

COUNTY BUSINESS.

A Long and Busy Session of the Commissioners Yesterday.

LOCAL BOARD OF HEALTH CHOSEN.

Interesting Monthly and Annual Reports Presented, Including the Amounts Issued in Poor Orders in the last Fiscal Year - Marshall County Owes for Three Burials, Road and Other Matters.

The regular monthly meeting of the board of county commissioners was held yesterday, all the members being present. The session was one of the largest on record, and a large amount of routine business was disposed of.

The board took up the matter of the school election and the county superintendent and commissioners were formally declared elected. The official figures have been printed exclusively in the INTELLIGENCER. The board, on the opinion of Prosecuting Attorney Howard, simply put on record the number of votes cast for various terms of school, and let the district commissioners decide what course to pursue.

Mr. McGregor was designated to confer with the city council committee on wharves in reference to the proposed new Peck station.

Mr. McGregor reported that he had made arrangements for the transportation of papers to the infirmary over the Elm Grove road on tickets issued by the commissioners. As to a pass for the superintendent, negotiations are still pending.

On motion of Mr. McGregor Judge Paul and Prosecutor Howard were asked to give their opinion as to what fees of justices and constables should be paid by the county, and what fees they are entitled to in such cases as are chargeable against the county, and give the board any other information they can bear on that general subject.

County Physician Wilson reported 87 new orders in the past year; 142 persons received medical aid during the year, as against 122 the year before; 475 visits were made, and 412 the previous year, and 133 office consultations were held, 141 the year before. He made 9 lunacy examinations, as against 10 in the former year. There were no inquests requiring his attendance. Six papers died, as against 11 the year before. The doctor was given a vote of thanks for his long and faithful services.

The law librarian reported 2,870 books in the library, an increase of 510 over the last year. Two new book-cases are asked for.

The report of the committee to examine the circuit court clerk's office was referred to the committee on court house and jail with power to act.

Nominations for local board of health were made as follows: Dr. N. D. Jones, of West Liberty; John W. Nichols, Dr. W. S. Petrie, C. S. Terrill, Lewis Kraft, and Dr. Anton Hess. Dr. Jones, Dr. Petrie and Mr. Terrill were elected. Dr. Jones is by the terms of the law president of the board.

The overseers of the poor reported orders issued as follows from June 1, 1892, to May 31, 1893:

Table with 2 columns: Name, Amount. Includes Washington, Madison, Clay, etc.

Orders for coal were issued in the year as follows: Washington, Centre, 64; Madison, 21; Union, 139; Centre, 32; Webster, 31; Ritchie, 49; Triadelphia, 7; Richland, 3; Liberty, 5.

It was reported that three men hurt at Benwood were sent to the City hospital, where they died, and they were buried by Ohio county. The clerk was instructed to make out a bill of the expenses and send it to the Marshall county court for payment.

The commissioner of Ritchie district and the county court of Marshall county were authorized to properly reset the boundary stone on the line between the two counties where it crosses the Fairmont pike.

A petition for a road from North Wheeling, near Mt. Wood cemetery, through Hugh Nichols's and other lands, to the James McColloch or Thomas farm, was received and filed until the petitioners comply with the law requiring the expenses to be paid.

A petition of the librarian for an increase of salary was referred to the finance committee for investigation and report.

The jury commissioners reported that they had completed their lists for the next year and were ready to hand them over to the circuit court clerk. The clerk of the board made the same report as to the list of grand jurors, made up by the county commissioners.

A resolution by Mr. Maxwell inquiring into the facts as to the right of way for natural gas pipes on the National road and requiring surplus earth to be removed by the company, was adopted.

On motion of Dr. Bates the committee on roads and bridges and the engineer were instructed to ascertain the legal bounds of the National road and mark them with posts at convenient intervals.

The action of the committee on poor house and farm letting the contract for painting the rooves at the infirmary to Jones & Bros. at 30 cents a square was confirmed, but the action of the same committee in increasing the salaries of the matron and nurse from \$20 to \$25 a month was defeated. Bills for \$524.17 were ordered paid on account of the poor house and farm. There were in the institution in May 44 white males and 20 white females, 4 colored males and 3 colored females. There were two births and one death. The contract for white washing was let to Nero Johnson at his bid of \$45. Adams & McKown were awarded the contract for putting in two tank closets at \$40. Out of the contingent poor fund bills for \$1,001.60 were approved.

On recommendation of the circuit court house and jail committee bills for \$317.80 were ordered paid. The contract with H. S. Sands & Co. for the electric light plant, at \$2,200, was ratified and the president authorized to sign it.

On recommendation of the finance committee the sheriff was ordered to be credited with \$7,917.62 paid on county orders. Bills for \$1,003.93 approved by this committee were ordered paid. The Bank of Wheeling returned bonds and coupons No. 19 and 20, of \$1,000 each, which pays all the Ohio River Railroad bonds and wipes out the debt on that account.

