LOCAL NEWS.

Matters of Minor Moment in and About
the City.

A SPEAKING contest is being prepared
by the Good Templars to be given in
the Y. M. C. A. hall March 22.

The will of Lewis J. Connorsman, de-
ceased, was admitted to probate Sat-
urday and ordered to be recorded.

A MEETING of the council committee
on ordinances has been called for this
evening, with the city health officer and
solicitor.

Cox & Co., the boiler makers, have
about completed six large galvanized
iron tanks for the new ice plant at
Schulbach's brewery.

Forty or fifty bunnies were given
lodging at the police station last night.
Every bad night drives them in, and
they are all grades of tourists.

SATURDAY evening the Davis "Uncle
Tom's Cabin" closed a very successful
engagement at the Grand. The com-
pany left for Stouboville yesterday.

The Whitaker sheet department was
to go on this morning, but it was an-
nounced last night it could not resume
on account of a shortage of natural gas.

The only two shows booked for this
week are "Alimony," Thursday eve-
ning at the Opera House, and Sadie
Hassan in "Nobody's Claim," at the
Grand the last half of the week.

A new firm has gone into the ice
making enterprise. Roth, Butler &
Willis have ordered machinery and will
fit up a plant in the Red Letter Tobacco
Company's building, on Eleventh street.

One of the very best musical and lit-
erary entertainments ever given in this
city was enjoyed by a good sized audi-
ence in the Opera House Saturday eve-
ning under the auspices of the Old
Followers.

St. Patrick's day was very bright over-
head, and very sloppy under foot. Owing
to its coming on Sunday about the
only observance outside of the churches
was the wearing of the shamrock. Last
night snow fell briskly for quite a time.

MATERIAL for the new metal ceiling
at the police office, ordered by council,
has been delivered, and work will com-
mence at once. The new carpet has
also been bought for the chief's private
room, and the office, when refitted, will
be "out of sight" for style.

Two cars attached to an east bound
freight train which left Wheeling at
about noon yesterday jumped the track
at Wyland, Pa., eight miles east of
Washington. The accident delayed
Capt. Charley Adams's train, due here
at 6:50 p. m., two hours and twenty-five
minutes.

NEXT Thursday night Murphy and
Canfield will present their new farce
comedy, "Alimony," for the first time
here at the Opera House. Mr. Murphy
and Mr. Canfield have been assisting
the successful presentation of Mr.
Hoyt's pieces and it is said that in their
new farce satirical comedy, "Alim-
ony," they have secured a play well
worthy of their ability and merit.

On Thursday and Friday evenings
next the new firm of Milligan, Wilkin &
Co. will give an opening concert in
their elegant rooms at 1138-1142 Market
street, one of the finest places in the
city. This firm is composed of well
known men who have all been in the
music instrument business in Wheeling
for several years, and they will start
under auspices which should assure
their success from the start.

ABOUT PEOPLE.

Strangers in the City and Wheeling Folks
Abroad.

F. McGee, of McDonald, registered at
the Deliter yesterday.

J. W. Bowers, of Sistersville, auto-
graphed at the Windsor yesterday.

Mr. W. T. Burt will leave in a few
days for an extended stay at Birmin-
giam, Ala.

Mr. G. O. Smith, the real estate agent,
left over the B. & O. road yesterday for
Mississippi.

Prof. Robert A. Armstrong, of the
state university faculty, is in the city,
a guest at the Windsor.

Mr. George Gillespie and John E.
Freiler, of the Buckeye glass works,
spent yesterday with friends in Wheel-
ing.

Mr. Meyer Newburger, of Parkers-
burg, Senator Camden's private secre-
tary, is the guest of Mr. Ralph Heyman,
of Chapline street.

Mr. P. S. Bancroft, of Butler, Pa., was
here yesterday the guest of his son, G.
G. Bancroft, of the McClure. Mr. Ban-
croft is the editor of the Butler Record.

Dr. C. B. Blubaugh, of Parkersburg,
surgeon general of the West Virginia
National Guard, was here yesterday, a
guest at the Windsor.

F. J. Smith, of Sistersville, John E.
Hall, of Philippi, and W. S. Brown and
Mrs. Irene Meyer, of Moundsville, were
among yesterday's arrivals at the Staum.

"Nobody's Claim" Coming.

Miss Sadie Hassan in "Nobody's
Claim" will be the attraction at the
Grand three nights, commencing next
Thursday, March 21. The play is one of
the best of American melodramas, and
is an excellent vehicle for displaying
the varied talents of the star. It is of
the realistic school of dramas, but does
not depend for its drawing powers on
the realism introduced, but is a thor-
oughly consistent play, full of human
interest and of more than usual literary
merit. There are many thrilling cli-
maxes in the play, worked up in natural
manner. There is an abundance of
splendid scenery, which enhances the
interest of the piece, and every charac-
ter is in the hands of a clever artist.

A Household Treasure.

D. W. Fuller, of Canajoharie, N. Y.,
says that he always keeps Dr. King's
New Discovery in the house and his
family has always found the very best
results follow its use; that he would not
be without it, if procurable. G. A.
Dykeman, Druggist, Catskill, N. Y., says
that Dr. King's New Discovery is un-
doubtedly the best cough remedy; that
he has used it in his family for eight
years, and it has never failed to do all
that is claimed for it. Why not try a
remedy so long tried and tested. Trial
bottles free at Logan Drug Co.'s drug
store. Regular size 50c, and \$1.00. S

A GENTLEMAN of this county who has
excellent judgment, remarked to us
the other day that he knew of no pill,
so good for constipation, dyspepsia and
liver complaint, as Dr. Witt's Little
Early Bitters. Logan Drug Co., Wheel-

DID NOT KNOW ABOUT IT.

Interesting Rumors Concerning the U. S.
Glass Company Which are News Here.

In Saturday's Pittsburgh Dispatch the
following story was printed:

Several sensational reports are in cir-
culation concerning the United States
Glass Company, the big combination in
the flint glass trade. It is stated that
President Haggaley will submit a propo-
sition to the stockholders to dissolve
the corporation and place the factories
now owned by the company in control
of the former owners. Considerable ac-
tivity was noticeable in the stock of the
company during the week.

Another rumor has it that the officials
at a recent meeting formulated a propo-
sition to decrease the capital stock of the
company, and it is stated will call for
the surrender of a certain per centage of
the preferred and common stock. This
plan, it is said, also included a settle-
ment with the locked-out men.

It is also reported that the company
has encountered serious legal entangle-
ments affecting the title of the property
on which the big plant at Glassport
stands, and a meeting of stockholders
has been called to consider the matter.

Several calls were made at the Du-
quesne Club last night to secure an
affirmation or denial of these reports
from President Haggaley, but he was
absent.

An INTELLIGENCER reporter called on
Mr. L. F. Stifel Saturday evening and
asked him what he knew about these
reports. Mr. Stifel said they were all
as new to him as to the public. The
first intimation he had of any such
ideas as advanced in the Dispatch's ar-
ticle was when his attention was called
to that article itself. It is not prob-
able that any such movement is on foot
without his knowing about it.
