

HARVARD THE WINNER.

Yale Crew was the Favorite and Bettors Gave Big Odds.

BUT, TO EVERYBODY'S SURPRISE,

The Harvard Crew Came Out in the Great Boat Race Eleven Lengths Ahead—Sporting News From All Sections—Friday's Baseball Games.

New London, Ct., June 26.—The sixteenth annual four-mile, eight-oar, straight-away race between the Yale and Harvard University crews was rowed this noon over the Thames course from Winthrop Point to Gates Ferry, and was won by Harvard by eleven lengths. Time, 21:23; Yale's time, 21:57. The record now stands: Yale, nine victories and seven defeats; Harvard, seven victories and nine defeats. Yale holds the time record.

Harvard's plucky victory is the biggest surprise that has occurred in college athletics for many years. The good judges of rowing conceded the race to Yale almost to a man, and so strong was this sentiment in favor of Yale that stacks of Yale money left at the pool-rooms went uncovered even at odds of \$10 to \$70 and \$100 to \$50.

EXCITED SPECTATORS.

Harvard took the lead at the start and forged ahead with a rush, and as their speed went ahead the crimson supporters on the observation train and innumerable steamers became frantic with excitement, which, as Harvard continued to gain a commanding lead, continued to increase. As the excitement spread, some more reckless work was done by the various steamboat captains. There were two collisions, and that there were no serious results is due to a matter of good luck. The second at the finish were of the most peculiar character. The Harvard men being wild with joy, while the thousands of Yale supporters were decidedly crestfallen over their unexpected defeat. The crews along the river were of the most brilliant and lively character. The observation train of thirty-five cars carried an immense crowd, while at least seventy-five steamers, steam yachts and big sailing yachts either followed the crews over the course or were anchored in desirable positions. The favorable places along the west bank were crowded with sightseers.

THE START.

At 12:30 the crews were at once cautioned and given the word. Harvard caught the water first and settling a fast stroke of 40 at once pushed the bow of their boat slightly in front. Yale started with 38 strokes and though they put a great deal of power in their strokes the Yale boat did not move as quickly as was expected. Harvard held her fast stroke for a short time. Both crews then settled down. Each crew gave a pretty exhibition of rowing. Yale's work was much inferior to that seen in their daily practice.

At the half mile Harvard led by a considerable margin, pulling 38 strokes and Yale 34, the time being: Harvard, 2:57; Yale, 2:33. Time at the mile: Harvard, 5:41; Yale, 5:11. From the mile to the mile and a half Harvard continued to gain, and it became a question of how many lengths Harvard would defeat Yale. At the mile and a half Harvard was pulling 36 and Yale 32. Time at this point: Harvard, 7:55; Yale, 7:55.

In the next half mile Harvard, by strong and steady work, increased their lead to six lengths. At the two-mile flag Harvard's time was 10:19 and Yale's 9:44. Harvard pulling 38 strokes and Yale 35. At the two and one-half miles Harvard had gained an additional three lengths. Time, Harvard 12:55; Yale 13:14.

THE FINISH.

After passing the three-mile flag Harvard kept up their fast stroke, pulling very cleanly, and increased the lead still at the three and one-half flag they had a good lead of ten lengths. Time, Harvard 15:27; Yale 15:30.

After passing the three and one-half-mile flag both crews settled down for the final sprint, and here again Harvard showed their superiority in every way over the New Haven crew. Both crews were doing excellent work, but Harvard's shell continued to show a steady gain and they passed the finish pulling 40 strokes a minute, while Yale, 11 lengths behind, rowed 37. Harvard's crew rowed at once to their quarters and Yale peddled up to Gates ferry.

New York, June 26.—Boston and New York could not play here to-day because of rain.

Philadelphia, Pa., June 26.—The Phillies defeated Brooklyn this afternoon in a close and well-played game. Score: Philadelphia, 0 1 0 1 0 1 0 0-3; Brooklyn, 2 0 0 1 0 1 1 0-4. Errors, 1 and 2. Hits, 8 and 10. Earned runs, 2. Pitchers, Terry and Cassan. Umpire, Hurst.

BASE BALL GOSSIP.

Tommy Corcoran is being charged by Far Wagner with failing to do his best

for the team. He is threatened with discipline unless he improves.

Bowman, Anson's catcher, has had but one chance in two games.

Listless fielding is all due to lack of discipline. Anson makes his players hustle around.

"I'll be satisfied with two out of the four," said President and Manager O'Neil Tuesday night.

Deacon Jim White has been on the diamond twenty-five years. He began playing at the close of the civil war.

Brokaw, the great catcher of the Princeton base ball team, was drowned at Elberon, N. J., Thursday, while trying to rescue three ladies from drowning.

Honan, the young Chicago catcher, was released to Evansville. Anson, however, has a string to him, and reserves the right to use him in case of need.

