrugge and Officer Smith arrested both, and they will be arraigned in the Police Court this morning.

At 9 o'clock last night the derrick at the Hicks oil well No. 1, near the Camp Grounds at Moundsville, was discovered to be on fire. Before any effort could be made to extinguish the blaze, the derrick was destroyed, and the iron connected to 250-barrel tank, and it burned also. There has been no fire used about the well for some time, and the blaze is thought to have been of incendiary origin. The loss amounts to about \$800.
