

three weeks ago at Columbus and made the double circuit of the track in 2:08 min. That track was much harder and smoother than Wheeling's, so that his performance yesterday afternoon was in reality more meritorious. Cyclists well up in racing matters, yesterday afternoon declared that the track here is fully ten seconds slower than the magnificent Springfield course, on which Zimmerman recently made a mile in 2:01 3/5. It will be seen therefore that if the track had been in proper shape the world's cycling champion would have broken his own record here yesterday afternoon.

The races yesterday afternoon were started earlier than was the case Tuesday as the crack racing men who had consented to stay over wanted to catch the 5:20 Baltimore & Ohio train for the Baltimore international circuit race meet which started yesterday and concludes to-day.

ONE MILE HANDICAP. It was 1:25 when the bell was rung calling out the men in the first race on the programme for the afternoon, the one mile open handicap. Much to the disappointment of the spectators the champion Zimmerman did not start in this contest, though he had had promised to go in some of the handicaps. There were nine starters, including George Banker, Hoyland Smith, A. N. French, Githens, Brown and others. Githens and French started from the fifty yard mark, and George Banker was on the sixty yard mark. The half was completed before the big handicaps were overcome by the scratch men, but after that was done the pace was somewhat slow until the home stretch was entered. Here Banker again showed his evident superiority over any of the fast men, except Zimmerman. The finish was a beauty, Banker coming over the tape with French second, Githens third and Brown fourth. A distance of ten feet would have covered these four at the finish. Time, 2:10.

First prize, Kenwood racing safety, W. A. W. and K. Hoge, \$100; second prize, Bidwell Cycle, McIntosh-Huntington Co., Cleveland, \$75; third prize, L. A. W. bicycle shoes, \$3; fourth prize, not yet selected.

HALF-MILE 1:20 CLASS. This race was a walkover for Oliver Perry Bernhart, of the Toledo club's team, but he cheated himself out of the victory, by turning around in the home stretch, for which he was disqualified and the first prize, a \$75 gold watch was given to Clyde Quimby, of Stouenville,

who finished second to Bernhart, a hundred feet behind. Bernhart made a big kick, but the referee could not do otherwise than act as he did. Quimby was the man who made the kick. It was explained that some one along the fence had called out to Bernhart and that he had turned involuntarily. Young Quimby would have done a graceful thing had he followed the example of a more illustrious racing man, Tyler, who not long ago refused to take a prize under the same circumstances. J. M. Smith, of Martin's Ferry, was third, and Riheladfer fourth. Time 1:12.

First prize, solid gold watch, W. A. W. \$75; second prize, rocker, \$10; third prize, not yet selected.

ANOTHER HANDICAP. The third race was the two mile handicap. In this race the big men were the two Bakers, George Banker and French. Will Greer, unlike most of the other local men, had the nerve to start and make the pace, so that the fast men had to let themselves out to win. At the half Greer still had a good lead over the field, which was bunched. At the mile Greer was still leading, this time about ten lengths, but in the back stretch the field caught up with him and then the pace was easier. The third time around Greer was ahead making pace, French second, Conn Baker third and George Banker fourth. At the upper turn on the last lap French took the lead and made pace at a rattling rate to the finish, but was beaten out by Banker, who came up and passed him in the last fifty feet. This finish was the finest seen here and aroused great enthusiasm. Banker's lead over French was not more than three or four inches. Conn Baker finished third and A. L. Baker fourth. Time, 5:11 4/5.

First prize, diamond stud, W. A. W. \$10; second prize, gold headed cane, Cleveland Wheel Company, \$5; third prize, Guyer hat, Dinger Bros. \$5; fourth prize, pair bicycle shoes, E. Ball \$5.

THE SECOND CLASS RACE. In the one mile open, 2:40 class race, there were but two starters, Riheladfer and Bernhart, the Toledo man. The latter started out behind Riheladfer, whom he allowed to pace him for a half when he passed and went for the pole at a rattling clip. Riheladfer was distanced and Bernhart won in 2:47 2/5.

First prize, silver cup, Pope Manufacturing Company, \$50; second prize, bicycle saddle, Hunt Manufacturing company, of Westfield, Mass. \$3; third prize, silk suspender, Logan Drug Company, \$3.

THE ONE MILE OPEN. This race was awaited with considerable interest, as it was the first in which the champion Zimmerman would appear. Zimmy was greeted with generous applause when he appeared on the track. There were five starters, A. L. Baker, Conn Baker, Zimmerman, George Banker and Githens. A. L. Baker set pace and captured the lap prizes. He was closely followed by Zimmerman, Banker, Githens and Brown in the order named. At the upper turn the spurt was started, and when the stretch was entered they were all bunched, Zimmerman two or three lengths behind, but when he let himself out he came up the stretch grandly and won from Conn Baker in a close finish. George Banker was third, Githens fourth and Brown fifth. Time, 2:30 3/5.