Director Robinson, of the New York club, is interested in the iron business, and consequently made a bet early in the season that Pittsburgh's stars would beat out the Giants. Now he can't do enough "hedging."

President Hart, of Chicago, is circulating a petition asking for an amendment to the rules which will allow the managers or an extra player not taking actual part in the game to stand on the coach line.

A Cincinnati player who talked to many Pittsburgh players, says they told him they were sore on Hanlon for many things. He would kick when they didn't sacrifice, and yet go up himself and try for a hit, when it would be base ball to sacrifice.

Accident at Kansas City Races.

KANSAS CITY, June 26.—The weather was warm and fair to-day. A great crowd visited the races.

A serious accident occurred in the first race in which Jockey Drain received injuries that may cost him his life. The ten horses, which were in the race were coming down the stretch in a good bunch, when Van S., ridden by Drain, left his feet and fell. Three other horses stumbled over him. Drain was extricated, as were the other jockeys. None were injured to any extent except Drain, who is still in a precarious condition. None of the horses were hurt.

First race, half a mile, Tramp won; time 51. Second race, half mile, Virginia won; time 54. Third race, one mile and seventy yards, Wild Rose won; time 1:49. Fourth race, seven furlongs, Askey won; time 1:39. Fifth race, five furlongs, Vidette won; time 1:03. Sixth race, five furlongs, Mamie M. won; time 1:04.

Chicago's Fatal Race Track.

CHICAGO, June 26.—The day was perfect and 7,000 people saw good races at Washington Park to-day. The day's enjoyment was marred by a sad accident in the first race. Miss Dixie, ridden by Tom Britton, struck herself while in the back stretch and fell. Britton was thrown against the fence and was seriously injured. The boy was removed to the hospital. Later it was reported that he had sustained a concussion of the brain and was in a serious condition. Only a week ago the horse High Tariff fell dead on this track.

First race, three-quarters of a mile, Kenyon won. Time, 1:16. Second race, one mile, Yale won. Time, 1:42. Third race, one and one-sixteenth miles, Joe Blackburn won. Time, 1:48. Fourth race, one and one-eighth miles, Bride won. Time, 1:56. Fifth race, mile and seventy yards, Faithful won. Time, 1:45. Sixth race, one and one-eighth miles, Bob L. won. Time, 1:56.

Sheephead Races.

SHEEPSHEAD BAY, N. Y., June 26.—Racing was continued here to-day before a crowd of about 5,000 persons, who in trying to keep cool and at the same time pick winners had a hard time of it.

First race, one mile—Drizzle won. Time, 1:41 3/5. Second race, five-eighths of a mile—Alrshaft won. Time, 1:09. Third race, one mile and a furlong—Bernuca won. Time, 1:56 1/5. Fourth race, seven furlongs—Fairy won. Time, 1:23 2/5. Fifth race, seven furlongs—Lynn won. Time, 1:23 4/5.

Jockey Garrison's Suspension.

NEW YORK, June 26.—The license of Jockey "Snapper" Garrison was revoked by the Board of Control yesterday. Secretary Vosburgh said it was on "general principles." The board has been investigating Garrison for the past three days at his own request. He had been criticized by all newspapers for his riding of Judge Morrow last week.

It is thought Garrison was ruled off for betting on races, for the board has just issued a notice that the licenses of jockeys who bet upon races will be revoked, and that any person making a bet with or on behalf of a jockey will be ruled off the course.

A Long Bicycle Trip.

HELENA, MONT., June 26.—G. A. Gilpatrick and Henry Dannieck left Helena yesterday on a bicycle trip to Chicago. A delegation of wheelmen accompanied them several miles out of town. They will follow the Northern Pacific to Bismarck and will then cut across the country to St. Paul, going from there to La Crosse, thence to Milwaukee and down the lake shore to Chicago. They expect to be on the road forty days. Mr. Dannieck's home is in Chicago.

AMONG THE PUGILISTS.

Hite Peckham, now instructor at the Austin, Pa., club rooms, wants a fight with a 140-pound man for \$1,000.

Betting has commenced in Chicago on the Fitzsimmons and Hall fight, and the former is the favorite at \$100 to \$80.

There is a possibility of Messrs. Dunn and Roche withdrawing from the Granite Club and trying to get things under way at the Puritan Athletic club house in Long Island City.

Jack Bolan, who recently defeated Billy Young, of Baltimore, in twenty-three rounds, writes to the Police Gazette that he is ready to arrange a match with Mike Cushing, Billy Lacey, or any light-weight pugilist in America, at 126 to 128 pounds, for \$500 or \$1,000 a side.

John B. Alley Falls.

