### The Elm Grove Strike Settled.

The arbitration committee of the Ohio Valley Trades and Labor Assembly effected a settlement of the Elm Grove coal mine trouble yesterday. The conditions are that the union men will be reinstated and the non-union men will be unionized, and the bank will be a strictly union bank hereafter.

### Transfers Recorded.

Clerk Hook yesterday admitted to record transfers of real estate as follows:

- November 25, by W. J. W. Cowden, trustee, to Mary T. Davis, for \$1,155, the south half of lot 16 in square 15 in the Eighth ward.
- November 13, by Samuel S. Bloch to Mary E. Fair, for \$300, part of lot 15, on Elm Street, Island.

### A Musician to Wed.

Cards are out for the marriage of Miss Grace Leeko Kelley, daughter of Captain Abram Kelley, of Barnesville, to Mr. Woodrow S. Pickering, a prominent business man of Columbus, in the Barnesville M. E. church, Tuesday morning, December 28, at 10 o'clock. Miss Kelley is an accomplished musician and is quite well known. "No presents" appears on the invitations.

### Officers Elected.

The newly elected officers of Upchurch lodge, A. O. U. W., are: Past master, Charles W. Connor; master workman, Howard Atkinson; worthy foreman, S. O. Boyce; overseer, R. B. Butler; recorder, W. C. Gardner; financier, J. H. Wells; receiver, Frank Wendel; guide, F. Walters; inside watchman, John B. Loftis; outside watchman, P. Finnerty; medical examiners, Mrs. George I. Garrison, Taylor, R. J. Reed and Biggs.

### In the Circuit Court.

In the circuit court yesterday the last of the litigation growing out of the "Fraternity of Financial Co-operation's" operations was ended with the order, "dismissed agreed." This was the suit of Daniel W. Harris vs. the fraternity. In the cases of Charles H. Wise vs. Raymond Bauer et al. and the Bank of Wheeling vs. Raymond Bauer et al., orders were issued against J. M. Frasher, garnishee, on suggestions. He filed notice of appeal in both cases.

### Will Represent Wheeling.

The great international six day bicycle race commences on Christmas morning at the Madison Square Garden, in New York City, and it is probable that a Wheeling cyclist will enter and contest for the \$1,200 first prize. Will Greer, of the Wheeling Cyclers, has been corresponding with the management of the race, and he will probably leave for New York in a few days and get in shape for the contest. The interesting part of the story is that if Greer enters this race he will become a professional, and will then be ineligible to contest with the amateur or L. A. W. wheelmen. Greer will probably ride the new Lu-ni-num bicycle which is creating a sensation in cycling circles. Those who know of Greer's riding assert that he is just such a rider as will have an excellent chance of winning this long distance race, his characteristic being plenty of pluck and endurance.

### The Lowest For Years.

Never before in the history of this city have Fine Watches, Diamonds, Rings, Jewelry, Silverware, Clocks, etc., been sold as low as they are now being sold at Sheff Bros., the new Jewelers, at 1110 Main Street. Their stock is new, bought for spot cash at greatly reduced prices, and they are giving their customers the benefit of the low prices.

READY-MADE CLOTHES—THE HUB CLOTHIERS.

# STICK —TO— THE HUB.

You don't care, do you? as long as you get satisfaction, whether you have your clothes made to measure or buy them READY MADE. Price is the bone of contention between us and the tailors. They cry down Ready Made Clothes because we can serve you just as well for less—considerable. There is chaff in wheat—is in tailoring—is in ready-made clothes, but it don't condemn the wheat. Don't let it condemn all ready-to-wear garments. Buy from a stock that is carefully winnowed from a complete stock. We cannot help smiling when we see in other stores fabrics and patterns that we passed by as unworthy to put before our patrons. Honestly, we can do better for you in our

\$10, \$12 and \$15

grades than they can for at least \$5 more, give you more stylish Suits and Overcoats—

## SUITS AND OVERCOATS

that are better made, better trimmed, better fitting. They have to alter and alter, fix first this and then that, and you are tired of the clothes before you get them. Here you put a Suit or Overcoat right on, see yourself in it as others'll see you. If you don't like it, we've hundreds of others, all different, equally as fashionable. If you go into our finer grades,

\$20, \$25 and \$30,

the best tailors have to draw in their horns. Ours are as good as theirs. The more you pay us the more you save, for they tuck on the price with the elegances. You won't find another clothing store with such a stock.

Every sale is a promise of satisfaction, a promise we stand ready to redeem in cold cash.

If you want to buy a Christmas present that will please your boy, your brother, your grandchild, your nephew or for some poor little boy, then see our grand line of Boys' and Children's Suits and Overcoats, \$1 75 to \$10 00.
