Corner Twelfth and Market Streets.

Factory Girls' Dances.
Eight of the girls employed at Bloch Bros' tobacco factory will give a dance at Sehenk's hall this evening. Another party of girls employed at Bloch's will give a dance at the same hall on Friday evening. A good many invitations have been issued and a large attendance at both events is expected.

Gas Development.
The Loudensville Oil and Gas company is getting much work done in spite of the bad weather. The timbers for the rig on the Parker property are on the ground, and just as soon as the charter arrives the work of development will be pushed rapidly. The company has 1,400 acres of territory and is still leasing. The company is a strong one financially.

Knocked off the Track.
Car K, of the electrical line, met with a mishap yesterday. Just in front of Ebeling's pharmacy on the South Side, the driver of a stone wagon attempted to cross with his heavily loaded wagon in front of the motor. The cab of the latter was mashed in and the car itself thrown off the track. The stone wagon, of course, was not injured, and the driver drove off satisfied.

Transfers Recorded.
Clerk Hook yesterday admitted to record three deeds of trust and transfers of real estate as follows:
February 1 by Gertrude, wife of H. J. Feiber, to A. J. Shultz, for \$3,150, the north half of lot 16 in square 15 in South Wheeling.
January 27 by Henry Schmillbach to James H. Lancaster, for \$3,500, lots 43 and 44 and half of lot 45 in the addition on the Island laid out by Henry Moore, trustee of Ebenezer Zane.

January Weather Report.
United States Weather Observer C. Schepf reports that the average temperature for the month of January was 29.9°; last year the temperature for the same month was 33.1°. The coldest day last month was the 20th, when the self-registering thermometer stopped at 2° above zero; the first day of the month was the warmest, with a temperature of 63°. The rainfall aggregated 2.24 inches. On five days rain fell; it snowed on eleven; there only two perfectly clear days; nine were fair and two were cloudy.

The Fort Henry Club's Success.
An adjourned meeting of the stockholders of the Fort Henry club was held in the club house last night. A steady growth in membership was reported. The financial exhibit for the year was submitted showing that the club is on a self-supporting basis, each month marking an improvement. The increasing attendance of members was referred to as a gratifying feature, as was the disposition of ladies to avail themselves of the provision made for them. Other business of importance was transacted.

Through Dining Car.
The Baltimore & Ohio Railroad company has made a new arrangement which will be very agreeable to the traveling public. Hereafter a dining car will leave Wheeling on train No. 7, leaving here in the morning, and run through to Chicago, furnishing passengers with breakfast, dinner and supper aboard the train. Returning the dining car will leave Chicago on No. 8, at 10:30 a. m., and come through to Wheeling, dinner and supper being set on the train. This will doubtless prove a very popular arrangement, and be well patronized.

Circuit Court Cases.
In the circuit court yesterday Stephen Reymor was tried to a jury on the charge of carrying concealed weapons, and was pronounced guilty. The court fined him \$25 and sentenced him to jail for sixty days.
In the case of Joseph Greer vs. M. J. Lange and Thomas Greer, an order was entered dismissing the appeal.
The motion for a new trial in the case of David Krell vs. W. A. Carter was overruled and judgment entered for possession of the property and the \$100 damage fixed by the jury.
The case of the State vs. John Blatter, and that of the State vs. Nicholas Pfeiffer were both continued.

Irwin Bros. at the Grand.
The Irwin Bros.' comedy and vaudeville company began a three night's engagement at the Grand last night before a large audience. It is one of the best vaudeville companies that has appeared in this city this season. The Mills, German sketch team, are good; the two Lillies are great; the National trio and Tanner and Dowley in "The Jailor and Convict" are immense; Miss Lottie Gilson's chic way of singing caused the audience to enclose her until she was tired. Frank La Mondue as a slack wire artist is a puzzle, and Sheridan and Flynn, the authors of "McGinty," convulsed the audience. The entertainment concluded with a laughable farce-comedy entitled "A Warm Reception." They appear again this evening.

"Oh, What a Night!"
The Baltimore News speaks as follows of Charles A. Leder's company, which appears at the Grand Friday and Saturday: "The play is full of fun and comic situations, and the singing and recitations of the Major bring down the house. Several new and pleasing songs were introduced by the company, which were enthusiastically received. In fact, the whole performance was an unqualified success."
Stop coughing at once by the immediate use of Dr. Bull's Cough Syrup; 25 cents a bottle.

"Tear a star, Eve's first born, in whose train" Comes the damp twilight that brings pain, For aches of head, neuralgia, cut, and bruise, Try Salvation Oil, these will you lose.
Children Cry for Pitcher's Castoria.

NO QUORUM AGAIN.

The Usual Handful of Members of the Natural Gas Committee Meets to Adjourn.

