DEMOCRATIC DODGE.

A "Citizens' Movement Placed on Foot Down at Moundsville IN OPPOSITION TO REPUBLICANS Who Recently Put Up a Good City Ticket—Republicans Who Voted at the Primaries Were Excluded from the Meeting—Captain Baker for Mayor—The Balance of the Ticket. Another Democratic Scheme.

Moundsville has a "Municipal League" movement on hands that is expected to show great strength at the coming city election scheduled for March 14. However, the scheme is nothing but a Democratic dodge to effect Republican defeat, but as the Republicans are very much alive to this phase of the situation, it will most probably miscarry. A meeting of "citizens" was held last night in the court house at which a full city ticket was put up. The object is to defeat the Republican municipal ticket recently put up, as was shown by the resolution that passed, to the effect that none who had voted at the Republican primaries should be allowed to participate in the meeting. Mr. T. J. Patton, nominated as chairman and J. D. Shaw was secretary.

For mayor, Captain A. O. Baker, R., was chosen over D. W. Rogerson by a vote of 89 to 24.

City marshal—Robert Rodocker, D. City clerk—Friend Cox, D.

A committee of five was appointed to choose the ward tickets, and their report, as follows, was adopted:

FIRST WARD. School commissioner—B. F. Hodgman, D. Councilmen—S. Risinger, R.; William McConkey, R.; Joseph W. Gaillher, D.; I. M. Clayton, R.

SECOND WARD. School commissioner—T. J. Patton, D.; Joseph Volito, R. Councilmen—Dr. G. W. Booth, D.; William Carroll, Peo.; W. D. Alexander, D.; Thomas Gatch, R.

THIRD WARD. School commissioner—W. L. Edwards, R. Councilmen—D. W. Rogerson, D.; M. F. Cox, R.; Edward Simpson, D.; J. A. Hobbs, R.

Three campaign committees, one for each ward of the city, were appointed, and a vigorous campaign is promised. Republicans, however, are aware of the ability of the Marshall Democracy to construct neat "blinds" and can readily see through this scheme. It is probable that a number of the Republicans placed on the ward tickets will at once withdraw, as soon as they know what took place last night.

"STORY OF THE REFORMATION." Opinion of a College ex-President Concerning the Celebrated Luther Spectacle.

Prof. T. A. Muhlenberg, ex-president of Thiel College, Greenville, Pa., gives his opinion:

"By invitation of the Chrestomathean Society of Thiel College, Mrs. H. E. Monroe delivered a lecture on the 18th and 19th of May, 1893, in the opera house in Greenville, on the subject of the Lutheran Reformation in Germany, illustrated by appropriate stereopticon views of some of the prominent scenes, places, events and actors in that great national regeneration. This enterprising and energetic lady was assisted in the representation of these incidents and scenes by seventy of the students of the college, ladies and gentlemen of Greenville, connected with the Lutheran and other Christian churches of the place. Her lecture, with the display of the manners and customs, the great events and personages of the period, both Protestant and Roman Catholic, through this large body of assistants, was a most creditable and accurate objective representation of this grand era in the world's history, and made a most favorable impression upon the intelligent auditors who were present as spectators. All the parts of it, some very difficult to manage, were carried through with marked propriety and beauty, and the worthy lady deserves, as she should receive, praise and generous support for the skill and success of her efforts to instruct and please her fellow citizens. We most heartily wish for her the liberal patronage of the citizens of the places she proposes hereafter to visit, and assure them that they will not be disappointed. They will be abundantly repaid in solid instruction and useful entertainment."

The principals in Luther's trial here will be:

During this week it is being given at Rochester and Lyons, N. Y. The chart for selection of reserved seats will be open on and after Friday morning, February 22, at the box office.