First prize, Holthorn Swift safety bicycle, Jason C. Stamp and W. A. W., \$100; second prize, silver water set, Wheeling Railway Company, \$25; third prize, silk shirt, H. W. Henry, \$10.

QUARTER MILE OPEN. The sixth race run was the quarter mile open, and, as usual, Zimmerman came in at the front. Zimmerman, Brown, George Banker and French contested, and finished in the order named. Time, 33 2/5 seconds. The finish was

very exciting, Zimmerman just managing to come over the tape a winner. First prize, silver water set, W. A. W., \$25; second and third prizes not yet selected.

MAHLKE STRICTLY IN IT. The next event was the half mile state championship, and the Mahlkes proved that they are about as swift as there are in the state. There were three starters, Henry and Max Mahlke and Oscar T. Smith, and they finished in the same order. Max made a desperate effort to beat his brother out at the finish, but was unable to do so. Time, 1:14 1/5.

THE MILE HANDICAP. The next event was the second of the one mile handicaps, and Brown, by good work at the stretch, managed to come in a winner, just barely beating out George Banker. A. L. Baker was third and French fourth. The time made was first class, 2:23 1/5.

First prize, diamond stud, W. A. W. \$30; second, third and fourth prizes not yet selected.

TWO-MILE CHAMPIONSHIP. In the two-mile state championship race there were three starters, the two Mahlkes, and Oscar Smith. The best Smith was able to do was to come in third to Henry Mahlke's first and Max's second. Time, 6:08.

In this race A. L. Baker did the donkey work, but incidentally took two of the lap prizes. Githens sneaked two laps on Baker very neatly by a couple of instantaneous spurts. In the stretch the field rounded up beautifully, and a nice finish was made, Zimmerman, as usual, at the front, Githens second, A. L. Baker third. Time, 2:37 2/5.

First prize, solid gold watch, W. A. W. \$75; second prize, not yet selected; third prize, shoes, McCoy Shoe Company, \$5.

ZIMMERMAN AGAINST TIME. The next event was the attempt announced to be made by Zimmerman against the record for one mile. Though he did not break the record his performance was very meritorious considering the condition of the track, which was comparatively slow. The champion was greeted with tumultuous applause when he came out on the track. The pacemakers were George Banker on the first quarter, Githens on the second, Conn Baker on the third and French on the last. Zimmy and Banker came past the grand stand at a great pace and the first quarter was made in very fast time, and when the half was completed and the time was announced at 1:02, there was considerable excitement, and it was thought that the mile would be done in 2:04 or 2:05. The pace making on the upper turn and home stretch, however, was not what it ought to have been, and the mile was completed in 2:08 2/5. Even this performance was considered by the visiting racing men to be extraordinary.

THE CONSOLATION. The last race of the afternoon was the consolation race in which Greer, Shrader and Kahn started. This was dead easy for Greer who completed the mile in 2:44. Kuhn was second and Shrader third.

First prize, silver water set, W. A. W. \$25; second and third prizes not selected; fourth prize, package Mail Pouch Tobacco, Bloch Bros. Tobacco Company, \$5; fifth prize, doll baby, \$3; sixth prize, one cake of ice, W. A. W. \$3.

THE CLOSING SCENES. Last Hours of the West Virginia Wheelmen's Meet. The closing event of the wheelmen's meet was the entertainment at the Opera House, which was attended by a large number of the visiting and home wheelmen and town people. The programme as printed yesterday was rendered without a hitch, and the entertainment very appropriately ended the meet of the wheelmen.

Last evening at the McLure the boys were getting ready to depart on the night and early morning trains, and altogether things had a quieter aspect there than has been the case for the past three days.

Zimmerman, George A. Banker, Hoyland Smith, H. A. Githens, Conn Baker and the other crack racing men, left for Baltimore on the 5:20 Baltimore & Ohio train, and will contest in the races there to-day.

NOTES OF THE MEET. Zimmerman takes down over \$800 worth of prizes from Wheeling. George Banker did remarkably well here, taking almost all the handicaps. The prizes he won footed up in value \$400.

The stogie souvenir was both original and appropriate, and the visitors were "greatly taken with it" as one of them expressed it last night.

People who never saw cycle racing speak loud in praise of this the greatest and most exciting of speed contests, and it is certain that if Wheeling gets into the international next season the races will be well patronized.

Last evening at Hoge's hall the victories of Henry and Max Mahlke in the state championship events were celebrated and a large number of the visiting wheelmen were present and a huge time was enjoyed.

Great praise is due Chief of Police McNichol for the numerous and efficient detail of officers who were at the trackside Tuesday and Wednesday afternoons. The local wheelmen are under obligations to Wheeling's "finest."

Zimmerman will leave the track for the season at the end of September and will then go to the great Springfield, Mass., track, where he will have a try for all the records, from the quarter-mile up to ten miles. It seems certain that a number of the existing records will be smashed this fall, as Willie Winkle is also preparing to have a try.
