INTER-STATE LEAGUE,

The past week has been a disastro one for the Nailers. They started well at Jackson by winning two out of three, but at Saginaw they succeeded in drop-ping three games very unexpectedly. Wheeling's hold on second place is now very uncertain, and with six hard games at Toledo and Fort Wayne they are likely to go down the ladder three or pegs before returning home. .Shaw still leads the team in batting, with Wagner in second position. The batting and neiding averages are as follows;

An unfortunate frature was the squabble over the disposition of the first prize and time prize. Gaunt took first place and made the fastest time. Consequently it would seem that he is entitled to the two prizes, both of which are bleyeles. The management of the race, however, ruled, that Gaunt was entitled only to the time prize, and gave first place, a better prize than time prize, to Luble, who finished second. The reason for making this ruling is that the road racing rules of the Pittsburgh Press provide for it. Gladness Comes

With a better understanding of the transient nature of the many physical ills, which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed. There is comfort in the knowledge, that so many forms of sickness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly removes. That is why it is the only remedy with millions of families, and is everywhere exteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the organs on which it acts. It is therefore all important, in order to get its beneficial effects, to note when you purichase, that you have the genuine article, which is manufactured by the California Fig Syrup Co. only and sold by all reputable deuggists.

If in the enjoyment of good health, and the system is regular, laxatives or other remedies are then not needed. If afflicted with any actual disease, one may be commended to the most akiliful physicians, but if in need of a laxative, one should have the best, and with the well-informed everywhere, Syrup of Figs stands highest and is most largely yell and gives most general satisfaction.