The road and bridge committee recommended the payment of bills for \$1,835.50, which was ordered. The committee reported that walls abandoned by the B. & O. railroad company were falling down and obstructing the National road. The engineer was instructed to notify the B. & O. company to remove them. If it does not, the

county will confiscate them. The committee approved the action of the supervisor of the river road in opening a culvert, of which Jacob Lash entered complaint some time ago. The board adjourned to meet Wednesday, June 14, at 10 a. m., to lay the annual levy and sit as a board of equalization and appeals.

FOR SELLING ON SUNDAY.

Two Saloon Keepers Arraigned in the Criminal Court Yesterday.

In the criminal court yesterday morning, Judge Jordan on the bench, G. W. Grubb, a South Side saloon keeper, was arraigned on a charge of selling liquor on Sunday, and a jury was impaneled. The state failed to produce any evidence, and the court instructed the jury to bring in a verdict of not guilty, which was done.

Jake Wilhelm was then put on trial to a jury for the same offense. A number of witnesses testified that they bought liquor on the day named in the indictment, but Capt. Doyener, of Wilhelm's counsel, demanded that the state elect one sale as the specific offense. Prosecutor Howard chose Pudge O'Neill. The case went to the jury about 4:30, and after being out some time that body reported that it could not agree. It was then adjourned over till this morning.

Pudge O'Neill did not appear in answer to the summons, and a rule was issued for him. He was brought in by the sheriff and fined \$5 and costs.

A DANDY LIVE OWL

Presented to the O. W. L. Club by a Friend Up in Michigan.

A fine large gray horned owl, a magnificent bird, was received by the local O. W. L. club a few days ago, a present from an admirer of the club and a friend of its members, who lives in Michigan. The bird stands about a foot and a half high and measures thirty-four inches from tip to tip. The boys are, of course, very proud of their new member and have given him the full privileges of their rooms. He is very tame and flies and hops around the boys and eats from their hands just as though he had been brought up among them. He perches himself at the open window and blinks at the passers by, looking as wise as can be. The "Owls" have christened him "Columbus" and will have him with them in their parade and at their outing at the park, June 20.

A BIG SUIT BROUGHT.

Anton Reymann Sues John T. McGraw for \$30,000.

Preliminary papers have been filed in the circuit court clerk's office, by H. M. Russell, attorney for Mr. Anton Reymann, in an assumpsit suit against Col. John T. McGraw, of Grafton, the sum claimed being \$30,000. The suit, it is explained, grew out of a disagreement over a real estate transaction in which those gentlemen were interested, the land in question being a large tract in the West Virginia interior. No formal declaration has yet been filed, however. The service of summons was accepted for Col. McGraw by his counsel, Mr. T. S. Riley.

The Benbow Boys' Opening.

The Benbow club, composed of a number of young men residing in the East End, last night opened its new quarters in the old Arlington building. The rooms were all decorated with flags and lanterns in honor of the occasion. A reception was held for friends of the members and they attended in large numbers. Mayor's full brass band furnished music, and refreshments were served to add to the enjoyable social features. The officers of the club are: Robert Driscoll, president; Richard Miller, vice president; Henry Bauer, secretary; John Prince, treasurer. The club, although comparatively a new organization, is in a flourishing condition, starting off with seventeen members and prospects of many more.

Are You Going Away?

Whether You Are or not You Need to Know Just What to Do, Both at Home and While Away.

Nearly everybody is planning to do more or less traveling at this season. Many people who can afford it go to Europe and spend a great deal of time abroad. To-day you meet a man in Boston, and next week you encounter him in San Francisco. Those who have not the time or means to take these extended trips go to some summer resort, or take a little trip occasionally. This is right and proper. We need change, but all this running about causes fresh risks to health and life, although the traveling may be taken for health and pleasure. Exposure, change of climate and habits, change of water and diet, loss of sleep, and all these things make people sick at very inconvenient times and in unexpected places. People under such circumstances are often seized with sickness where suitable medical help or remedies are not at hand. Old complaints are awakened which frequently take a fresh hold and often result in serious sickness or death. At such times illness may often be ward off by the prompt use of some good medicinal stimulant. There is no stimulant equal to pure whiskey, and the purest medicinal whiskey upon the market to-day is Duffy's Pure Malt. It has been before the public for years. It may be possible that some ignorant person may say that other whiskeys are just as good, but it should be borne in mind that other whiskeys do not accomplish what Duffy's Pure Malt has accomplished for the past twenty years. It has saved the lives of thousands, and its prompt use has prevented the dangers which changes of the season and incidents of travel always occasion.

LOCAL RECORDS BROKEN

By a Young Wheelman Over the River in a Hundred Mile Ride.

Thomas Williams, of Martin's Ferry, who does considerable wheeling, broke the record on Sunday. He made a run of 100 miles in ten hours, two or three hours better than has been made by any other amateur in this section.

He rode to Cambridge and back, via Barnesville, in all 120 miles, in thirteen or fourteen hours, which included stops for meals and rain. The 100 mile run was made in the first ten hours of the day, after which he rode the remaining twenty leisurely. He rode from Martin's Ferry to Cambridge, on the pikes, and on his return rode over to Barnesville, intending to take the train and ride home, on account of the rain, but the sun reappeared, and he came back on his wheel. Williams is only twenty. He is by no means an old rider. He is an amateur, but is a member of the L. A. W.
