

"BUCK" IS DISMISSED.

The Popular Pittsburgh Base Ball Manager the Victim of a

DESPICABLE PLOT BY A DIRECTOR

Of the Club—The Team is Almost in Open Revolt—Base Ball Patrons Indignant—Eleven Ball Games Played Yesterday—Racing at Latonia and Sheepshead Bay—Other News of Sport.

Special Dispatch to the Intelligencer.

PITTSBURGH, Sept. 3.—Al. C. Buckenberger, who has for the past two years managed the Pittsburgh ball club in a most admirable manner, was to-day dismissed without a moment's notice, and Connie Mack placed in charge of the team for the time being. This most unexpected and strange move on the part of the club people has caused much unfavorable comment here. "Buck" was a great favorite with the Pittsburgh sporting people, who are now not slow to express their ill feeling at such a move. That the team has been playing losing ball and that it was thought best to make a change is the only reason given by the club people for their action.

It is well known however that "Buck" incurred the enmity of President Temple shortly after coming here two years ago, and since that time Temple has left no stone unturned to depose Buckenberger, who has been by far the best manager Pittsburgh ever saw, and was beyond doubt the best manager in the league. The strange part of the story is that though turning the manager down the club has offered to pay him his salary in full until the end of the season, though there is said to be a ten days' clause in his contract. The infamous treatment of Buckenberger by high up officials of the Pittsburgh team within the past two years is known to many. Mr. Temple has left nothing undone which might serve to create discord in the ranks of the players. Within two years on not less than half a dozen different occasions Mr. Temple has partly engineered deals for the sale or trade of different players on the team without the consent of Buckenberger, who was supposed to do such work.

Such work has caused much uneasiness among the players at times and bad playing has resulted. The release of "Jack" Glasscock, which caused such a commotion in sporting circles, was done without the knowledge or consent of Buckenberger. The releasing of Scheiback and the signing of Riley was also done without his knowledge or consent. Mr. Buckenberger says but little on the subject, but the boys on the team speak very plainly. They are all angry at the turning down of "Buck," and were it that any other man but Connie Mack had been given the place there would be open revolt.

BIG CROWDS ATTENDED

The League Base Ball Games in the East Yesterday.

Eleven ball games were played by league teams yesterday. Baltimore, Boston and New York, the three leaders in the race all won, so that no change in positions is noted. Whether the Baltimore players, many of them "youngsters," can stand the strain, is uncertain, but all lovers of pluck hope the Orioles will knock out the veteran Boston and New York players. Yesterday was Labor Day in the east and the attendance at the ten games aggregated over one hundred thousand, and a few people say the national game is dead. The standing of clubs:

In the second game Bert Inks made his first appearance as a Colonel. Daub did the twirling for the Brooklyn. Inks was hit much harder than the score really shows. Score, first game:

The Browns Beaten Twice.

PHILADELPHIA, Sept. 3.—Philadelphia beat St. Louis both games to-day. It looked as though the visitors would be shut out each time, but Shugart scored on lucky hits by himself and Felts in the eighth inning of the first game. In the second contest the visitors scored two off Riley's costly error in the eighth inning. Attendance 6,000. Score:

A Doublet For Boston.

Syracuse Athletic Meet.

SYRACUSE, N. Y., Sept. 3.—Thirty-five hundred people saw the races of the ninth annual tournament of the Syracuse Athletic Association. The class A events were excellent, but the class B events fell below the expectations of the spectators. They had pace-makers, but would not ride, and L. A. Callahan had the pleasure of pacing the bunch the full distance and winning first place. The summary:

One hundred yard foot race—D. E. Civile won; time, 10 1-5. Two mile handicap, class B—C. R. Coulter, Toledo, 150 yards, won; time, 4:51 2-5. Two hundred and twenty yard dash foot race—John C. Freeman, Rochester, won; time, 2:1 2-5. One mile tandem handicap, class A—Bem and Hughes won; time, 2:07 2-5. Half mile open, class B—O. S. Brandt, New York, 60 yards, won; time, 1:00 2-5. One mile open, class B—L. A. Callahan, Buffalo, won; time, 2:10 2-5.

Grand Circuit Races.

NEW YORK, Sept. 3.—Rather tame sport marked the opening of the Grand Circuit trotting meeting at Fleetwood Park to-day. The three races on the programme were all won in straight heats and two of them went to the favorites without the semblance of a contest. Tomah started a hot favorite for the 2:30 race and won easily. The Fleetwood purse for 2:20 trotters brought out a high class field, of which the California four-year-old, Mary Best, from John A. Goldsmith's stable was clearly the best in the public form and took the race without trouble in straight heats. Summary:

2:30 class, trotting, purse \$3,000—Tomah, ch. g., by Edwardo, first; Nomad second; Almontino, third; Sidney Smith, fourth. Time, 2:17; 2:10; 2:15; 2:14.

2:20 class, trotting under saddle—Catherine Leybourn, ch. m., by Onward, first; Governor Stanford, second; Chester Everett, third; Paschal, fourth. Time, 2:22; 2:25.

Labor Day Races.

NEW YORK, Sept. 3.—The racing was by no means up to the promise. When the scratching was over it could be seen that the greatest havoc had been made in the Labor Day handicap at a mile and a quarter, for only five had been left out of the original fourteen. John Cooper came away from the lot as if they were standing still and won easily. Summary:

First, five furlongs—Manchester, 100 (Hamilton), ovon, won; time, 1:00 3-5. Second, Flatbush stakes, seven furlongs—Lissak, 110 (Doggett), 24 to 1, won; time, 1:20. Third, mile—Patrician, 122 (Simms), 34 to 1, won; time, 1:42 3-5.

Fourth, Labor Day stakes, mile and a quarter—John Cooper, 135 (Doggett), 24 to 1, won; time, 2:07 3-5. Fifth, mile, selling—Backbone, 101 (Kauf), 2 to 1, won; time, 1:41 4-5. Sixth, two miles on turf—Harry Alonzo, 111 (Delehanty), 10 to 1, won; time, 3:33. Seventh, mile on turf, selling—Live Oak, 110 (Simms), 7 to 10, won; time, 1:44 3-5.

The Hartford Races.

HARTFORD, Conn., Sept. 3.—The annual Labor Day races of the Hartford Wheel Club held at Charter Oak Park this afternoon were witnessed by 5,000 people, but proved rather tame as none of the fast riders except Kennedy and Taxis were on hand. Results:

Mile open, class B—W. W. Taxis, Philadelphia, won; time, 2:40. Mile handicap, class A—W. J. Walker, Holyoke, won; time, 2:13 3-5. Half mile handicap, class B—F. R. Fuller, Hartford, won; time, 1:20 3-5. Mile handicap, class B—George H. Thatcher, New Haven, won; time, 2:14 4-5. Quarter mile open, class B—W. W. Taxis won; time, :32 3-5.

The Latonia Races.

CINCINNATI, Sept. 3.—A large crowd visited Latonia this afternoon, and the twenty bookmakers there were insufficient to handle all the money offered. The surprise of the day was the third race, in which Clementine, at prohibitive odds, again disappointed her fol-

lowers, Eli, 8 to 1, winning in a common canter by six lengths. Summary:

First, selling, three-year-olds and upward, seven furlongs—Harry L. won; time, 1:29 1-4. Second, three-year-olds, eleven-sixteenths of a mile—Dominion won; time, 1:00 1-4. Deafness Cannot Be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.
