

FOOTBALL OPENING.

The Tigers and Shadysides Battle at Island Park To-day.

THE VISITORS ARE THE HEAVIER

Team but the Locals Will Carry the Confidence of Their Army of Admirers—The Big Prize Fight Tangle, Corbett Axious to Fight Now—The Race at Aqueduct and Terro Haute—Other News of Sport.

This afternoon at 3:30 o'clock at the base ball park on the Island the first game of foot ball of the season will be started. The Wheeling Tigers, the team recently organized by Mr. E. G. Barrows to represent Wheeling, are acknowledged by experts to be the strongest eleven ever brought together in this vicinity, and that they will make a creditable showing before the strong Shadyside Athletic Club team, of Pittsburgh, is an assured fact. The visitors possess one considerable advantage, the fact that their rush line will over-balance Wheeling's in weight. The aggregate weight of the Tigers is 1,925 pounds and the Shadysides bring up the scale team at 2,035 pounds, the average of the two teams being 175 and 185 pounds. However, it remains to be seen whether the Tigers are not "husky" enough to match the visitors notwithstanding the disadvantage in weight. Their admirers, and their name is legion, are confident they are a match for anything in the tri-state radius. The line-up of the two teams is as follows:

Table with 2 columns: TIGERS and SHADYSIDE. Lists player names and positions for both teams.

THEY WILL BECOME INDIANS.

A Novel Scheme that May Bring About the Corbett-Fitzsimmons Fight.

ARMONG, I. T., Oct. 4.—Enthusiasm over the probable coming of the Corbett-Fitzsimmons fight was intensified in Ardmore to-day. Some of the best legal talent here concur in the opinion that there is no law on the statute books to prevent the fight coming off in the territory, and on the strength of this active steps to have it brought here are being made. An enthusiastic mass meeting was held in the office of United States Commissioner Gibbons, and as a result Judge Moran Scott, late United States commissioner under Judge Charles B. Stuart, was to-day sent to the athletic club to represent the conditions under which the contest can be held here. Representatives of the Santa Fe railroad arrived at Ardmore this morning and left immediately for Tishomingo, where the Chickasaw Council is now in session. They intend, it is said, to endeavor to have the council convert Corbett and Fitzsimmons into members of the tribe in order to escape the jurisdiction of the United States court in the Indian territory and obviate the possible legal objection to the contest.

Corbett in New Orleans.

NEW ORLEANS, Oct. 4.—Corbett and party reached the city this morning over the Louisville & Nashville road. They came from Montgomery, where they gave a show last night. "I am ready to fight within an hour," said Corbett. "I wish the battle was to take place to-day in the Olympic club. Nothing would please me better. In my fight with Sullivan there was none of the worry that I have encountered in this match and which also arose with my fight with Mitchell. When the profession lost New Orleans they lost the best city in the country for a contest."

Corbett gave a performance at the St. Charles theatre to-night and leaves for Texas to-morrow morning. It is the general opinion among local sports who know Corbett well that he is not the same Corbett of old. His face is very much pinched and there is a dull look about his eyes. During the day the champion visited the Southern Athletic Club and did some little work.

The Governor Interfered.

LOUISVILLE, Ky., Oct. 4.—The Murphy-Griffin fight, that was scheduled to take place here next Monday night, is off. Governor Brown arrived in the city from Cincinnati at noon to-day and held a conference with Mayor Tyler and other authorities. As a result of the conference the authorities decided to support the governor. Billy Thompson, who was managing the affair, says that he will test the matter in the courts, claiming that it was not to be a prize fight, but a contest for points only.

The Terro Haute Races.

TERRO HAUTE, Ind., Oct. 4.—Two of the three events to-day were won by favorites and there was little money laid on the field at 2 to 1 against Ella Belmont, who won the 2:25 trot. Nightingale sold last night at \$50 to \$40 on Ogona, in the 2:21 trot, and after this Iowa mare had captured two heats, the first one being a reduction of her record of one-fourth second, the Village Farm entry, won the race, her first winning mile, clipping off one-half second from her record. Two new world's records were hung up on this, the closing day of the races. In the 2:11 trot of five heats, the fastest heats ever being, with an average of 2:09 1-5, were trotted off. Then W. W. paced a mile to Ogona in 2:08 1-2, a reduction of 41 seconds from the record. Summary: 2:25 class, trotting, purse \$1,000—Ella Belmont won. Best time, 2:16. 2:11 trot, purse \$1,500—Nightingale won. Best time, 2:08. 2:25 pace, purse \$1,000—Bright Record won. Best time, 2:13 1-2.

Hares at Aqueduct.

