#### EQUALIZATION AND APPEALS.

The Board hears Applications for Re-assessment by First Ward Taxpayers. The city board of equalization and appeals met yesterday morning at 9 o'clock to begin the work of going over the petitions against over-assessment by the assessors. Chairman N. C. Hamilton called the board to order and in the absence of Clerk Henning, City Solicitor Boyce was made clerk pro tem. The full committee was present and it made up of Messrs. Alfred Paul, William H. Haller, C. Kalbitzer, Jacob Loos, A. H. Wiedebusch, Thomas G. Britt and John Hess.

The petitions from the First ward were taken up and were only six in number and should they all be acted on favorably by the board the difference in the assessment will not be more than \$50. In fact the petitions this year are few in number and it looks as though the board will have an easy task this year. At noon the board adjourned until 10 o'clock this morning when it will take up the Second ward's petitions.

#### GARLOW CONVICTED.

The Forger Sentenced to Six Years' Imprisonment—The Paltz Case. Yesterday morning William C. His attorneys, Messrs. Dryden and Robinson, had moved for a new trial, but yesterday they withdrew their motion and Garlow was sentenced. Attorneys White and Dryden argued the motion for a new trial in the case of the state vs. Albert Paltz and the court has the matter under advisement. Court adjourned until 9 o'clock this morning.

They appeared in police court yesterday morning and Elsie was given thirty days in the work house and Emma will spend a like period in the county jail. Emma swore out a warrant before Squire Hillyard charging Officer Gardner with handling her roughly while making an arrest some time ago. The case was heard in the jail yesterday afternoon and after hearing the evidence the Squire dismissed the case.

#### Real Estate Men Organize.

The real estate agents of this city met at the chamber of commerce last night for the purpose of organizing a protective union. The meeting was attended by a majority of the real estate men. Mr. Howard Hazlett, of Simpson & Hazlett, was selected as chairman and Walter Bluehart, of Bluehart & Tatum, secretary. In addition to other business of importance the meeting adopted a uniform percentage to be charged in renting and selling real estate, and also agreed upon a uniform rate of interest to be charged for the use of money. They will meet again next week to perfect the organization.

## TWO KILLED.

Two of a Gang of Tramps Run Over and Killed

BY A TRAIN ON THE B. & O. ROAD

Sunday Night—They Persisted in Going to Sleep on the Track and were Cut to Pieces by a West Bound Freight Train. They Hailed From Cumberland—Remains of the Two Victims Buried by the Marshall County Authorities.

A double killing occurred on the main line of the Baltimore & Ohio road, at Rosby's Rock, a short distance from Wheeling, in Marshall county, late Sunday night. Rosby's Rock is acquiring a reputation as a fatal spot. About a year ago a special train from Wheeling, carrying the Atlantic engine and firemen and others, was wrecked near that place and two men killed. Adam Fisher was knocked off a freight train by Conductor Hixenbaugh a few months ago at the same place and killed. And now comes this latest tragedy.

A gang of tramps, going west, were trudging through the rain just east of Rosby's Rock about 11 o'clock Sunday night. Two of them were overcome either through fatigue or from drink, and laid down on the track. Their three companions tried to rouse them, but they replied that they were tired and after resting a few minutes would proceed and rejoin them. A few minutes later a west-bound freight train thundered along and ran over the pair, killing both instantly. Their bodies were fearfully mutilated.

Letters in their clothes showed that one of the victims was William E. Martin, of Cumberland, Md., and the other was a man named Stepson, home unknown, but probably Cumberland. The men were about the same age, in the neighborhood of thirty years. Their remains were interred by the Marshall county authorities yesterday afternoon.

#### FREE SILVER DEMOCRATS

Will Ratify the Nominations of Bryan and Sewall To-night.

The free silver Democrats of Wheeling will hold a ratification meeting at the opera house to-night, which is to be addressed by General A. J. Warner, of Marietta. Mr. Julius Pollock will be the chairman of the meeting and a long list of vice presidents has been announced by the Democratic committee, who will occupy seats on the stage.

Last night a meeting was held in the police court room for the purpose of arranging for the reception of the star speaker of the evening. About twenty people responded to the call and beyond the stage to be present at the meeting. Mr. W. C. Handlan called the meeting to order and named Mr. Julius Pollock as chairman, and that gentleman assumed charge of the meeting. "Squire" Tom Wolvington, of Ritchie district, was chosen secretary and the wheels were set in motion. It was the original intention to meet General Warner at the train, but this was abandoned and it was finally decided to ask the "faithful" to meet at police headquarters at 7:20 to-night and form in line for the purpose of escorting the speaker from the hotel to the theatre. When the question arose as to who would command the column, it was suggested that the captain of the Young Men's Democratic Club take charge, but when some one remarked that the former captain was not in line with the silverites and "Populists" this year, a change was made and another gentleman was appointed to conduct the line to and from the hotel to the theatre. A band will head the column and some red fire will be burned.
