WIND-UP SALE—GEO. M. SNOOK & CO.

**FAST AND GREATEST Wind-Up Sale OF OUR BUSINESS YEAR ENDS FEBRUARY 1, 1894**

A week of reckless and profitless prices begins in our Cloak Department to-day. Our every energy will be directed towards reducing the choice lines of LIGHT AND MEDIUM WEIGHT JACKETS, etc., the season for which is now almost upon us. Many of the Black Jackets noted below are made out of that well known and staple material, Clay Worsted, of which the satin lined ones are considered heavy enough for winter wear.

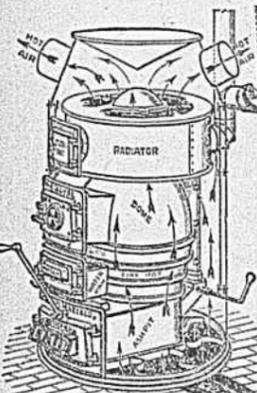

Also a lot of extra fine Satin Lined Black Clay Worsted Jackets at proportionate reductions. Children's Long and Short Jackets, ages 2 to 5 years, at equally low prices. Our winter stock of Children's Long Coats, ages 6 to 12 years, will be closed as follows: Lot 1.—\$2 95. Lot 2.—\$3 95. Lot 3.—\$4 95. Our entire stock of about two dozen Ladies' Winter Weight Jackets shares in the general demoralization of values. Ladies Cloth Suits also less than half price. \$12 00 Suits at \$4 90; \$13 75 Suits at \$5 95; \$15 00 Suits at \$7 00; \$19 00 Suits at \$8 90, etc.

These unusual prices will certainly justify purchases for future as well as present use.

For comfort and durability should wear our Sewaters All Wool Knit Jackets. They are the best made in C. H. S. & SONS', Merchant Tailors and Gents' Furnishers, 1321 and 1323 Market Street.

**Was it a Burglary?**

There was a good deal of excitement on Fifteenth street last night over a burglarious visit to a prominent man's house. The police were summoned, and Lieut. Gaus went out—and the result is one suspect and three vags in the lockup. There may be further developments to-day.

**The Fire Department Committee.**

At last night's meeting of the council committee on fire department the bids for rebuilding the Niagara engine were examined, and definite action in the matter deferred until to-day. The committee agreed to recommend that the council pay half the cost of putting a fire alarm box in the public building.

**The Island Ferries.**

Yesterday the committee of the Island citizens appointed to solicit subscriptions for the proposed ferry company began their work. Attorney Hearne is also drawing up the necessary papers to secure a charter, and to-day the committee men will put up the required ten per cent of their subscriptions and make the application for a charter.

**Five Cases Yesterday.**

William and Albert Miller were arraigned in the police court yesterday morning, charged with disorderly conduct, and each paid \$1 and costs. George O'Neil, a vag, went up for thirty days, and John Bownes paid \$1 and costs for disorder. George Helleman, who refused to move on when ordered, was let go with a lecture.

**Probate Business Yesterday.**

The last will and testament of Rachel A. Martin, deceased, was yesterday admitted to probate and ordered to be recorded. Hannibal Forbes qualified as executor of the will of William Bailey, deceased, and gave bond in \$250,000, without surety, none being required by the terms of the will.

**The Miners' Strike on.**

At the Elm Grove coal works yesterday the company ordered the miners to take all their tools from the mines, and notified them at the same time that they would not receive any pay until the regular pay day. This means war on the mines, and there is no doubt that in the other mines in the district much the same course will be pursued. None of the miners were at work Monday in any of the works represented at Saturday's meeting in this city.

**Gold in Marshall County.**

For some time a rumor has been afloat about the discovery of a very extensive gold vein in Mead district, Marshall county. Menderville parties are largely interested in it, and they think they have struck it rich. The vein so far as discovered is eight feet thick and thirty feet below the surface. It is located on the farm of a Mr. Taylor. Samples of the ore have been taken out and sent away to be tested, and proved to be of very good quality. Those interested in the enterprise are keeping it very close.

**Transfers Recorded.**

Clerk Hook yesterday admitted to record transfers of real estate as follows: January 29, by Edward Martin and wife to Adeline Hardman, for \$300, the west half of the east half of lot 219 in East Wheeling.  
August 20, by Charles Schmidt, F. Happy and H. Beberson and their wives to Christian D. Muenzemaier, for \$200, lot 148 in the Belvedere addition.  
January 27, by E. F. Martin and wife to Adeline Hardman, for \$300, the west half of the east half of lot 219 in East Wheeling, on Seventeenth street.

**It Must be an Error.**

There is an idea in Columbus that David H. Milligan, one of the editors of the St. Clairsville Gazette, is an applicant for a position under the national administration. His partner's name had been mentioned in connection with the St. Clairsville postoffice, and it is not very probable that both are seeking for places. Besides, Editor Milligan has always been bitterly hostile to Senator Brice in and out of the columns of his newspaper, and it is not likely that Congressman Pearson, with whom Senator Brice is on the most cordial terms, will endorse a man who has made himself so obnoxious to the senator's friends in Belmont county.