NEW YORK, Oct. 4.—The victory of favorites in the first three races at Aqueduct to-day was too much for the track, as there had to be an upset and it came in the fourth, when Fildel, backed by nobody, not even his owner, won at 50 to 1. Summary: First, five furlongs—Robes won; Prince Jean second; King Hero third. Time, 1:04 1-2. Second, one mile—Thyra won; Milton second; Parthenia third. Time, 1:09. Third, five and a half furlongs, selling—Arcoo won; Ina second; Cass third. Time, 1:08. Fourth, six furlongs, selling—Fildel won; King T. second; Duileo Laroude third. Time, 1:10 1-2. Fifth, one mile and a furlong, selling—Gangway won; Governor Sherman second; Marshall third. Time, 1:50 1-2.

General Sporting Notes.

The South Side Bowling league has organized for the winter. The schedule has been adopted, the season opening a week from next Monday.

At Denver, Harry Clarke, a Class A rider, rode two miles, unpaced, in 4:10, beating the Class A record and the Class B record 11 seconds. Clarke's record is official, as a sanction had been granted for the trial.

Mayor McKisson has refused to issue a permit to the Cleveland Athletic Club for the four-round contest which is billed to occur under the auspices of the club this evening between John L. Sullivan and Paddy Ryan.

In reference to reports of pulling off the Corbett-Fitzsimmons fight on Arkansas soil, Governor Clarke, in an interview says: "The Corbett-Fitzsimmons mill cannot be brought off on Arkansas territory while I am governor."

The Harlem race track has transferred its future of 1897, to the St. Louis fair grounds. This stake is the largest ever closed in America, it having over 1,500 entries, comprising the cream of the brood mares of America. The stake should be worth \$50,000 to the winner.

The series between the Brownies and Ploverix teams for the city summer bowling championship has been arranged. There will be six games or seven, if necessary. The first three will be rolled on the Fette alleys next Thursday evening, and three on the Muse alleys a few days later. J. H. Herman, of St. Paul, has received a telegram from Tom O'Rourke, of New York, offering to match George Dixon against Tommy Dixon at the Manhattan Athletic Club for a purse of \$1,000 on October 25. Herman declined the proposition, but offered to match Billy O'Donnell with George Dixon for ten rounds, winner to take everything, before the same club.

RITCHIE COUNTY FIELD.

Wheeling People Largely Interested in That Section—New Territory Leased.

James Storey and C. K. O'Hara, well known oil operators, have just returned from Ritchie county, where they closed leases for over 540 acres of promising oil territory in that county, south of Cairo, where some of the most promising territory is that section is located. These, with a number of Wheeling gentlemen, are interested largely in Ritchie county, where they are confident developments will bring forth the best oil field in the state outside of the Slatersville district. Experimental holes put down in that section have been very encouraging to lease holders. The local people will at once proceed to put down several test wells.

Southwest Field Notes.

The Victor Oil and Gas Company, and the Carter Oil Company have drilled in a wildcat on the Wells farm, near Twigg's Postoffice, Pleasants county, that has filled up 1,000 feet with black oil.

The William Johnson well on the A. Smith farm, a wildcat pure and simple, located about midway between the gas well on the Keigel farm, southeast of Middlebourne and the "Big Moses" gasser on Indian creek, will be due in the sand to-day.

The South Penn Oil Company's well on the Miller farm, northeast of the Dye-Brooks, on Middle Island creek, produced 358 barrels as shown by a twenty-four gauge.

The South Penn Oil Company has made two more locations on the same farm, and will look for a continuation of a northeast extension. The same company's test well on the Isaac Wright farm, north of the Hardman, in Doddridge county, is producing fifty barrels a day and is sufficiently large to encourage more drilling.

The Victor Oil and Gas Company's No. 2 Rockwell, in the Kenner sand development, is producing from 50 to 60 barrels a day. No. 3 on the same farm is due in the Kenner sand to-day. The crew at work on the J. M. Guffer & South Penn Oil Company's test well on the D. Wells farm in Marshall county, had the misfortune to blow up the well wheels and the flying fragments nearly demolished the well and has precipitated a serious fishing job that may result in plugged hole.

British Parliament.

LONDON, Oct. 4.—A royal proclamation was gazetted to-day further proroguing parliament until December 23.

MANY LITTLE CHERUBS

Compete for Prizes at the Odd Fellows' Hall Show.

THE A. M. E. CHURCH CONTEST

An Exceedingly Enjoyable Affair for All but the Judges and the Parents of the Babies that Did Not Win. Three Prizes Awarded by Gentlemen of Discernment, if Not Experience.

