

THE STRIKE STILL ON.

No Immediate Prospect of a Settlement of Differences.

ANOTHER CONFERENCE YESTERDAY.

But Resulted in Nothing—A Few Cars Running Yesterday—A Conference This Morning May Result in Something—A Talk With Mr. Jolly.

The street car strike brought on Sunday morning by the discharge of two of the employees of the company was the principal topic of conversation on the streets yesterday.

The situation up to a late hour last night was not materially changed from what it was Sunday evening. Both sides are about as far apart as ever, though there still remains a hope that the matter may yet be amicably settled to the satisfaction of both the striking employees and the company. The striking employees held several meetings yesterday, and in the afternoon the arbitration committee of the Ohio Valley Trades and Labor Assembly met. General Manager Jolly when the situation was reviewed, but no settlement was reached. Both sides assert that they would like to see the differences settled, and it is due the Wheeling public that an immediate settlement be made.

As will be seen below General Manager Jolly is to meet the arbitration committee this morning at 9 o'clock, when it is hoped the controversy will be adjusted satisfactorily.

MR. JOLLY TALKS.

General Manager Jolly, of the street railway company, was seen yesterday afternoon and asked what was the status of affairs in regard to the strike, and in answer he said there had been no material change since Sunday.

"Have you seen the arbitration committee of the labor assembly to-day?" "Yes, we held another conference this afternoon, but nothing was done toward a settlement. Suggestions were made by the committee, and I agreed to make a decision about the strike and communicate with them at 9 o'clock to-morrow morning."

"How many cars are out of the barn to-day?" "We are running four cars; on the upper route from the barn at Forty-eighth street, South Side to Martin's Ferry, and we will probably have more running Tuesday."

"The impression prevails that we are taking the word of one man against that of two of our employees. This is not true. We have the testimony of Mr. and Mrs. Williams that the motor-man looked at them when they were standing at the corner of Jacob and Forty-sixth streets, and the word of Mr. Williams and another man that the conductor saw them."

Y. P. S. C. E. CONVENTION.

A Spirited Meeting Last Night to Arrange for the Convention.

There was a large attendance of the members of the various Young People's Societies of Christian Endeavor of this city at the meeting held last evening at the English Lutheran church, on Sixteenth street. The meeting was called to take some decisive action and hear reports of the preparations being made for the state convention to be held in this city in July. The meeting was presided over by Mr. W. C. Carnahan, who stated the object of the meeting, after several vocal selections. Rev. O. M. Alford, the state president, made an earnest speech urging the necessity of immediate preparation for the convention and entertainment of delegates, as this will be the largest convention ever held in the state.

It is expected that there will be nearly 200 delegates present. An excellent program has been arranged for the three days of the meeting, July 18, 20 and 21. The meeting will be held in one of the largest churches in the city. The first day will be devoted to an informal reception to delegates, song service, speeches of welcome by a member of the society and officials of the church and city, the responses to be made by visiting clergymen.

On the second day the opening address will be made and reports read. The afternoon will be devoted to the pastors' conference, Y. P. S. C. E. prayer meeting and addresses on interesting topics. In the evening a special song service will be given, with orchestral accompaniment, and a popular address to the convention by some distinguished invited guest.

The last day will open with a sunrise prayer meeting, followed later by reports, addresses and the annual election of officers. The afternoon will be spent at some popular resort near the city, for the entertainment of the guests. The convention will close in the evening with various routine business, addresses, reports, conference and farewell consecration meeting.

Committees will be appointed by the local executive committee to look after the welfare of the visiting delegates and securing them quarters, printing, music and social features. A big concert will be given at the Second Presbyterian church by the best local talent on February 9 for the purpose of raising funds to defray the expenses of the convention. A number of speeches were made last evening by different pastors, and all were sanguine of the success of the event.

The Mark Twain's Ball.

The Mark Twain Rod and Gun club's annual ball held last evening at Turner Hall was an unqualified success. Despite the disagreeable weather outdoors there was a big crowd in attendance. All of the club members were on hand to make things cheerful for their guests and did so in good style. McClelland's orchestra furnished the music. The boys were very well pleased with their success.

Strong Witnesses.

