Intelligencer Road Race Postponed as to Accommodate

SOME OF THE PROSPECTIVE RIDERS.

The List of the Officials—Wheeling Ball Club Again Defeated by Findlay—This Week's Racing and Boxing Contests—With the Bowlers—Columbus Will Stay in the Inter-State, Other News of Sport.

In order to accommodate some of the wheelmen who propose entering the INTELLIGENCER road race, which was scheduled to be run on July 3, it has been decided to postpone it until Wednesday, July 17. Had it been run on the 3rd very few local wheelmen would have contested, and although the Fourth would be a good day for spectators, the pike being crowded with vehicles it would be unfit for the racers to do fast work. The entries will close on July 14 at 6 p. m.

The following officials have been named for the race: Handicappers—W. R. Stevenson, chairman of the West Virginia racing board; Dr. John H. McClure and Clarence Laird. Referee—F. E. McCoy. Starter—Jacob Loos. Judges—Will W. Irwin, James K. Hall, W. R. Stevenson, Dr. John H. McClure and Clarence Laird. Timers—C. N. Haucher and W. J. Lukens.

A WEEK OF SPORT.

Top-notch Horse Racing and Boxing Contests With Six of the First Magnitude, and Perhaps Base Ball.

This will be a gala week in the domain of sport. On Tuesday, Wednesday, Thursday and Friday, the attraction each afternoon will be the trotting and pacing meeting, the first of the newly organized Wheeling Driving Club. Then, on Tuesday, Wednesday and Thursday nights, the carnival of boxing under the auspices of the well-known Metropolitan Athletic Club, will be the attraction at the Fulton arena of the club. In addition it is quite possible that the base ball "fans" will be able to see their favorite game on the island grounds. The Wheeling club is scheduled to play here the last four days of the week, but an effort is being made to have the games played in the Ohio towns so as not to conflict with the races.

The horses, 110 of which are entered for the Wheeling meeting, began to come in yesterday morning in considerable numbers, and last night most of them were quartered at the new track of the State Fair association. Some had arrived on Friday and Saturday. Most of those that arrived yesterday were from the McKee's Rocks track, where the races closed Saturday. The cream of the horses that competed at McKee's Rocks are here, as well as some of the winners at meetings in Ohio that did not perform at Pittsburgh's meeting. Taken all in all it is confidently expected that the local races will take rank as among the best of the year.

The opening day's programme, Tuesday's, is about the best of the four, and it would not be surprising if the attendance on that day knocks out the previous high water mark for attendance on the State Fair grounds. The fact that the management has made Tuesday ladies' day, when all ladies will be admitted to the grounds and grand stand free, will tend to swell the crowd on the opening afternoon.

The opening event in the boxing carnival, Tuesday evening, is the twenty-five-round go between "Jerry" Marshall, the Australian champion featherweight, who is well known here, and "Johnny" Van Heest, of Milwaukee, champion 125-pounder of America, will undoubtedly be the finest exposition of the manly art ever witnessed in this section of the country. Van Heest has been training very faithfully out at Elm Grove, and is said to be in better form than previous to any of his many ring battles. Marshall and his trainer, "Jim" Othello, arrived in the city from Pittsburgh yesterday morning, and took up their quarters with Dooley at the Met's club house in Fulton. The colored boy looks trained to the hour, and is generally looked upon as the probable winner of the battle. Van Heest might best Marshall in a short, rushing battle, but in a long drawn out, scientific go Marshall should win out.

Wednesday's battle, twenty-five rounds, is between "Billy" Dooley, the Pacific coast champion, at 123 pounds, and "Jack" Grace, of New York. Dooley is well known here and will enter the ring a pronounced favorite, but Grace is not a youngster by any means, and it is given out that he will give a good account of himself. The men will weigh in at 133 pounds at 3 p. m. on the day of the contest. For this evening

another preliminary has been arranged. It is an eight-round contest to a decision between Charles Ochs, of North Wheeling, and Harry Smith, the clever Martin's Ferry boy.

The concluding evening's programme, Wednesday, includes the twenty-five round battle between "Tom" Scanlan, the Pittsburgh heavy-weight who defeated Nikirk here last winter, and "Denver Billy" Woods, who is a veteran of the squared arena and has come out on top many a time and oft. Woods, however, is old and Scanlan young and fresh, and the contest is considered of doubtful result, although the Denverite will probably be a slight favorite when they shake hands.

Tickets will be placed on sale at Gavin's and other resorts to-day and as there will be large crowds in the city to witness the bouts, the city people should secure reserved chairs before the rush.

TO-DAY'S GAME—Wheeling at Kenton.

Special Dispatch to the Intelligencer.

COLUMBUS, O., June 23.—Columbus defeated the Twin Cities this afternoon in one of the closest and best games of the season. It was a pitchers' battle, in which Conover, while being hit safely oftener than Minnahan was, had the better of the argument. In the eighth, with the score 2 to 1 in favor of Twin Cities, West and Miller got first on errors and then when the side should have been retired, Read was hit by a pitched ball, and Ball and Violat hit for two-baggers, four runs being scored in all. In the ninth, with the score 5 to 3, Ryan put the ball over the right field fence for two bases and scored on an out and a single. With two men on the bases, Darrah fled out and the game was lost. Shaw was hit on the head by a pitched ball in the eighth and had to retire from the game. The crowd numbered 2,500. Score:

WHEELING DEFEATED

Again by the Findlays on Saturday—Regan's Heavy Hitting.

Special Dispatch to the Intelligencer.