The colored baby show at the Odd Fellows' hall yesterday afternoon was attended by an unusually good-sized audience, though only a few white people embraced the opportunity to admire a really creditable array of healthy, happy, dusky babies, ranging in age from six months to a year and a half. It was a device of Rev. Mr. Bummary's to raise funds for the A. M. E. church, of which he is the pastor, and it succeeded not only in accomplishing his aim, but as well in entertaining a hall full of people for several hours.

There had been forty-four entries, but they did not all show up for some reason. Just fourteen sat in a row on the platform waiting for the verdict. They were numbered so that there could be no partiality, and the list was as follows:

- No. 1, Harold Scott. No. 2, Nelly Jackson. No. 3, Irma M. Barber. No. 4, Louis George Bell. No. 5, William Edward Henderson. No. 6, Gertrude Pendleton. No. 7, Rosetta Smedley. No. 8, Chester Leroy Rainbow. No. 9, Ira Preston Johnson. No. 10, Ethel Francis Dolan. No. 11, Julia Ellen Bummary. No. 12, Charles Green. No. 13, Helen Ott Smith. No. 14, William Dorsey.

It seems strange that the boys were so hopelessly in the minority in such a contest. The judges selected were Messrs. Arke, of the Register, Archer, of the INTELLIGENCER, and Woodruff, of the News. It was generally commented on that the last named, the only "family man" in the trio, should be the only one to fail to face the music and perform his delicate duty in a just and fearless manner, but it was so. The other two lost little time in reaching their decision, and when it was announced only one of them could be found to receive the general congratulations on the discrimination they had shown.

There were three prizes offered—first, a silver service to the prettiest child, which was awarded to Ethel Frances Dolan; second, a silver mug, gold-lined, to the most intelligent appearing, which was given to Louis George Bell; third, a diamond baby ring to the fattest, and this was given to Nellie Jackson, though several fond in-laws protested that their babies were much plumper.

After the excitement attendant upon the announcement of the decision and the presentation of the prizes had subsided, supper was served, and the entertainment was continued in the evening with a "poverty party." Taken altogether it was one of the most pleasing entertainments ever given by the congregation.

Oil Arbitration Hearing.

Judge J. R. Driggs, of the over-the-river common pleas court, is conducting here as arbitrator in an oil dispute about property in Monroe county, O. Two adjoining lease holders had a dispute about the closeness of operations to the line, and agreed to leave it to Judge Driggs. The testimony makes a very voluminous batch of stuff, and the matter was argued by the counsel for the parties yesterday.

May Drill New Wells.

The old-Hicks oil well, which has been purchased by the Grave Creek Oil and Gas Company, and is northeast of Moundsville, is being cleaned out and pumping will soon begin at it. The company intends putting some new holes down if they can secure the leases they desire in that neighborhood.

THE LITTLE ONES.

Give Your Children Dr. Greene's Nervura to Cure Them.

Children Suffer from Weak Nerves and Enfeebled Bodies—Dr. Greene's Nervura Makes Them Strong and Well.

DR. GREENE'S NERVURA. BABY KENNETH OLIN.

The child holds a place in the family, in the hearts and minds of parents, which nothing else can fill. How natural it is, therefore, that parents' first thought is for the health and well-being of their children. It is acutest torture to see a child sick and suffering; it is keenest happiness to see it get well and strong.

One can thus readily understand the joyous feelings and enthusiasm which inspired the following letter from Mr. J. W. Olin, of Perry, N. Y. Mr. Olin is a popular and widely-known photographer, and his story of the restoration of his little one to health will be read by all parents with deepest interest.

"I enclose a picture of our baby, Kenneth. He is twenty-three months old, and was so nervous that he did not know what a night's rest was. He would scarcely eat anything. We gave him one bottle of Dr. Greene's Nervura blood and nerve remedy, and now I think all will agree with us by the looks of his picture, that we cannot say enough in praise of this wonderful medicine.

"Before we tried Dr. Greene's Nervura blood and nerve remedy we were up nights with baby until I would have given any reasonable amount of money for just what one bottle of Nervura did for him."

Parents, your children can be cured just as well as was little Kenneth Olin. It is a fact, established beyond question, that Dr. Greene's Nervura blood and nerve remedy is the best children's remedy in the world. It always makes the little ones strong and well.

It is purely vegetable and perfectly harmless to give to nervous infants or children of any age, and is recommended and advised by physicians because it is the discovery and prescription of Dr. Greene, of 35 West Fourteenth street, New York City, the most successful specialist in curing all forms of nervous and chronic diseases, and who can be consulted free in all cases, personally or by letter.
