

INTER-STATE LEAGUE.

Table with columns: Club, W., L., P., etc. for various teams like New Castle, Toledo, Youngstown, etc.

Yesterday's winners—Wheeling, Saginaw, Youngstown.

Today's games—Jackson at Wheeling, Saginaw at Washington, Toledo at New Castle, Fort Wayne at Youngstown.

The Wheelings won a glorious victory yesterday afternoon over the lively Jacksons, who, although they are in last place this morning, are as strong a team as any other in the league and will soon be pushing up the inter-state ladder.

The balling was par excellence. Each team had an error and Wheeling's was excusable, being a failure to capture a fair fly near the right field fence by Whaling. Jackson's single misplay was Derrick's wild throw to Pritchard in the eighth inning, which allowed Wagner to come in with the tying run.

But "Shorty" Gallagher was the hero of the afternoon. It was in the ninth inning that he made himself "solid" for the balance of this season and many more to come.

Kane had led off with an out. Whaley had worked the pitcher for a pass to the initial base, and Thurston, along with his usual timely single, Gallagher swunged up to the plate and let the first ball, rather wide, go by.

"Strike!" was Mr. McConaughy's comment. "What's that?" ejaculated the Detroit boy. Mr. McConaughy's Sphinx-like countenance was impassive and unresponsive.

Gallagher was mad and allowed people to see it when he threw his bat in the air and allowed Derrick to send in a strike on him. Then he got down to business and gave the next ball a mighty swipe. Up it went, gaining in height as it went. Robinson chased it for all he was worth, but the leather had wings and cleared the center-field fence with five feet to spare.

The three runs came in and the game was won, as Jackson's went down like so many ten-pins in their half of the ninth inning.

Both sides were retired in order in the first inning. In the second Wheeling scored a run. Shields singled, went to third on Tully Kane's safe drive and scored on Derrick's wild pitch. Jackson did nothing in their half.

The visitors jumped to the front in the third. After Corcoran had been retired, Deibel sent a high one over back of first. Whaling went after it, but bumped against the fence and failed to hold the sphere. Derrick was an out to Wagner, but Hobrecht batted one to right field fence that was a scratch double, scoring Deisel. Hobrecht went to third on the play. Pritchard batted a slow one to Thurston, who held the ball cleanly to Whaling, but the electric Pritchard was in the bag when the ball got there, and Hobrecht had scored. This was an instance of the value of a fast runner of a ball team.

With a slower man Pritchard would have been the third out and Hobrecht's run would not have counted.

In the sixth, after two were out, Wagner singled and Shaw walked, but Shields was an out. Again in the eighth Wagner singled, Wagner and Deibel sent a high one over back of first. Whaling went after it, but bumped against the fence and failed to hold the sphere. Gladness Comes

With a better understanding of the transient nature of the many physical ills, which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed. There is comfort in the knowledge, that so many forms of sickness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly removes. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the one remedy which promotes internal cleanliness without debilitating the organs on which it acts. It is therefore all important, in order to get its beneficial effects, to vote when you purchase, that you have the genuine article, which is manufactured by the California Fig Syrup Co. only and sold by all reputable druggists. If in the enjoyment of good health, and the system is regular, laxatives or other remedies are then not needed. If other remedies are then not needed, one afflicted with any actual disease, one may be commended to the most skillful physician, but it is in need of a laxative, one should have the best, and with the well-informed everywhere, Syrup of Figs stands highest and is most largely used and gives most general satisfaction.
