

THAT'S A WINNER!

The Republican County Convention held Yesterday PUTS UP GOOD AND SOUND TIMBER. A County Ticket Every Man on which is Worthy THE SUPPORT OF ALL GOOD PEOPLE. A Harmonious and Enthusiastic Gathering. THE UTMOST UNANIMITY PREVAILS.

And Everybody Leaves the Hall with a Determination to do all in his Power to Elect the Whole Ticket. All the County Officers Named, a new Committee Selected and Delegates to the State and Congressional Conventions and Senatorial Conferences Chosen.

FOR SHERIFF—T. C. MOFFAT. FOR PROSECUTING ATTORNEY—SAMUEL O. BOYCE. FOR ASSESSOR, CITY DISTRICT—W. H. HEARNE. FOR ASSESSOR, COUNTY DISTRICT—ROBERT ANDERSON.

The Republican county convention met at 2 p. m. yesterday in the hall of the Central Republican club, on Market street. It was a harmonious and enthusiastic assemblage, and composed of as creditable representatives as any party ever got together in Wheeling.

It was in every sense a fine convention, and it named a strong ticket.

LIST OF DELEGATES. The list of delegates printed yesterday in the INTELLIGENCER was called as the roll of the convention, and one or two names added. The complete roll finally stood thus:

Washington—George Zoeller, Alexander Campbell, Henry Berg, Charles Danner and Dr. C. F. Ulrich. Madison—W. H. Hearne, Dr. George J. Caddie, A. R. Campbell, Green Jefferson and A. J. Clark.

Mr. Campbell withdrew his name before the ballot was complete. Messrs. Smith, Medick, Rawling and McColloch having the greatest number of votes, were declared the nominees of the convention, amid a good deal of enthusiasm.

Mr. Medick was called on for a speech, but merely thanked the delegates. Then Mr. Smith was called out. He said he thought there had been plenty of talk, and after thanking the convention he would set a good example—quit talking and go to work. This caused loud applause.

Mr. Campbell Richards called the convention to order, saying that Chairman Moffat had requested him to perform this duty as secretary of the county committee, as the chairman was to be before the convention as a candidate.

Mr. Davison's name was applauded, as was also Mr. Curtis's, and when the latter took his place as secretary, a speech was demanded. Mr. Curtis thanked the convention briefly, and said he supposed the idea was to select some member from the county district, who would do the best he could.

Mr. John Myles nominated Mr. T. C. Moffat for sheriff. Mr. Charles Buchanan announced that he was not a candidate and asked all his friends to give their cordial support to Mr. Moffat.

FOR COUNTY ASSESSOR. For county assessor for the city district Mr. W. H. Hearne was nominated by acclamation, and for the county district Mr. Robert Anderson in the same way.

Anderson as his late competitor, and assured the convention that he would do as much for the nominee this year as he did the last time, when he was the nominee himself.

Mr. Anderson and Mr. Hornish both made brief speeches of thanks. All the talks were enthusiastically received.

THE LEGISLATIVE TICKET. For member of the house of delegates Mr. Richard Robertson presented the name of S. G. Smith, Esq., giving him a good short send off, which was applauded.

Mr. W. H. Hearne in a forcible speech presented the name of Capt. C. J. Rawling.

Mr. John Myles named Gustave H. Medick, and Hon. A. R. Campbell seconded the nomination, referring to Mr. Medick's having been made president of the Butchers' National Association as an evidence of his merit and worth.

Mr. J. C. Brady named T. J. Hugus on behalf of the country districts.

Dr. C. F. Ulrich placed in nomination Hon. A. R. Campbell.

W. H. C. Curtis named as county representative Major Alexander McColloch. Mr. Curtis made an elegant speech.

George Criswell nominated Jeremiah Mead, as a representative miner, but Richard Robertson said he was authorized by Mr. Mead to withdraw his name if it was presented.

Mr. Hugus withdrew his name, saying he did not want to be a candidate, and if nominated would regard his election as a greater misfortune than defeat.

NO COUNTY DIVISION. Mr. Carter moved that a representative from the county districts be chosen first, as had been customary heretofore.

Mr. Robertson moved to nominate Major McColloch by acclamation.

Mr. Hearne thought the habit of nominating one man from the county and three from the city was bad, and that this was a good time to abandon it.