The natural gas committee was called again to meet last night, but failed again to show a quorum, the only members present being Messrs. Campbell, Farrell, Craig and O'Leary, of the health committee, and Mr. Pollock, of the water board, and Mr. Dunlevy, of the gas board. Messrs. Caddie, Hadlich, Pollock and Zarnits, of the health committee, and Messrs. Schaefer and Schultz, of the gas board, did not show up. Dr. Caddie missed yesterday for the first time. Messrs. Hall and Jones, of the water board, were out of the city. There being no quorum present, the meeting was adjourned until half past seven o'clock this evening.

It was suggested that the members present decide on a recommendation to be made to Council, and ask the others to sign afterwards; such action was decided, however, to be not legal. Mr. Heard, manager of the natural gas company, and Messrs. Hearne and Caldwell, of its counsel, were present last night.

COUNTY COMMISSIONERS.

Very Formal Proceedings at Yesterday's Regular Session.

The regular meeting of the board of commissioners for February held yesterday was devoted entirely to routine business. The matter of making new election precincts was taken up, but its consideration postponed. The committee on court house and jail recommended that the turret on the new jail and jailor's residence be made of stone instead of galvanized iron, as originally intended, at an extra cost of \$370, and this was ordered. On recommendation of this committee bills of \$1,508 42 were ordered paid, and of \$1,920 92 from the road and bridge committee; \$94 91 from the poorhouse and farm committee, and \$301 30 from the finance committee.

An addition of \$1,500 was made to the poorhouse and farm appropriation. C. E. Darby gave bond as a constable for Washington district. Several road petitions were referred, and the board adjourned.

IMPORTANT NEW INDUSTRY.

The new Rattan Furniture Company Organized—Bright Promise.

The stockholders of the Arbenz Reed and Rattan Company, held a meeting at their office and elected the following board of directors: John Arbenz, Emil Hesse, F. C. Arbenz, W. H. Ramp and John P. Arbenz.

The board of directors met and elected the following officers: John Arbenz, President; Emil Hesse, Vice President and manager, and W. H. Ramp, Secretary and treasurer.

The company has remodeled the Arbenz furniture factory from top to bottom, and is putting in new boilers, engine and machinery, and when fully equipped it will be one of the finest factories of its kind in the country. The manager, Mr. Hesse, comes here from the largest factory of this kind in the country, where he has been employed for the past several years as their efficient manager. His large experience both in this country and Europe as an expert designer in this line of furniture peculiarly fits him for the position of manager of the factory, and the patrons of the company can rely upon getting the latest and most unique designs in this line of furniture to be had in the market.

The company when in complete running order will employ about 150 hands, part of whom will be skilled laborers, which will make quite an acquisition to Wheeling's already numerous industries.

The Mozart Anniversary.

The anniversary celebration of the Mozart singing society was held last night at Westwood's hall. A large crowd was in attendance. The concert numbers were received with much applause, the singing of the members of the society, under the direction of Prof. Shockey, being a feature of the evening's entertainment. The Opera House orchestra played several pieces. After the concert the ball commenced and was kept up until the early morning hours.

Insurance That Insures.

WHEELING, W. Va., Feb. 1st, 1892.

John F. Sweeney, Esq., Agent Equitable Life Assurance Society, Wheeling, W. Va.
DEAR SIR:—Inclosed please find my temporary receipt for \$10,000, in favor of Clara G. Carey, widow of the late D. M. Carey, for the amount of policy in her favor in your company. I heartily congratulate you and your old reliable company upon this prompt payment. In view of the fact that Mr. Carey was drowned on the 14th of January and proofs of loss were only mailed a few days ago, the payment is unusually prompt, and especially so because the body has not yet been recovered and the company has not chosen to stand upon technicalities.

Yours respectfully,
R. H. COCHRAN.

The Ladies.

The pleasant effect and perfect safety with which ladies may use the California Liquid Laxative Syrup of Figs, under all conditions, makes it their favorite remedy. To get the true and genuine article, look for the name of the California Fig Syrup Co., printed near the bottom of the package.

Safe and Reliable.

"In buying a cough medicine for children," says H. A. Walker, a prominent druggist of Ogden, Utah, "never be afraid to buy Chamberlain's Cough Remedy. There is no danger from it and relief is always sure to follow. I particularly recommend Chamberlain's because I have found it to be safe and reliable." 25 and 50 cent bottles for sale by druggists.

Edw. L. Rose & Co. on taking their yearly inventory find that they have a number of fancy wood Sewing Machines, which they will close out at special prices rather than carry them into another year.

HOPE FOR CONSUMPTIVES
IN THE USE OF WILBOR'S
Cod Liver Oil and Imita.

It is worthy of all confidence. It cures Consumption, Coughs, Colds, Asthma, Pneumonia, Influenza, Bronchitis, Debility, Wasting Diseases and Scrofulous Humors.

Be sure, as you value your health, and get the genuine, as base imitations said to be good as WILBOR'S GOD LIVER OIL & PHOSPHATES are attempted to be substituted by unprincipled dealers. They are not, but lack the peculiar virtues of this preparation. If your druggist does not keep it, send direct to A. B. WILBOR, Chemist, Boston, Mass., the only Manufacturer of this Preparation.