Among the thousands of testimonials of cures by Dr. Miles' New Heart Cure, is that of Nathan Allison, a well known citizen of Glen Rock, Pa., who for years had shortness of breath, sleeplessness, pain in left side, shoulder, smothering spells, etc.; one bottle of Dr. Miles' New Heart Cure and one box of Nerve and Liver Pills, cured him. Peter Jaques, Salem, N. J., is another witness, who for twenty years suffered with heart disease, was pronounced incurable by physicians, death stared him in the face, could not lie down for fear of smothering to death. Immediately after using the New Cure he felt better and could lie down and sleep all night, and is now a well man. The New Cure is sold, also free book, by Logan Drug Co.

Go to the Opera House Tuesday night and hear all about the Koeley Cures. Ladies especially invited.

Weber & Fields Company.

The New York Sun speaks as follows of Weber & Fields Specialty Company, which commences a three nights' engagement at the Grand on Thursday, January 26:

"There was not an inch of unoccupied space in the Star theatre when the Weber & Fields Company of specialists began their programme, which proved to be one of the most pleasing produced at this theatre this season. The company, which is headed by Weber and Fields, two of the funniest German comedians on the stage, are all stars in their respective roles. Among those who were heartily received last night were Whitney and Sheppard, Johnnie Carroll, Drummond and Stahley, Richmond and Glenroy, the Bratz Brothers and Alburton and Bertram. The company will occupy the boards of this theatre all week."

The Original "Two Johns."

What a welcome will be in store for old John Hart. He and J. C. Stewart were the first who conceived the idea of putting two heavy-weight actors into a play. "The Two Johns" was the result of this idea, and from the very first production it met with the approval of the theatre-going public. Of course, much has been added to it since that time, and two hours of pure, wholesome amusement are guaranteed all those who attend the performances. John Hart and Frank Bush are today the two heaviest actors on the stage, and they are jolly as fat men, generally, and are enjoying the laughter of the audience as much as anyone. From the house, "The Two Johns" will be at the Opera House Wednesday evening, with a special matinee Wednesday.

Mr. Reymann Surprised.

Last evening Mr. Anton Reymann was called on at his elegant new home on Eoff and Fifteenth streets by the members of the Opera House Orchestra, of which he is the president, in a sudden kind of way, taking the genial host entirely by surprise. The evening was pleasantly passed away, fine music being the feature. The party was in the nature of a house-warming.

WHAT WHEELING DID

Is Appreciated by Those in Charge of the Homestead Relief.

VERY GENEROUS DONATIONS MADE.

The Supplies Distributed at Homestead Last Saturday—Aid Given by the Labor Assembly—The Officials Pleased at the Result of Their Visit.

The following Associated Press dispatch received by the INTELLIGENCER last night shows with what appreciation the liberal donations made by Wheeling business men to the Homestead sufferers were received:

PITTSBURGH, Pa., Jan. 23.—Messrs. Michael Sherron and D. S. Mitchell, representing the Building Trades Council of Allegheny county, have returned home from Wheeling, W. Va., at which place they were engaged in soliciting funds for the Homestead sufferers. They spent more than a week in the "Nail City," and are more than pleased at the reception accorded them, not only by the labor organizations, but by the business men and citizens in general. When seen this afternoon, President Sherron said:

"We cannot say too much in behalf of the people of Wheeling, who treated us in a most generous manner. Being aware of our object, the officials of the labor organizations lent us all the assistance in their power, and our visit was a decidedly successful one. We secured a large amount of food and clothing, as well as cash donations. President Dobler and Secretary Salisbury, of the Ohio Valley Trades Assembly, assisted us considerably in our work, while Garfield local assembly 1721, K. of L., composed of cigar and toby makers, presented us with credentials. Councilman Farrell did much effective work in our behalf. On Saturday we shipped one consignment of goods to Homestead via the Adams Express Company, the latter concern having granted us the privilege of transportation free of charge. Mr. Pollack, the well known manufacturer, was one of the many who rendered assistance."

Mr. Mitchell, who was a listener to the above conversation, at its conclusion, approved of Mr. Sherron's sentiments. The gentlemen were in Homestead to-day and attended to the distribution of goods. They state that food and clothing is yet badly needed.

Mine Disaster in Wales.

