Improving the Street Railway Service.

A number of new men have been hired by the Wheeling Electrical Railway, to serve as operators and conductors when the new five-minute schedule goes into effect.

Twenty new sixty-horse power motors for the street railway arrived over the B. & O. road yesterday and were unloaded last night at Forty-seventh street.

Very Little Rain yet.

Yesterday afternoon a slight shower fell, and the sky was more or less cloudy all day, but last night the moon and stars were out in all their glory. The rain that fell was not sufficient to lay the dust. There have been pretty good showers in all parts of the surrounding country, but they all seemed to shun Wheeling. The atmosphere was considerably cooler yesterday than on the three previous days, but still warm enough.

The Paxton Fountain.

After several days' labor and trouble the Paxton fountain has at last been put into first-class condition, for the first time in several years. It had gone all to pieces through neglect. Assistant Clerk Watkins and Custodian Sloan took it in hand, and it is now in as good shape as ever. Several small sunfish were yesterday added to the collection of finny specimens in the lower basin.

A Child Knocked Down.

Last night about 10 o'clock, Earl, the little son of Edward Hoffreuter, of the South side, was struck down by a bicycle rider. A bicycle was coming up at the same time that another was going down and the boy, who was in the street, tried to get out of the way of one only to be struck by the other. He was cut about the face, and rendered insensible, but soon recovered.

Transfers Recorded.

Clerk Hook yesterday admitted to record transfers of real estate as follows: April 25 by George Kemple and wife to George Bell, for \$1,150, seventeen feet off the north side of lot 5 in square 33, on Woods street.

April 9 by August C. Fisher and others to Hannah, wife of Otto Kalbitzer, for \$2,200 lot 62 in the La Grange addition.

April 6 by Mount Zion's cemetery to Melesine Boeneg, for \$35, lot 629 in that cemetery.

The "Mother Bunch" Place.

Considerable excitement has been created in Fulton by the re-opening of the saloon of "Mother Bunch," who was recently refused a renewal of her license by the board of county commissioners. It develops that she has a Fulton town license and is selling liquor without the county license, just as is done in Benwood and one or two other Marshall county towns, where those violators are periodically arrested and fined in the circuit court. Even in Fulton there is some objection to Mother Bunch being allowed to sell, and this may become an issue in municipal politics there.

Another Possible Strike.

There was nothing new in the situation as regards the strike at the Benwood rolling mill yesterday. The men employed in several of the departments of the Riverside steel works have decided to ask for an advance in wages, an average of about 25 per cent, to take effect in ten days. The men claim that this will simply restore wages to what they were before the last two reductions made by the company. What action the company will take cannot yet be told.

Assaults on Non-Union Men.

Peter Dunn, a non-union glassworker employed at the Duckeye Glass Works, was attacked by four men on Carlisle street, Martin's Ferry, on Tuesday night about 11 o'clock. They gave him a beating and then took his revolver from him, and threw a brick at him. Stones were also thrown through the window in the boarding house of Mrs. Paxon, on the same street on Monday night, one of them striking near where a non-union man was sleeping.

The May Festival.

The coming Second Annual May Music Festival of the Mozart Singing Society, which takes place at Mozart park on the afternoon and evening of May 15, next Wednesday, will be an important event in local musical circles. Last May's festival scored an unqualified success, and as Miss Electa Gifford, the star of that occasion will be here again, there will be at least a duplication of that success. Reserved seats are now on sale at Milligan, Wilkin & Co.'s music store.

IN THE CIRCUIT COURT.

The Business Transacted by Both Judges Yesterday.

In Judge Paul's court yesterday the case of Klieves, Krait & Co. vs. S. S. Bloch again consumed the whole session.

In the case of Frank Robrecht vs. the United Banking and Building Association an order of publication was made in open court and the object of the suit spread upon the record.

In the case of W. J. Cotta, trustee, vs. Mary Wier et al., A. D. Palmer, garnishee, answered that he was indebted to one of the defendants in the sum of \$13, which he paid over in open court.

In the case of A. J. Halstead et al. vs. Jennie Halstead et al., W. M. Dunlap, jr., was made guardian ad litem of infant parties interested.

On account of the illness of John A. Howard the case of David White, trustee, vs. W. T. and James Embison was continued in Judge Campbell's court. The jury in this court was dismissed for the term.

The case of Julia Behler vs. Mrs. Sophia Howell was set for hearing on the answers of all the defendants next Saturday before Judge Paul.

