President Ziegler Sends Out the Inter-state Schedule.

WHEELING AND STEUBENVILLE

Clubs Open the Season in This City. The Plums Received by Wheeling. To-night's Boxing Contests—Work Started on the Ball Park—The Bowlers Defeated One in Three By Riverside—The Nashville Races, Entries and Probable Winners. Other News of Sport.

Manager Will White, of the ball club, yesterday received his official copy of the inter-state schedule, which is given in full below. At the Mansfield meeting of the league in March Messrs. Buckenberger, of the Wheeling club; West, of the Columbus club, and Goble, of the Canton club, were each empowered to draw up a schedule for the season, all to be submitted to President Howard Ziegler, who would select one or frame a new one. President Ziegler found none of the three satisfactory so he drew up another, combining as many of the good points of the three as was found possible.

The season opens May 1 and closes September 21. Each club will play 112 games, fifty-six at home and fifty-six abroad, and the mileage per club is estimated at 2,200 miles. The opening games will be as follows: May 1, Steubenville at Wheeling, Columbus at Findlay, Canton at Twin Cities, Akron at Mansfield. Wheeling will play the following teams on the home grounds before leaving on the first trip: Steubenville, May 1, 2, 4. Wheeling will then go to Steubenville and play on May 6, 7, 8. Coming home, White's boys will tackle Akron on May 9, 10, 11; Columbus, May 13, 14, 15; Findlay, May 16, 17, 18; Mansfield, May 20, 21, 22. Then the team leaves home, playing at Canton on May 23, 25 and 27, then at Akron, Columbus, etc. The team arrives back home on June 17 for another long series on the Wheeling grounds. The team finishes the season abroad.

NATIONAL LEAGUE TO-DAY. The Base Ball Season Opens in Five of the Big League Cities. To-day the National League base ball season opens with the eastern and western clubs playing in their respective sections, as follows: Brooklyn at New York, Philadelphia at Baltimore, Cleveland at Cincinnati, Pittsburgh at Louisville, Chicago at St. Louis. On form the winners should be New York, Philadelphia, Cincinnati, Pittsburgh and St. Louis, but it would not be surprising if the other five won out. It is this very element of uncertainty that has made the American national game the national game in truth as well as in name for a quarter of a century. Every indication is for a very successful season. Last year only one club lost money—Louisville—and this spring Bourbonnais is showing more enthusiasm proportionately than any other city, almost.

Work on the Ball Park. Work was started on the Wheeling ball club's park yesterday morning

and prosecuted vigorously during the day, under the supervision of Manager White and Treasurer Irwin. It is thought that the park will be completed in time for the opening game with Bethany on the 25th.

MANAGER WILL WHITE.

The Smiling Features of Wheeling's Base Ball Manager.

The accompanying picture shows the features of Wheeling's inter-state base ball manager, Will White. That look of satisfaction which is predominant is explained by the fact that the picture

was taken when "Billy" was knocking out home runs and leading the Western league short stops out in Denver with "Brickyard" Kennedy as a side partner. Those were the days of '90 when visiting teams couldn't do a thing against Denver, because their players were not "onto" the rarified Rocky Mountain atmosphere in which White, Kennedy, et al., revelled and grew fat.

TONIGHT'S GAMES—Eldorado vs. Daisies.

Base ball is full of the uncertainty that is its chief charm, and that "yo ancient and honorable game of bowls" has much of the same uncertainty in its composition was demonstrated last night when The Bowlers, who have been leading for the past four weeks in the Museo league race, dropped a game to the Riversides—"poor old Riverside"—as the team has been called by sympathizers. How did it happen? If you should ask the Riverside boys, wreckers of hopes of The Bowlers, they will smile in a superior sort of way and refer you to "some other fellow." To tell the truth, they don't exactly know how it was themselves. This is the itemized story of the "Fall of The Bowlers":

THEY PARTED EVEN.

Mozart and Apollo Each Win and Lose, South Side Wins Two. Last evening on the Mozart park alleys the Mozart and Apollo teams of the South Side Bowling League contested and broke even. The scores: Mozart—Schraube, 150, 147; Roth, 121, 117; Kabitzer, 105, 113; Nolte, 124, 159; Tracer, 114, 121; Vieweg, 135, 112; totals, 699, 768.

TO-NIGHT'S PROGRAMME.

The Columbian Athletic Club's Evening of Boxing Contests. The programme of fistic encounters announced for this evening at the club house of the Columbian Athletic Club, in Benwood, just south of the Wheeling city limits, is attracting much interest and the outlook is for a good crowd at the ring-side. The programme includes a wrestling match between local men, which will be followed by the six-round go between "Dick" Wilson, of Pittsburgh, and Winfield Bagley, of Wheeling, heavy-weights. The second bout on the programme was to have been a six-round contest between Och, of North Wheeling, and "Billy" Dooley, of San Francisco, but Och refuses to go on and the club may secure another man in his place.

"PADDY" CORE, OF THE SOUTH SIDE, AND JOHN BRANNON, LIGHT-WEIGHTS, WILL NEXT BATTLE THROUGH SIX ROUNDS FOR POINTS, AFTER WHICH THE EVENT OF THE EVENING, THE TEN ROUND GO BETWEEN "RED" LEONARD, OF NEW ORLEANS, AND "SMOKEY" HOBBS, OF COLUMBUS, WILL BE STAGED. BOTH MEN ARE IN EXCELLENT SHAPE AND THE CLUB OFFICIALS PROMISE A LIVELY BOUT WHEN THE TWO MEN MEET. BOTH MEN ARE SCIENTIFIC BOXERS AND HAVE DONE EXECUTION IN THE PAST. LEONARD WAS ONCE THE SPARRING PARTNER

of Andy Down, who was killed in the ring last winter by "Kid" Lavigne. The doors open at 7 o'clock and the first bout will be called at 8 p. m. Twelve Benwood policemen will be at the ring-side to preserve order.

They are popular young people and have the best wishes of their many friends.

All sorts of Local News and Gossip from the Glass City.

Jack Workman received \$500 cash from T. J. Mullins, assistant solicitor for the Pennsylvania Railroad Company, yesterday, as settlement in full for the loss of his right arm recently. Workman was not an employe of the railroad at all. He was shoveling coke for the mill company and started to pull a coupling pin as a matter of accommodation to a railroad brakeman. His right arm was crushed so that it had to be amputated, and he is fortunate in securing this money from the railroad company. It was all he asked.