LONDON, Jan. 23.—The wall of a shaft in the colliery at Pointy-Prid, near Aberdare, collapsed late this afternoon as the shifts were changing. Fifteen men were on their way up, and many were waiting below. Six of the fifteen making the ascent were killed instantly and the others were injured severely. Ten men at the bottom of the shaft were injured also. Three may die. The company's engineers are clearing away the wreck, and the walls of the shaft have been braced. Most of the men have been brought to the top already, and before midnight probably all will be put.

ROME, Jan. 23.—The Guerrini Banking Company suspended payment to-day and closed their doors. The depositors will be paid in full, as the assets exceed the liabilities by 1,600,000 lire. The house was founded fifty years ago and has always enjoyed an exceptional reputation.

THIS AFTERNOON'S SHOOT

Under the Auspices of the Island Gun Club—The Programme.

The Island Gun Club will hold a sweepstakes shoot this afternoon at its grounds on the Island, commencing at 1:30 o'clock. St. Clairsville, Bellaire and sportsmen from other points are invited, and some will take part in the shoot.

The programme is as follows: First event, ten singles, entrance \$1; second event, ten singles, entrance \$1; third event, ten singles, entrance \$1; fourth event, fifteen singles, entrance \$1.50; fifth event, fifteen singles, entrance \$1.50; sixth event, twenty singles, entrance \$2.

There will be a warm and comfortable club house, and visitors and contestants will be made to feel at home.

THE FIGHT TO-NIGHT.

The Indications are That It Will Be Worth Witnessing.

More interest is being taken in the fight billed to come off to-night between Mike Howley, of Pittsburgh, Pa., of England, and Eddie Reilly, of Washington, than in any of the previous contests held under the auspices of the Pastime Athletic club. Both men are known to be in fine fettle, and the large crowd that is sure to be at the ring side expects to see a clean and game exhibition of the manly art.

Howley is not so tall as his opponent, Reilly, but when he is carefully looked over it can be seen immediately that he is built for a boxer. Though Reilly is the favorite in Wheeling, it would not surprise the latter's most enthusiastic admirers if he runs against a snag in the little Englishman.

Another Fight Made.

Jack Cox and Charles Polen met yesterday afternoon at Short's saloon on Sixteenth street, and signed articles of agreement for a glove contest for points to take place next Monday evening at a point not yet selected, for \$100 a side. John Shorts was made stakeholder. This will not be a prize fight but a contest for points.

Jimmy Gillespie, of this city, was present and stated he would challenge the winner.

Fitzsimmons is Confident.

CHICAGO, Ill., Jan. 23.—Whether Bob Fitzsimmons wins or loses his coming battle with Jim Hall, he will retain his title as middle weight champion, so says Fitzsimmons, at any rate. The Australian will fight at catch weights at New Orleans on March 8 for a purse of \$40,000. There is no side bet, but this is not Fitzsimmons's fault.

"This fight," he said, "is not for the middle weight championship. Hall would not come down to the weight limit, which is 158 pounds. I wanted to fight for a side bet of \$10,000, but Hall declared that the purse itself was big enough. I now weigh 156 pounds and expect to go into the ring weighing about 160 or 165 pounds. Instead of tearing myself down I will build myself up a little. If I can't beat Hall, he won't beat me, of that I am certain. The fight ought not to last over twenty rounds, and I will win. I am so confident that I will convert all my belongings into cash to bet on myself."

Bantam-Weight Fights.

New York, Jan. 23.—Champion bantam-weight Billy Plimmer, of England, to-day issued a challenge to fight feather-weight George Dixon at 112 pounds for \$500 to \$5,000 a side and the feather-weight championship of the world.

Sol Smith, of San Francisco, is also desirous of fighting Dixon. His backer, Zack Abrahams, has issued a challenge and will bet \$2,500 on the side to fight for the championship of the world at 118 pounds.

Three of a Kind.

HELENA, MONT., Jan. 23.—The ballot for United States senator resulted: Sanders 27, Clark 13, Dixon 11, Collins 2. No choice.

BISMARCK, N. D., Jan. 23.—Two more ballots were cast for senator to-day, without change, except Muir, Populist, received 30, the Democrats and Populists combining. The chances for a Republican caucus are better.

OLYMPIA, WASH., Jan. 23.—Two ballots were taken to-day for United States senator, without result. The vote stood: Allen 51, Turner 25, Griggs 24, Leats 9.
