GIVING OUT THE WORK.

The Relief Work by the Committee Will go on To-day.

THE FORCE OF LABORERS NAMED

For Monday, as Yesterday's List Got Only Half a Day's Work and Will be Continued To-day—One Donation Received and Several Loads of Coal Sent out Yesterday.

The men selected from the 650 on the register as applicants for work on the streets yesterday afternoon will not go to work until Monday. About 300 of them gathered in the police court room shortly after 4 o'clock yesterday. Those who could secure seats occupied the benches, while the others stood about the walls. All in all they were a pretty good looking lot of laboring men and all anxious to go to work.

Mayor Caldwell called the assembly to order and introduced Mr. C. B. Hart, chairman of the relief committee, who, he said, would make an explanation to the men.

MR. HART EXPLAINS. Mr. Hart explained that the committee was organized to relieve those who were needy, either by ministering to their wants or by giving them work. The committee had the privilege of distributing among the unemployed the work to be done by the board of public works. The wages to be paid for this work had already been fixed. After this work was all done the committee hoped to have at its disposal funds contributed by citizens for the purpose of giving additional employment. The pay for this work would probably be fixed on a basis which would make the money reach the greatest possible number of men.

The committee's work was new, and it might be expected to make some mistakes, but he gave the assurance that what it had done was done with the sole purpose of relieving the needs of the poor and unemployed. Any suggestions sent to the committee would be welcome.

He explained that each day at half past 4 o'clock the list of names of those to be employed the next day would be read in the police court room and tickets issued to all. The committee had aimed to employ first the most needy—those whom the register showed to have been out of work the longest and to have the most people dependent on them.

The list read yesterday, he explained, was intended to be for to-day, but owing to the fact that the men given tickets on Thursday afternoon for employment on account of the rain yesterday forenoon, this plan had to be changed and the tickets issued yesterday would be for work on Monday. The superintendents had not taken up the tickets issued for Friday and they will hold good for to-day. Hereafter, however, tickets will only be good for the day for which they are issued.

After Mr. Hart's explanation had been repeated in German for the benefit of those who did not understand English the calling of the names and issuing of the tickets began, the recipients passing the desk and receiving their tickets and then passing out the other door.

Seventy-four of the waiting men were made happy by being given the coveted tickets, while the others went away disappointed, but willing to wait their turn.

THE WORK OF RELIEF.

The relief committee's storehouse was not open yesterday except to register applicants for work. The store will be open to-day for the distribution of provisions, and the committeemen and clerks there will need assistance, as there will no doubt be a big rush. Persons willing to volunteer their services will be heartily welcomed.

Six loads of coal were sent to needy families yesterday. Captain Cowan says the committee now has plenty of coal to fill the orders already issued, but needs carts to haul it. Two cars of the coal given by Mr. Fiorasheim arrived yesterday.

To-day a system of issuing bread by tickets will be begun, so as to regulate the supply in accordance with the needs of the families.

Only one donation was received yesterday, that being eight sacks of Monarch flour from O. T. Rhodes. D. C. Karner has offered to do any lettering of signs the committee may need free of charge.

J. C. Devine is serving as chairman of the Eighth ward committee in Herman Bentz's absence. At the meeting yesterday forenoon of the Fourth ward sub-committee it was decided to meet hereafter only on Monday, Wednesday and Friday of each week at 10 a. m. All in that ward wishing relief should apply then, at the Atlantic engine house. It had been reported by some malicious or reckless persons that money had been given to persons who used it unworthily. The committee has given nobody money, and has had none to give. People not deserving of aid cannot secure it, as all applications have to be passed on by the full committee.

Last night the executive committee met at the chamber of commerce and heard the reports of members as to the progress of the work. The project of doing additional work to that furnished by the city, so as to let able-bodied people in need earn what they receive, as many of them prefer to do, came up for discussion, and several plans were talked of. The committee has no money to pay for work, but it was suggested that a price might be placed on the stores and issue them in compensation for work. No definite plan was finally adopted.

The relief committee is short of potatoes, which are much needed. They would be glad to receive donations of potatoes and also of shoes. Shoes are much needed and the committee has had to buy some out of its scanty funds. No more acceptable contribution could be made by the charity inclined.

THE FOOT BALL GAME.

A Large Crowd Will Witness the Contest To-day.

As the time for the big foot ball contest between Wheeling and Martin's Ferry draws near the interest as to the outcome becomes more intense, and all records for attendance at a local game will probably be eclipsed. Everybody who can possibly get away from the cares of business will be there and cheer on the attempt of local talent to take one solitary game from the strong Martin's Ferry aggregation. The chance to do this seems favorable, as the team that will line up this afternoon is much stronger than any other that has yet represented the town. The lovers of the national game, base ball, will be

there in force, as two prominent base ball stars, Jack Glasscock and Glenavlin, are on the Wheeling team.