**"Zeb, the Clodhopper."**

That people will pack a theater to its utmost capacity on such a nasty night as last night is certainly a compliment to the attraction, and that is what they did at the Grand last night for "Zeb." "Zeb" is an old friend, and he made new admirers by the score last night. The play is as funny as ever, and the company improved. "Zeb and his gal" circulated around town yesterday afternoon in a sleigh.

**In Olden Times**

People overlooked the importance of permanently beneficial effects and were satisfied with transient action; but now that it is generally known that Syrup of Ficus will permanently cure habitual constipation, well-informed people will not buy other laxatives, which act for a time, but finally injure the system.

**COME to the Masonic Temple between 12 and 2 p. m. to-day and get the best Lunch you ever had.**

**LADIES**  
Seeding a tonic, or children who want building up, should take **BROWN'S IRON BITTERS.** It is pleasant, and has no objectionable ingredients. Biliousness, Liver Complaints and Neuralgia.

## THE MASONIC BAZAAR.

The Big Fair will Open Formally at Noon To-day.

A BRILLIANT SUCCESS EXPECTED.

The Finishing Touches being Put on the Booths and Decorations in the Handsome new Masonic Temple—it will Present the Most Imposung Appearance ever Seen in Wheeling on a Similar Occasion.

**T**O-DAY at noon the great Masonic fair and bazaar which has been looked forward to for several weeks with pleasurable anticipations will be formally opened, dinner and lunch being served from 12 to 2 o'clock. This evening the fair will begin in earnest, and it gives every promise of being the most brilliant event of its character that Wheeling ever saw. The new Masonic Temple, on Market street, in which it is to be held, is admirably fitted for the purpose, and it has been fitted up with an artistic elaborateness never before attempted in the community.

On the third floor, as has already been explained, will be the dining rooms, as follows: Old Vienna cafe, in charge of Mrs. M. Franzheim; Casino, Mrs. K. C. Darrah; Marino Cafe, Mrs. M. A. Ghew; German Village Cafe, Mrs. A. A. Franzheim; Wellington Cafe, Mrs. Creighton; Knights Templar Cafe, Mrs. C. E. Van-Kourou.

The second floor is the bazaar proper, and it is a reproduction in miniature of the Midway at the World's Fair. A large number of ladies and gentlemen have been busy for a week arranging the booths and last evening their labors were so far advanced that the large hall looked like a veritable fairland. Bright colors and graceful shapes predominate in the booths. One of the principal features is the Japanese booth, built after a house of which Ex-Consul John M. Birch had a photograph. This evening a real live Jap will preside in this booth. Mrs. John Riedel is chief in charge here.

Mrs. John K. List will chaperone the lassies in the Irish village, one of the most attractive of all. Mrs. Alex Glass has charge of the Turkish pavilion, and Mrs. W. A. Wilson of the Gypsy camp. Mrs. Allen Wheat will preside over Van Houten's cocoa house, a quaint miniature of the old Dutch style. Van Houten made a liberal donation of his cocoa for use in this booth.

The booth of the contest committee where the elegant prizes will be contested for, is not likely to be overlooked, and the booths representing the ages of women promise to be as beautiful as they are unique in idea.

Mrs. Hugh Sterling, Mrs. F. H. Stamm, Miss Gene Friend, Mrs. Robert Brown and Mrs. D. R. Brooks will have charge of the refreshment booth, which will not be by any means the least attractive.

Those entitled to wear badges during the fair should procure them from the chaplains this morning at the hall. The committee on refreshments is to meet at the hall promptly at 1 p. m. to-day. This committee consists of Mrs. Ziegenfelder, Mrs. Hugh Sterling, Mrs. D. R. Brooks, Mrs. Joseph Hedges, Mrs. Frank Stamm, Mrs. K. M. Brown, Mrs. Charles Ahrens, Mrs. Joseph Purcell, Mrs. Kate Bassett and Miss Gene Friend.

**GREER WILL RIDE.**

Will Greer, the well known local racing man, was seen yesterday and said that he would race McClelland if the latter would change his terms somewhat. McClelland wants the cyclist to ride two miles while he runs one mile. This would be a "cinch" for the runner, as he has run the distance in four minutes, so that the cyclist would have to ride it in two minutes, which, of course, is not possible.

**DON'T forget the Lunch to-day at Masonic Temple, from 12 to 2 p. m.**

**To Recover Escaping Prisoners.**

Negotiations to supply state prisons with air ships are under way. By this means a prison guard could take a flight, locate an escaping prisoner and bring him back in the time usually occupied in telegraphing instructions.

**Removed.**

The Albany Dentists to the new Egerton building, corner Eleventh and Market, where we have fitted up the most elegant dental parlors in the state. Office open from 9 a. m. to 8 p. m.

**Dr. J. S. HUSKEY, Manager.**

**CLIMAX BAKING POWDER IS ON TOP BECAUSE**

No other is so Good

No other is so Cheap

Costs less than Half and pleases much better than the over-priced and over-endorsed kinds.
