Today's games—Jackson at Wheeling, Saginaw at Washington, Toledo at New Castle, Port Wayne at Yonkers.

The Nallers made it three straight with the Saginaws Saturday afternoon and at the same time sent the Michigan team down to the tail-end of the Inter-state procession. Baker was in superb form, allowing the visitors only eight safe drives of which three were of the scratch order. Martin was hit for keeps and was easy for the locals at all stages of the game. A feature of the game was the heavy hitting of "Tolly" Kane. The sensational fielding feature was a catch by Whaley of a ball that had nine chances in ten of going safe—only it didn't. The bases were full at the time, too. Score:

CINCINNATI, July 26.—Cleveland could not hit Foreman and by some very questionable fielding allowed the Reds to score enough runs to win a dozen such games. In the last inning three hits scored Cleveland's only run. Attendance, 17,900. Score:

CHICAGO, July 26.—A hit by Daly in the last inning that should have been

ANOTHER WEEK

OF Summer Opera, at the Park Casino.

"Mikado" Again To-night—The Week's Repertory is a Brilliant One—"Grand Duchess" Next.

"Mikado" opens the third and last week of summer opera at the Wheeling park casino to-night. This ever popular opera will inaugurate the most brilliant repertory that the Wheeling theatre going public has ever enjoyed and will be a most fitting opening, for its success on the occasion of three performances last week was instantaneous. Included in the roster this week are "The Grand Duchess" on Tuesday and Wednesday nights and "Cavalleria Rusticana" on Thursday and Friday. Neither of these has been seen in this city and they are almost certain to test the capacity of the casino if the weather is fair. Lillian Russell made a great hit in "The Grand Duchess" and Miss Villa Knox will take the leading part here. She much resembles the beautiful Lillian and was once her understudy.

As to "Cavalleria Rusticana," Mascagni has written a work that will live. The incomparable intermezzo is in itself, enough to insure its success. Both operas will be given with fidelity to every little detail and the music loving public may look for something out of the ordinary. The motors leaving at 7:50 and 8 o'clock will run into the grounds.

TRAMPS FOR FREE SILVER.

The Police Capture Five who are For Bryan and Silver.

Last night Officer Dudley surprised five tramps who were holding high carnival in a box car on the Baltimore & Ohio track near Thirty-third street and after wading through several rows of growlers and beer bottles, they were loaded into the patrol wagon and taken to the lock-up, where they will remain until this morning, when his honor will pass judgment on them. They requested the officer to use his influence to get them out before election day, as they wanted to give their support to the 16 to 1 movement.

The Butchers' Picnic.

One week from next Thursday the retail butchers' association will give its annual picnic and barbecue on the estate fair grounds. The list of amusements arranged for the occasion insures a very large attendance. Five head of cattle and ten lambs will be roasted and served to the public, and a beef killing contest between Wheeling and Bridgeport's crack butchers will take place. Besides this, there will be calf and lamb killing contests, horse races and foot races for handsome prizes offered by the association.

Gladness Comes

With a better understanding of the transient nature of the many physical ills, which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed. There is comfort in the knowledge, that so many forms of sickness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly removes. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the only remedy which promotes internal cleanliness without debilitating the organs on which it acts. It is therefore all important, in order to get its beneficial effects, to vote when you purchase that, you have the genuine article, which is manufactured by the California Fig Syrup Co. only and sold by all reputable druggists.

If in thy system in regular, laxative, or other remedies are not needed. If afflicted with any actual disease, one may be commended to the most skillful physicians, but if in need of a laxative, one should have the best, and with the well-informed everywhere, Syrup of Figs stands highest and is most largely used and gives most general satisfaction.

All pain banished by Dr. Miles' Pain Pills.

Prebel, the great promoter of the kindergarten system of teaching children said: "I parents not live for their children, but for them." The mother who understands this sentiment lives with, even her unborn child. She studies to be wise about herself and the little life she is fostering. She does all she can to give her child a good start in life, by giving it a strong well developed body. All through childhood, childhood and youth she lives with her son or her daughter. Especially her daughter she will keep near her. She will allow no false modesty to stand in the way of that daughter's knowledge of herself, of her possibilities, of her perils. She will teach her that happy, healthful motherhood is an honor, a blessing. That sickness is a mistake, a breaking of nature's law. But there are times of unavoidable overdoing when the system becomes run-down.

For over thirty years Dr. Pierce has used his "Favorite Prescription" as a strengthener, a purifier, a regulator. It works directly upon the delicate, distinctly feminine organs, in a natural, soothing way. It cures all the troubles which women are afflicted with. It is beneficial in any state of the system. A woman who would understand herself will find an able assistant by sending 21 cents to the World's Dispensary Medical Association, Buffalo, N. Y., for Dr. Pierce's Common Sense Medical Adviser. It is a book that has reached its 60th thousand. It contains in its 1000 pages an immense store of information in plain words that any person will readily understand.

MR. O. G. SPEAR, of Sand Esq., Oswego Co., New York, testifies in this wise: "Our first child was born before my wife was sixteen years old. Afterward her health was very poor. She tried Dr. Pierce's Favorite Prescription. She gained flesh and strength by using two bottles. During the last few weeks of her second pregnancy she again used the 'Prescription.' Her confinement was a rapid and easy one, and she got up strong and well."
