

A QUARTETTE NOW.

Four Cycle Race Meets, With \$9,000 Worth of Prizes.

NEWARK HAS COME INTO THE FOLD

With Pittsburgh, Steubenville and Wheeling—The Buffalo-Pittsburgh Road Race—Echoes of the Steubenville Meet—The McGowin-Krupp Decision—Pittsburgh Ball Club Defeated by "Der Browns"—Other News of Sport.

It develops that the failure of the Newark wheelmen to "pull off" the national circuit race next last week will add another star to the galaxy that will mark the close of the circuit.

The Wheeling boys secured the entries of nearly all the riders who contested at Steubenville Tuesday and Wednesday, including all of the class B men—E. C. Johnson and R. E. Goets, of the Triangle team; Eddy, of Columbus, and Talley, of Zanesville.

The Pittsburgh Press Buffalo-Pittsburgh road race comes off on August 23d and the number of entries will probably reach over a hundred.

One of the laughable features of the Steubenville meet was the class B racing man from Zanesville, Frank Talley. This young man knows how to extract speed from a bicycle as well as most of 'em, but he is about as graceful a looking fellow, negatively speaking, as can be found.

The State Fair Association has decided to open its track to wheelmen for practice work this fall, and tickets for the season can now be had from Secretary Hook at \$2.

There is considerable kicking because Krupp, of Urichville, was disqualified yesterday afternoon. No rider claimed he looked back except Banker, of Pittsburgh, and the referee being a Pittsburgh man, the kick went, but it was not fair.

The above does Referee Wade McGowin an injustice. To the writer's knowledge two judges in addition to Mr. McGowin saw Krupp take his feet from the pedals right in the stretch, a distinct violation of the L. A. W. racing rules.

Wilson, first vice president of the L. A. W.; F. F. Sheridan, of Illinois; J. P. Dillingham, of Massachusetts; and E. S. Hartwell, of Colorado.