FINDLAY, O., June 23.—The Wheelings suffered defeat again yesterday because of inability to hit Reidy successfully, the eight hits secured off him being kept well scattered. Only three more hits were secured off McClary, but the Findlays were lucky in bunting them. Regan carried off the batting honors, securing three two-baggers. Both pitchers were well supported. Findlay put up a phenomenal game in the field and upon bases, and the visitors were not far behind them. Outside of a little wildness shown by six bases on balls and two men hit, McClary pitched a good game.

Table with 2 columns: Team and Score. Columns include Findlay (1-0-0-1-0-0-0-6), Wheeling (0-1-0-0-0-0-0-2), Earned runs, Hits, Errors, and other statistics.

Lima Defeats Kenton. Special Dispatch to the Intelligencer. LIMA, O., June 23.—For the first time since the second series opened the ex-Babes, of Kenton, sustained a defeat. Lima did the act in great shape nearly shutting out the visitors before a large Sunday crowd. Lenz pitched in great form letting down Kenton with only six hits. Lima put up a magnificent fielding game. The score:

Table with 2 columns: Team and Score. Columns include Lima (0-0-0-0-1-0-1-7), Kenton (0-0-0-0-0-0-0-0), Hits, Errors, and other statistics.

The Colts Arrested. CHICAGO, June 23.—The Colts played much the better game and easily defeated the Splinters. The Chicagos were all arrested at the end of the third inning, but immediately gave bonds in the sum of \$100 each to appear for trial July 2 on the charge of "breaking the Sabbath." Attendance 14,200. Score:

The Reds Defeated. ST. LOUIS, Mo., June 23.—Favorable weather brought out a large crowd at to-day's game between the Browns and Cincinnati. Heavy batting and Staley's good pitching won the game for the Browns. Attendance 12,000. Score:

Table with 2 columns: Team and Score. Columns include St. Louis (0-0-1-1-0-4-0-0-9), Cincinnati (0-0-0-0-0-0-0-0-3), Earned runs, Hits, Errors, and other statistics.

TWIN CITIES MAY DROP

From the Inter-State, the Team Goes to Washington, Pa.

Special Dispatch to the Intelligencer. COLUMBUS, June 23.—The State Journal says: At a late hour last night it was learned semi-officially that arrangements had practically been made for the transfer of the Twin Cities team to Washington, Pa. With Washington the league will doubtless be able to weather the severest storm that may blow up. If the deal goes through, almost the entire Twin Cities team will be transferred to Washington.

To-night there are no developments, but it is accounted almost certain the deal will be consummated to-morrow.

COLUMBUS WILL STAY

In the Inter-State League, Says President Ziegler.

Speaking of the rumored possible admission of Columbus to the Western league, the State Journal has the following talk with President Ziegler: There never has been any doubt but what Manager Long, of Toledo, would be glad to remove his team from the Maumee City to Columbus. The decision of yesterday in the Toledo courts prohibiting Sunday base ball in that city simply adds to the critical condition of base ball affairs in the town on the lake. President Ziegler who returned from Toledo last night, made the following statement to a State Journal

reporter: "I have been in Toledo several days, but during that time I have not seen or heard of a base ball man, let alone Manager Long. I was there on private business and base ball was not included therein. The Columbus management has received no offer from Toledo people for our Inter-state league franchise and all I have to say is that we are in the race to stay. The Columbus club is by far the better team of the two and I would not trade our club for the Toledo for anything less than a good-sized bonus. The Inter-state league with the six clubs now comprising it is giving as good a sample of ball as the Western league, and the people who are attending the games will vouch for the truthfulness of this statement. The league is stronger than it ever was, and Columbus is in it to stay."

Will Be a Great Meet.

That the coming National Circuit bicycle races at Steubenville, July 25, under the auspices of the S. A. C., will be a complete success, is about a foregone conclusion. The boys up the river are hustlers of the first water and have already secured the promises of nearly every Class B man of prominence in the country, including Sanger, Dirnberger, Titus, Bald, Ziegler, Brown, the two Cleveland Johnsons, and others. There will be special interest taken in Dirnberger's performance at Steubenville. "Mike" is one of the best on the track to-day, but last year he did not race and was not seen at either Wheeling or Steubenville. Wheeling's racing men and cycle racing enthusiasts will be on hand in force.

Notes of Sport.

Well, there is one source of consolation; Twin Cities are lower in the race than "Ours." "Johnny" Van Heest, who battles with Marshall to-morrow night, has been doing some of his training on the bicycle.

Congressman Capehart's string of trotters is expected to show up well at the driving meeting this week. Marquette is the "Farmer's" star performer this year.

Wheeling was to have played an exhibition game at Cuyoot, O., yesterday afternoon, but as the telegraph facilities are limited nothing could be learned of the result.

MARTIN'S FERRY.

Haps and Mishaps in the Thriving City Across the River.

Many persons are of the opinion that the names and numbers of the streets in Martin's Ferry should be changed, naming the streets running north and south and numbering them running east and west. If the numbering would commence at the south end of town Jefferson would be Ninth, Washington, Tenth; Fayette, Eleventh; Clay, Twelfth; Locust, Thirteenth; Hickory, Fourteenth; Walnut, Fifteenth; Hanover, Sixteenth, and so on. There are many reasons why this should be done, and no good reason why it should not be done. If the streets running east and west were numbered it would be a much easier matter to locate any person, and this would leave only a few streets to name. The sooner the city council can act on the matter the better it will be for the town and the people.

Martin Hunker died very suddenly at his residence on Penn street, on Saturday, of hemorrhage of the stomach, aged forty-nine years.
