

TWO RECORD BREAKERS.

Hell Bird breaks the Yearling Record. Arion Will do Two Minutes' Work. STOCKTON, CAL., Oct. 21.—Two more world records were broken on the Stockton track today. A Palo Alto yearling (Hell Bird), driven by Marvin, went against her record of 2:27 1/2 and made the mile in 2:26 1/2. Her quarters were 27, 1:14, 1:51, 2:26 1/2. The filly did not make a skip in the mile. Marvia then made a skip in the mile. Marvia then made a skip in the mile. Marvia then made a skip in the mile.

DIRECT WINS

Three Straight Heats Over Hal Pointer and Tennessee's Hearts are Broken. NASHVILLE, Oct. 21.—Thousands of broken Tennessee hearts and thousands of empty pocketbooks were carried away from Cumberland Park this evening. Hal Pointer, their pride, the horse that carried all their money, had suffered defeat in three straight heats. The matchless California pacer, Direct, showing his heels with comparative ease. The time of the second heat was the best ever made in a race in harness, leaving Pointer's record half a second. Neither of the flying steeds broke in either heat and moved like clock work all the way around. Hal Pointer had the pole in the first heat and held it until the quarter pole on almost even terms with him from the start, made a magnificent start and secured the inside of the track. After that it was easy sailing and Direct pulled up Pointer before reaching the wire. The second heat saw Direct at the pole and he held it throughout. The Tennessee's fine burst of speed in the stretch was of no avail. Direct leading nearly all the way. Time, 2:10; 2:09; 2:11.

Among the Pugs.

Tuff Wall turned coward in his contest with Billy McCarthy on Monday. His backers learned of his backdown and supplied a sound boxer in his place. It was Arthur Bobbett. In the tenth round McCarthy knocked him down nine times. Bobbett was a bloody spectacle, but he rose for two more rounds. In the twelfth he went down eight times; the last time he was too exhausted to rise, and McCarthy was the winner. Wall's pugilistic career is ended.

GENERAL SPORTING NOTES.

Swimmers Johnson, Nuttall and Evans recently appeared at the semi-festival of the West of Scotland Club, at Woodside baths, Glasgow, and gave an exhibition of their styles. Johnson won his heat in the short-distance race in good time, but wouldn't start in the final. Nuttall swam 100 yards in 1:06 and Evans 200 in 2:45. This event was before the championship of England race.

W. Windle's mile in 2:15 was an extraordinary one considering the slow time made for the first quarter. His first quarter was ridden in 36 2/5 seconds, the half in 1 minute 8 seconds, the three-quarters in 1 minute 41 seconds, and the mile in 2 minutes 15 seconds. Windle now holds the world's record for the mile on the safety and ordinary wheels.

At Independence, the yearling Rolo, the property of the Jewett stock farm of Buffalo, N. Y., broke the pacing record, making the mile in 2:31. This son of Jerome Eddy held the pacing record at 2:27 1/2 until two weeks ago, when Pine-wood wrested it from him in 2:31 1/2.

Antipodean road records are not allowed if accomplished on anything but a straightaway course for under fifty miles, and with one turn for distances above.

tipple, and told Mrs. Molesberger that they would burn her house, compelling her to leave her home and go to that of her mother, Mrs. Robinson, who lives near Webster. Some of the men wanted to sell the mules and other mine property, including the coal on the siding, to get the money to pay the wage roll. The other creditors of Molesberger are now anxiously awaiting news of his whereabouts or the solution of his mysterious disappearance.

MOUNDSVILLE.

A Miscellaneous Melange of Minor Matters from Marshall's Metropolis.

A young Moundsville gentleman was badly sold the other morning while going to Wheeling on the train. He noticed a fine looking young lady sitting by herself, and thinking he would like to share the seat with her, asked if it was occupied. He received no answer and repeated the question in a louder voice. By this time the attention of many passengers was attracted and as no answer was vouchsafed him the young man felt very much embarrassed. The young lady was deaf and dumb. The young man blushes yet when his companions refer to the episode.

The train will consist of eight or ten first class coaches and no ladies need hesitate about going. The Martin's Ferry and Bridgeport clubs will go on this train. Martin's Ferry, Etanville, Bridgeport and West Wheeling will send an immense crowd. Many Democrats talk of going. The whole river front is aroused. The Bridgeport Republicans have hired the Union Cornet band for the Bellaire meeting and the Martin's Ferry Republicans laid in a big supply of red fire for this demonstration. Intense interest is manifested in the meeting, and look out for a big crowd from these towns. A burglar entered the residence of Mr. Harry Northwood, corner of Broadway and Madison streets, yesterday morning, but did not get any money. The fellow entered through a down stairs window and visited nearly every room in the house. Mr. Northwood was awakened by the noise and started toward the door leading out into the hall. When Mr. Northwood opened the door the burglar pointed a revolver at him and said, "Don't come out." Mr. Northwood went back, got his revolver and started after the visitor, firing two shots at him as he ran down the stairway and out the hall door. Mr. Northwood followed the fellow out into the yard, but he made good his escape. The burglar was evidently after money, as nothing was taken in any part of the house.