The game will be started promptly at 2:30 o'clock. At this game occupants of the grand stand will have no trouble in seeing the game satisfactorily, as the dense mass of humanity that has been allowed during previous contests to block off the view from the stand will not be allowed. Ladies who wish to see the game can do so comfortably from the grand stand.

A steamboat will carry people from the foot of Twelfth street to the State Fair grounds, and 60 per cent of the net receipts of the boat will be donated to the poor fund.

Take barge Lizzie K, foot of Twelfth street, direct to foot ball grounds. Fare 5 cents each way. Sixty per cent of net receipts will be given to the poor of Wheeling.

TWO VICTORIES

Were Won by the Wheeling Bowling Club Last Night.

Last evening at Seibert's Garden bowling alleys the Wheeling Athletic Wheelmen and Wheeling Bowling Club met for two games, in the league championship series, and the wheelmen went down in the dust of two defeats. This puts the Wheeling Bowling Club on a tie with the Columbia for second place in the race.

Both games were hotly contested, the first game being won by a majority of but sixty points. For the Wheeling B. C. team not a player made less than 200 pins, while the work of their opponents was somewhat ragged. The score in detail:

FIRST GAME.				W. A. W.			
Club	W.	L.	Pt. score.	Club	W.	L.	Pt. score.
Griffin	2	1	121	McCoy	4	2	176
Happy	3	0	247	Rheidinger	3	3	172
Hirsch	6	2	215	Williamson	8	1	235
Hess	5	5	217	Wells	3	3	179
Stifel, W. C.	7	0	237	Stevenson	9	0	253
Singleton	6	3	214	Blind	7	2	241
Totals	39	12	912	Totals	36	15	1136

The second game was also pretty close, the Wheeling B. C. boys having a majority of 76 points. Stevenson, of the W. A. W. team, made the best individual score, 253, in the first game. Happy was second, with 217 to his credit. The score:

SECOND GAME.				W. A. W.			
Club	W.	L.	Pt. score.	Club	W.	L.	Pt. score.
Griffin	2	1	142	McCoy	6	2	182
Happy	7	0	216	Rheidinger	7	0	198
Hirsch	5	2	177	Williamson	3	1	149
Hess	0	2	226	Wells	2	3	179
Stifel, W. C.	7	2	238	Stevenson	5	2	193
Singleton	4	5	200	Blind	8	1	212
Totals	29	15	1218	Totals	32	9	1134

The concluding games of the second week of the championship season will be played this evening. The INTELLIGENCER and South Side teams will battle at Mozart Park, and the Calumets and The Bowlers will fight it out on the Wheeling Park alleys. The probable results are that the South Side and The Bowlers will carry off two victories each. There may be surprises in both cases, however.

The scheduled games for next week are as follows: Tuesday evening, Wheeling Bowling Club vs. Press Club at Wheeling Park; Wednesday evening, Calumets vs. South Side, at Wheeling Park; Thursday evening, Columbia vs. Wheeling Athletic Wheelmen, at Seibert's; Saturday evening, Intelligencer vs. The Bowlers, at Seibert's.

The standing of the clubs in the race for the championship pennant took a kaleidoscopic turn last night, and now looks this way:

Club	Won.	Lost.	Pt. score.	High
INTELLIGENCER	2	0	1590	1170
Wheeling Bowling Club	3	1	750	1241
Columbia	3	1	750	1573
The Bowlers	1	1	500	1426
South Side	1	1	500	1570
Calumets	1	1	500	1309
W. A. W.	1	3	250	1266
Press Club	0	4	200	1109

Palm leaves on the Amazon are from thirty to fifty feet long.

It's an insult to your intelligence, but some unscrupulous dealers try to. For instance: you're suffering from some Skin, Scalp or Scrofulous affection, or are feeling "run-down" or "used-up." There's a torpid liver, impure blood, and all that may come from it.

You've decided, wisely, that Dr. Pierce's Golden Medical Discovery is the medicine to help you. You know that it's guaranteed to do so, as no other blood purifier is. It doesn't benefit or cure, you get your money back.

Can you ask more? But what is best for you to take isn't always best for the dealer to sell. He offers something that's "just as good." Is it likely?

If the makers of a medicine can't trust it, can you? If they can trust it, then why not guarantee it, as the makers of the "Discovery" do? Sold by dealers in medicines the world over.