THE PENITENTIARY BOARD.

Contract for a New Addition—New Convicts Coming In.

The board of directors of the Moundsville penitentiary held the regular monthly meeting at the prison yesterday. All the members of the board were present with the exception of Mr. John T. Gallaher, who is on a pleasure trip in the west. The regular routine business was disposed of.

Three bids were received for the building of the second story on the engine room and shops occupied by Joseph Klee & Co. The contract was let to Dettler & Hughes, of Moundsville, at \$3,572.

Two new prisoners were received at the penitentiary yesterday—Henry Rattlet, five years for burglary, from Braxton county, and Silas Gibson, two years for grand larceny, from Greenbrier county. The prison's population stands now at 510.

FOR ROBBING A TRUNK.

Thomas Barker Sent to Jail—Other Justice's Cases.

Last night Officer Shields arrested Thomas Barker on a warrant issued by Squire Phillips, the charge being that he stole tools of the value of \$10 from a trunk belonging to George Englehardt. Englehardt was in the workshop when the theft is said to have taken place. In default of bail Barker was sent to jail for a hearing on Friday at 2 p. m. The parties live in the old Winslip row, in the Eighth ward.

In Squire Gillespie's court Mrs. Coffield, of Fulton, was arraigned on a charge of fornication with Albert Beltz, also of Fulton, who pleaded guilty the night before and was fined. Beltz last evening swore that the woman was innocent, and as there was no evidence against her Mrs. Coffield was dismissed.

John Forbes was arraigned on a charge of jumping a board bill at Mrs. Rice's, on Main street, near Ninth, and in default of bail was sent to jail for a hearing to-day.

Arrested for Fighting.

Yesterday afternoon Officer McCausland arrested Jim Dugan and John Mooney, jr., for fighting in an alley near Main street. Mooney said his father and Dugan were fighting and he merely interfered to keep the peace. Later the elder Mooney was also locked up, and all three can explain just how it was in this morning's police court.

Plead Guilty and Got \$25.

In the criminal court yesterday Wm. L. Davis, indicted for carrying a concealed revolver, was arraigned and pleaded guilty. He was fined \$25 and costs. The court adjourned until Friday.

A Remarkable Cure of Rheumatism.

From the Graham, Connecticut, Review.

David Lewis, who has been afflicted all winter by rheumatism, is out again and all due to one of the medicines advertised in our columns. After trying everything possible, he used Chamberlain's Pain Balm, which has relieved him of all pain, from which he was a constant sufferer, and promises to make him fit for duty soon. We know David has been a great sufferer and are glad to see him around again.

BEFORE I could get relief from a most horrible blood disease I had spent hundreds of dollars trying various remedies and physicians, none of which did me any good. My finger nails came off and my hair came out, leaving me perfectly bald. I then went to

HOT SPRINGS

Hoping to be cured by this celebrated treatment, but very soon became disgusted and decided to try S.S.S. The effect was truly wonderful. I commenced to recover at once, and after I had taken twelve bottles I was entirely cured—cured by S.S.S. when the world-renowned Hot Springs had failed.

FINE SUITS—THE HUB CLOTHIERS.

# At The Very Top!

If you're up or down our way to-day look in our big Market and Fourteenth street window and see that array of

## \$10 and \$12 Men's Suits.

They're the product of years of experience. To quote an old saying, "There's plenty of room at the top," but it's because there are so few to occupy it. No house that has to pay the manufacturer a big profit on account of their inability to pluck down the spot cash for large quantities can afford to sell such Suits for \$10 and \$12. Many a man we need to sell \$20 Suits to means our \$10 and \$12 ones now. That's what a big business and spot cash has done—cheapened satisfaction—made the goods better. Every Suit in the lot is a living witness to it.

Talk about variety—let 'em all toot their horns—even if they have not a fish to sell—every blast helps us—gets folks to thinking—gets 'em to looking—and when you look through their stock and ours, their handful of \$10 and \$12 Suits—and our tablefuls—as many as \$10 and \$12 as others have got at every price—the hunt is over, satisfaction is found—and it's HERE. It don't make any difference to us—you know what a Suit costs. There's no reason why it shouldn't fit. It isn't worthy a moment's consideration if it doesn't, and just as perfectly as the highest price in stock. Unless you're satisfied to keep the Suit we don't want to keep the money.