He was willing to vote for four good men from the county, but thought there should be no dividing line.

Major McColloch wanted to withdraw his name, but Mr. Curtis objected, and said: "You remain still, and we'll send you to the legislature!"

The convention then proceeded to vote for four candidates, the delegations being called and the chairmen announcing the result.

THE BIG FOUR. On the call several districts cast votes for Mr. Hugus, but these were afterwards changed to other candidates, and finally, after other changes, the vote stood as follows:

Table with 4 columns: Name, Votes, and two unlabeled columns. Rows include Washington, Madison, Union, Centre, Ritchie, Triadelphia, Liberty, and Richmond.

Mr. Campbell withdrew his name before the ballot was complete. Messrs. Smith, Medick, Rawling and McColloch having the greatest number of votes, were declared the nominees of the convention, amid a good deal of enthusiasm.

Mr. Medick was called on for a speech, but merely thanked the delegates. Then Mr. Smith was called out. He said he thought there had been plenty of talk, and after thanking the convention he would set a good example—quit talking and go to work. This caused loud applause.

Mr. Campbell Richards called the convention to order, saying that Chairman Moffat had requested him to perform this duty as secretary of the county committee, as the chairman was to be before the convention as a candidate.

Mr. Davison's name was applauded, as was also Mr. Curtis's, and when the latter took his place as secretary, a speech was demanded. Mr. Curtis thanked the convention briefly, and said he supposed the idea was to select some member from the county district, who would do the best he could.

Mr. John Myles nominated Mr. T. C. Moffat for sheriff. Mr. Charles Buchanan announced that he was not a candidate and asked all his friends to give their cordial support to Mr. Moffat.

FOR COUNTY ASSESSOR. For county assessor for the city district Mr. W. H. Hearne was nominated by acclamation, and for the county district Mr. Robert Anderson in the same way.

Ritchie, Charles Morningstar. Triadelphia, John Baird. Liberty, A. S. Bell. Richmond, D. A. Waddle. On motion of Mr. Campbell each delegate was empowered to appoint his own alternate in case he could not go, the alternate to be a resident of the same district, and his appointment to be in writing.

The retiring chairman of the county committee was asked to call the new committee to meet within a week, after which the delegates dispersed, feeling encouraged of the result in Ohio county in November, with so good a local ticket in the field.

MRS. HART'S SCHOOL. A Splendid Entertainment Given by her Pupils last Evening. There was a large and fashionable assemblage present last evening to attend the closing exercises of Mrs. M. Stevens Hart's school, on Market street.

The hall was tastefully decorated with bunting, flags and potted plants, while around the walls were scattered a number of excellent drawings and water colors, executed by the pupils.

The exercises were opened up by awarding certificates of scholarship to the pupils who had finished the various courses.

This was followed by the reading of an excellent and well-prepared paper on "Prophecy Fulfilled," by Miss Jane Goshorn Caldwell.

The song of the Brook, a chorus by a number of scholars, was well rendered, and received a hearty round of applause.

"Home-makers of the Nation" was the title of an essay read by Miss Francis Wheat List, which showed that a great deal of thought and study had been given to the subject.

Miss Julia W. Savage delivered a German recitation, "Die Wunderglocke Glocke," with an excellent study that spoke well of the careful study the young lady had given to that language and of the teaching in the school.

Miss Grace Pollack charmed the audience by a well rendered violin solo, accompanied by Professor Schockey. The event of the evening was the French play, "Malignite Pun." The following young ladies participated and assumed the characters in an excellent manner: Misses Ella Wright, Sue Caldwell, Frances List, Alice Caldwell, Ada Jepson, Bessie Patterson, Laura Caldwell, Evelyn Jepson, Katherine Johns, Genevieve Holiday, Margaret McLain, and Sara Brockunier.

During the second act four of the young ladies danced the minuet in a very graceful and easy manner that completely captivated the audience. All the participants delivered their lines in excellent French.

The allegory, "The Spirit of Liberty," was an excellent grouping of colonial characters in costume, that made a very pretty picture when the curtain was drawn aside. Misses Etta Rinehart, Jennie Jepson, Mattie Ott and Anna Westwood assumed the leading parts.

The address of "Good-bye" was delivered in a very feeling manner by Miss Mamie Grubb. The exercises were closed in a very fitting manner, with a splendid chorus rendered by all the pupils.