BOSTON, MASS., June 26.—Hon. John B. Alley, of Lynn, has made an assignment for the benefit of his creditors. This is an individual assignment and places all his assets in the hands of Mr. Knowlton, who is also a co-assignee for the creditors of Alley Brothers & Place. The liabilities of John B. Alley are \$500,000 to \$800,000 (which is partially or wholly secured), owed to the firm of Alley Brothers & Place, and a small indebtedness outside of that amount. The assets of every description are turned into the assignee.

How well we remember grandmother's attic, so fragrant with medicinal roots and herbs! Poor old soul, how precious they seemed to her! And yet, one bottle of Ayer's Sarsaparilla would do more good than her whole collection of "yarbs."

FIVE DOLLARS A MONTH.

Reasons for Continuance of the Merely Nominal Rate of \$5 a Month Through the Summer.

It is beyond question that the summer is the best time for the treatment and cure of catarrhal troubles. The climatic conditions are the most favorable, liability of catching fresh cold being then reduced to a minimum, and the even temperature and condition of the atmosphere favoring the progress of the patient.

In order to give all an opportunity of availing themselves of their skill and methods of treatment during this favorable season, Drs. Copeland & Bell will continue the merely nominal charge of \$5 a month for medicine and treatment during the summer months. All persons suffering from catarrhal troubles or any other curable disease will be treated at that rate until cured.

Mr. McKee, at present engaged in the mercantile business at Elmville, Ohio, but for thirty years previous a citizen of Wheeling, and well known by everyone on both sides of the river, has this to say of himself and Drs. Copeland & Bell:

"I have been a constant sufferer from catarrhal troubles for years. My nose would stop up so that I could seldom breathe through it. My throat became sore and inflamed. I was constantly hacking and blowing to get rid of the substances that would collect in my throat and nose. The disease gradually affected my ears so that it was difficult for me to converse with my friends and customers. Of all the remedies I have taken, Drs. Copeland & Bell's have been the only successful ones. My head, nose and throat are clear. My hearing has greatly improved, much more than I expected on account of my ears. My case has been stubborn, but there is no doubt in my mind but that I am in much better health than I have been for years, and I firmly believe that I will be cured in a short time."

DOCTORS COPELAND & BELL, have located permanent offices at 1121 Main street, Wheeling, W. Va., where they treat with success all curable cases. Office hours—9 to 11 a. m., 2 to 5 p. m., and 7 to 9 p. m. Sundays, 9 a. m. to 12 m., and 1 to 4 p. m. Specialties—Catarrh and diseases of the Eye, Ear, Throat and Lungs. Consultation free. Address all mail to DRs. COPELAND & BELL, 1121 Main street, Wheeling, W. Va. Treatment, including medicine, \$5 a month.

BRIDGEPORT BRIEFS.

Matters Worthy of Mention from Over the River.

E. R. Daniel, of Rochester, Pa., is the guest of friends here.

John Woods has recovered sufficiently to ride into town again.

Dr. Hobson, of Flushing, was in town yesterday calling on Wm. Holloway.

Judge Carroll and Colonel Charles-ward, of St. Clairsville, were in the city yesterday.

Mrs. Nora Dorsey, who has been very critically ill during the past few days, is convalescing.

Bridgeport is badly in need of about fifteen first-class tenement houses, and the person who erects them will realize the income of an elegant investment.

W. H. Stewart, of Cleveland, Ohio Division Freight Agent of the Pennsylvania Company, accompanied by his chief of staff, Colonel Lowroy, was in town yesterday.

The work of erecting the large buildings which are to constitute the addition to the Atna plant, is progressing rapidly. When completed this will be one of the largest in the country.

It was stated yesterday, by a gentleman well posted in iron matters, that the scale presented by the Amalgamated Association was satisfactory and would be accepted by the manufacturers.

The report that has recently gained circulation to the effect that Mr. D. B. Clark has severed his connection with the C. & W. is a mistake. Mr. Clark will continue his service with that company, and is now out of town on a wedding trip.

The Great Benefit

Which people in run down state of health derive from Hood's Sarsaparilla, conclusively proves that this medicine "makes the weak strong." It does not act like a stimulant, imparting fictitious strength, but Hood's Sarsaparilla builds up in a perfectly natural way all the weakened parts, purifies the blood, and assists to healthy action those important organs, the kidneys and liver.

Children Cry for Pitcher's Castoria.

Remarkable Facts.

Heart disease is usually supposed to be incurable, but when properly treated a large proportion of cases can be cured. Thus Mrs. Elmira Hatch, of Elkhart, Ind., and Mrs. Mary L. Baker, of Ovid, Mich., were cured after suffering 20 years. S. C. Linburger, druggist at San Jose, Ill., says that Dr. Miles' New Heart Cure, which cured the former, "worked wonders for his wife." Levi Logan, of Buchanan, Mich., who had heart disease for 30 years, says two bottles made him "feel like a new man." Dr. Miles' New Heart Cure is sold and guaranteed by the Logan Drug Co.
