Clerk Hook yesterday admitted to record three deeds of trust and transfers as follows:

June 4, by Ruth H. Woods and others to G. W. Humphrey, for \$550, lot 28 at Woodsdale.

June 4, by Ruth H. Woods and others to Joseph Kammer, for \$500, lot 27 at Woodsdale.

Mail Transfer Contract Let.

Burns & Church, the express men, were yesterday awarded the contract for carrying the mails on what is officially known as mail route No. 216,040, being from the Wheeling postoffice to the Cleveland & Pittsburgh and the Cleveland, Lorain & Wheeling railroad stations at Bridgeport. T. P. Shalleross has heretofore held the contract for this route for a long time.

Good Demand for Lots.

Nesbitt & Devine, the real estate agents, are selling for Filan & Whyte the block of lots recently laid off at the east end of Twenty-third street, and report a good demand for them at very fair prices. There is a considerable activity in lots in the recent suburban additions at Edginton and Woodsdale and in that vicinity, and the Belvedere addition is going off quite as well as was expected.

Four People Slightly Burned.

Wednesday evening Sadie Taylor, a domestic in the family of Mr. William Evans, on Maryland street, Island, was burning rubbish in the yard, when her dress caught fire. She ran across the yard, and in passing a child set fire to its hair and it received painful burns. In putting out the fire in the girl's clothing and the child's hair Mr. and Mrs. Evans were slightly burned. None of the injuries are serious, but Sadie will not be able to work for several days.

The Murder Case Postponed.

At Wellsburg yesterday when the circuit court opened with Judge Campbell on the bench, the Sheriff returned a list of forty jurors he had summoned, they being the same that had been rejected the day before for irregularity in the manner of summoning. The defense again moved to quash the return on the ground that the jury law had not been complied with. The discussion was not heard by the court, but Judge Campbell announced that he was too indisposed to continue the trial of the case at this term, and it went over to the August term.

Work on the Creek Bridges.

The water was all bailed out of the pit for the southern abutment of the Main street bridge yesterday morning, and the work of excavating was recommenced, though the pump had to be kept going to keep the pit dry. The northern pit has not yet been thoroughly pumped out, and the progress is slow, as the only means of getting it out is to bail it. The big scoops used to lift the dirt out of the hole are utilized as bailers, and in order to sink them in the water it is necessary to weight them down, and a very novel method of doing this was adopted yesterday. A big colored man stands on the side of the scoop, holding to the rope, and is let down into the water with it. His weight forces it under the surface. The retaining wall for the Market street bridge is well along toward completion. The false work of the big double bridge over the creek at the Crescent mill for the Terminal Bridge Company, which has the contract for the superstructure, is about ready to place the girders.

THE HUB—ONE-PRICE CLOTHIERS.

THERE IS NO DULL TRADE WHERE LOW PRICES RULE.

THE HUB

Are Leaders in Low Prices and Know Not the Words Dull Trade.

While many merchants in our line of business are complaining bitterly about their wonderfully quiet trade, we can truthfully say that we are busy. Whether we are doing a profitable trade is quite another thing, but the matter of profits for a season shall not interfere with our desire to be busy. We bought our stock expecting to be ready to open six weeks earlier, and we find the only thing to do to stir trade up is to make MARKED CONCESSIONS IN PRICES. In scores of cases we are selling goods at actual cost, and on new fresh goods too—of which we have too many.

BUSINESS MUST HUM Monday, Tuesday and Wednesday

Every Day Must be a Busy Day.

OUR SALESMEN MUST BE KEPT BUSY.

TUESDAY MORNING,

Between 9 and 12 o'clock only, we shall offer 300 Children's regular 40c Outing Cloth Waists at 19c.

Also 250 Children's Plaid Suits at 89c. Nothing like them ever seen at the price.

WE SHALL OFFER

800 pairs of all-wool Filling Jeans Pants slightly damaged in transportation, but wearing qualities as good as ever, at 78c a pair—regular \$1 75 goods.

We shall offer 500 pairs of same goods perfect in every respect and guaranteed to replace every pair that will rip with a new pair, for three days only, at \$1 00 per pair.

On Monday morning between 9 and 12 o'clock we shall offer 500 pairs of Children's Knee Pants at 12c per pair—only one pair to each purchaser.

In our HAT and FURNISHING DEPARTMENTS we are offering some special big drives. Our Men's Stiff Fur Hats at 98c have created a great deal of talk. You'll wonder how they can be sold at such a low figure, but that's our price, marked like all our goods, in plain figures. You'll find it an easy matter to buy at THE HUB. You don't have to spend half your time dicker about the price, and then, after thinking you've secured a bargain, go home and find one of your neighbors has bought same goods, at same house, about same hour, at from 10 to 50 per cent less than you. THE HUB IS STRICTLY ONE PRICE. Every article marked in plain figures, and we stand ready to pay our \$200 to any charitable institution in the city if it can any time be proved we deviate from our one-price system.

The largest store room in the State—as fine a clothing room as can be found anywhere, and the only One-Price and Daylight Clothing House in the city. A call will convince you that THE HUB is the place you're looking for.
