FASHION'S PANORAMA—THE HUB CLOTHIERS.

FASHION'S PANORAMA! EASTER

Has chased away the lingering days of winter and the new Spring Fashions stand rapping at your door. There never has been such a variety of attractive styles clamoring for attention, and they find their main thoroughfare through our great store. There are few communities that enjoy such perfect and complete facilities as our stock affords. You ought to feel proud of it. It is due to your encouragement and support that it has grown to such immense proportions. That we are mindful of the confidence we hold, is manifest in the satisfaction that follows every purchase. Our guarantee is a frank expression of our sincerity and a safeguard to our patrons' money, has a value. It demands a return of its equal in quality. You always get it here, penny for penny. Saturday was one of the banner days of our business career. We bow our acknowledgments of your generous patronage.

Men's \$10 Suits.

Everything has to have a beginning, but we have taken our first hold high up on the pole of quality. It makes a better impression to do more than is expected—how much better you've only to look at the lines offered by others. Nothing short of \$15 will equal ours at \$10, and we carry such a variety, and every garment positively GUARANTEED TO FIT AND WEAR.

Negligeé Shirts.

We've got our line of Negligeé Shirts open and ready. There isn't a store in town that carries one-half of our variety or marks quality so low. We have first claim with the folks who make the best shirts and show the best patterns Madras, Oxford, Domets, etc. The cheapest are just as regular made as the best. Drop in and see the patterns, post yourself as to what is going to be worn when the hot weather comes. 25 cents to \$3.00.

Men's \$12.50 Suits.

With every dollar that goes in a suit carries its worth in value. We've a \$12.50 grade, and as comparison is the best gauge of quality, we put the suits in this grade beside those others have got marked at \$18. Their's won't more than balance it, and to settle all questions of where to buy, we try to save money for you and give you satisfaction too.

First Communion and Confirmation Suits.

All our former efforts in the way of Confirmation Outfits have been dwarfed in comparison with this season's mammoth showing. We have every style of goods, Corkscrew, Clay Worsteds, Cheviots, Tricots, etc., and every garment finished in the highest art of tailoring. A perfect fit guaranteed every time. PRICES ARE RIGHT.

Men's Suits at \$15.

You might as well try to look for a needle in a hay stack as to match our \$15 Suits, ready-made or custom-made, for less than \$25. How in the world any man is content to put up with the puttering arrogance of these cheap tailors when we can offer them four times the variety, absolute perfection and save them \$10. Suppose you try us this season. Every fashionable style and every conceivable size.

Short Pants Suits.

We are expert judges of quality and what we offer you has stood the test of our careful scrutiny. Our line of two-piece Short Pants Suits begins at \$2.50, because it is safe. At \$5 you get the goodness that it takes two dollars more to buy elsewhere and so on. One novelty succeeds another here as fast as you can look at them. The Junior Suits we're showing are the little Jackets and Pants affairs to be worn with a blouse waist. It's the first step into boyhood. They are cute little affairs, drossy, neat and new.
