Transfer Recorded.

The following transfer of real estate was left for record at Clerk Hook's office yesterday:

November 7 by Henry Kraft and wife to David N. Walter, for \$250, lot 36 at Park View.

Mendelssohn Quintette Club.

There is scarcely a city or town of any size in the whole length and breadth of the land that has not at some time listened to a concert by the Mendelssohn Quintette club, and had the souls of its citizens stirred to greater efforts in the cause of high-class music thereby. The "Mendelssohns" will give the second entertainment of the Y. M. C. A. course in the Opera House one week from to-night.

Six out of Seven Paid.

Simon Burkhardt was fined \$20 and costs yesterday for selling liquor on Sunday, and \$5 and costs for abusive language to an officer. Orth Gowdy, for fighting, paid \$5 and costs, and his brother, Ed, \$10 and costs. John Leandowski, for disorder, paid \$1 and costs, and Emery Shafer \$1 and costs for drunkenness. Fritz Nauman, also charged with fighting, went to the hill in default of a fine.

In the Criminal Court.

Yesterday in Judge Jordan's court Teddy, alias George Flynn, was tried to a jury for an assault on Curley Johnson and John Auber some time ago. The assault was inspired by the fact that Johnson had betrayed the men who broke into and robbed Auber's house. Flynn was found guilty and fined \$25 and costs and sent to jail for sixty days. Jake Wilhelm plead guilty to selling liquor on Sunday, and was fined \$20 and costs.

In the Justice Courts.

In Justice George Arkle's court yesterday T. D. Earmont was fined \$1 and costs for drunkenness and committing an indecent act. Joe Jevins got \$1 and costs for using abusive language. Mary Stubbs was placed under \$100 bond for one year for contending with loud and angry words.

Jack Devinney and Andy Gavin were held to appear at court to answer the charge of stealing a valuable clock from Ada Foster, bond of \$500 being required, in default of which they were committed to jail by Squire Gillespy.

A. C. Partridge Dead.

Recent San Francisco papers contain the notice of the death in that city on November 2 of Mr. A. C. Partridge, father of Ella S., Jessie E. and Samuel C. Partridge, of that city and W. H. Partridge, of Boston, Mass., a native of Stockbridge, Vt., aged 73 years 3 months and 23 days.

Interesting S. of V. Meeting.

The meeting of the U. S. Grant Camp S. of V.'s was of more than usual interest last night. Comrade Warren, of Chicago, was there and lived the boys with a splendid talk, and also recited a suitable selection, greatly to the delight of all. Col. Van H. Bailey was there and gave the boys one of his stirring talks. Fully a dozen G. A. R. comrades were present and some of them gave brief talks. The camp is increasing in membership and is having good meetings. The boys need and should have all the encouragement the G. A. R. comrades can give them. A committee was appointed last night to procure guns to arm a firing squad of twelve, which will be a great help to the camp.

Interesting Meetings.

The meetings during the week of prayer at the Young Men's Christian Association have begun most encouragingly. That of last evening was fully attended, extra chairs having to be brought into the room to accommodate those present. After spirited singing of appropriate hymns, Rev. Mr. Irey, of the Baptist church, addressed the young men on the topic, "Wrecked in Search of Gold." Allowing gold its proper place in the affairs of life, he drew attention to the higher values of things spiritual and eternal, which abide after this most enduring of metals has perished. These meetings are most helpful and edifying, and the men of the city are most cordially welcomed to them. The meeting to-night will be addressed by Rev. Mr. Alford, whom all young men like to hear. Topic, "My House and How to Build It."

Scrophula eradicated and all kindred diseases cured by Hood's Sarsaparilla, which by its vitalizing and alterative effects, makes pure blood.

WERE QUICKLY CAUGHT.

Thieves Snatch a Lady's Pocketbook on a Baltimore & Ohio Train.

Yesterday afternoon Mrs. Kate Doolin, of Mannington, came here on the Baltimore & Ohio road on her way to Pittsburgh. She had her purse in the side pocket of her coat, and in it were \$9 50 and a round trip ticket from Mannington to Pittsburgh. As she rose from her seat when the train arrived here, three young men brushed by her, and one struck her pocket, knocking the purse out. She stooped to pick it up, but another man snatched it and all three ran and jumped off the train.

Lieut. Terrill was notified, and in about fifteen minutes he had two of the young men at police headquarters. They gave their names as William Davis, aged 22, and Philip Gerard, aged 17. Mrs. Doolin identified them, as did a passenger on the train and a young man who saw them get off. Mrs. Doolin said her money was a \$5 bill, \$1 in quarters and \$3 50 in halves. One quarter was rubbed so the date could not be made out. Part of the money was found on the men, and later a witness was found who had seen them and a third, larger man, dividing money in the B. & O. yard.

The two were locked up. The larger man had bought a ticket for Pittsburgh.

Later in the afternoon Squire Gillespy gave the two young fellows a hearing, and fined them \$10 and costs each and gave them thirty days in jail. Both are very flip, fresh youngsters, and seemed perfectly familiar with the ways of a criminal court.

THE WHITAKER MILL.

It Will be Rebuilt—The Work of Cleaning Up Begun.

Mr. N. E. Whitaker, president of the Whitaker Iron Company, returned to the city yesterday afternoon. It is now safe to state that the burned mill will be rebuilt at once. There was some speculation about a possible removal of the works, but it was all without foundation. The work of cleaning up the debris has already begun, but of course little can be done until the insurance adjusters have examined the ruins and appraised the loss.

As stated yesterday a meeting of the employees of the mill will be held at Trades Assembly hall at 2 o'clock this afternoon to consider a proposition to offer to the company free of charge the services of a large number of men to help in the labor of cleaning up preparatory to rebuilding. The meeting is under the auspices of Crescent lodge of the Amalgamated Association, but all the employees, whether members of the association or not are urged by the officers to be present.
