

SPRING CLOTHING—M. GUTMAN & CO.

A Fit Costs no more than a Misfit.

There is nothing saved by buying badly fitting clothes. It takes just as long to cut and sew a coat that's too wide or too tight, or a pair of pants with bulging knees as though they fit perfectly. Hence why not buy perfect-fitting clothing, or to be more specific why not

COUNCIL COMMITTEES.

Several of Them in Session Last Evening at the Building.

LIQUOR LICENSE APPLICATIONS

All Favorably Acted Upon But One. The Powikly Passenger Station Site. Matters Before the Claims Committee—Various Matters Brought Before the Bodies.

Last evening several council committees held meetings at which matters of interest were considered. The police committee found that its regular meeting was not necessary and did not get together. The committee on petitions and remonstrances considered the applications for renewals of liquor licenses. These numbered 123. There was but one objected to, that of Louis Bachella, and his application was laid on the table. The other 122 were all reported favorably. The applications were distributed as follows to the wards: First, 7; Second, 35; Third, 21; Fourth, 16; Fifth, 14; Sixth, 13; Seventh, 1 (State Fair Association); Eighth, 18.

The committee on claims considered the claims of Messrs. Crogan and O'Leary for damages to property, but decided to postpone action until the members could go and view the property said to be damaged.

The committee on real estate had under consideration the leave to Mrs. Ripley of the lot adjoining the old Powikly depot, which is wanted by the railroad company as a part of the site of the new station. The city solicitor offered a resolution abrogating the lease, which the committee agreed to recommend to council for passage. The railroad company is required to indemnify the city for any damages or claims resulting from this action. Council was asked to appropriate \$300 for an abstract of all real estate owned by the city.

EXCURSIONS TO WHEELING

To Be Run Under the Auspices of a Novel Sort of Organization.

Mention was made a few days ago of the organization of a company in this city for the purpose of booming the town in a novel way, and bring to the city a large number of buyers from the surrounding towns, who have heretofore traded in other cities. The company is at last complete and will be known as the Ohio Valley Excursion and Improvement Company. The company is composed of about a dozen prominent business men who have banded themselves together to execute an idea that will undoubtedly prove a winner.

It is the intention of the new organization to run excursions from the various towns within one hundred miles of the city, once a month, offering as an inducement, besides a low rate round trip fare, special sale prices at the different stores owned by the members of the company. An eight page paper will be printed and widely distributed in all the towns around, containing the advertisements of the company and coupons, which will entitle the holder to the special excursion rate and to the special sale.

Each railroad will have a day of its own, and the excursions will be run every second day, until all the ten different branches have been gone over. The date of the first excursion has not been set, but it will be in all probability in the second week of May. The company selected as its secretary M. H. McNabb, who will have charge of the paper and see that they are distributed properly along the road.

THE AMERICANS WIN.

Great Gratorical Contest Last Night at Old Bethany.

There has been a rivalry of long standing between the American and Neotrophian societies at old Bethany college, and heretofore all efforts to bring the two together in a friendly contest of oratory have signally failed. A few weeks ago, however, the "backers" of each got together and signed articles of agreement for "a fight of words to a finish." Last evening at the chapel in the contest took place, and attracted friends of the two societies in large numbers, as well as people from neighboring towns.

Colonel W. W. Arnett and Rev. Dr. W. H. Cooke, of this city, and Rev. Dr. Robert Alexander, of St. Clairsville, were chosen as judges. Colonel Arnett was delegated by the others to deliver their judgment, which was in favor of the Americans. The verdict was of course received with great enthusiasm by the followers of the A. L. I. The orators were as follows: Harry W. Kimmel, of Pennsylvania, on "The American Idea," W. R. Jinnett, of Ohio, "Blue and Gray," Charles Barsie, of Kentucky, on "William the Silent," all for the Neotrophians. The A. L. I. interests were taken care of by Allen Wilson, of Colorado, whose subject was "Truth," W. B. Cunningham, of Pennsylvania, on "The Dominant Cause," and Earle Wilkey, of Missouri, who concluded with a great effort, his subject being "Let There Be Light." The contest clearly shows that oratory is not on the wane in the old college that has furnished a Bickham, a Pendleton, a Woolery and a Campbell.
