

RED FIRE GALORE

Was Burned in Martin's Ferry Last Night.

A REPUBLICAN DEMONSTRATION

That was a Huge Success—About Twelve Hundred Men were in Line—The Parade was the Finest Ever Seen in the Over-the-River Town—The Decorations Along the Line were Elaborate—The Wheeling Clubs Make a Fine Appearance.

The Republican parade at Martin's Ferry last night was the largest in the history of the town, the crowd the largest the town ever saw and the decorations and illuminations the most profuse witnessed hereabouts.

In this respect Martin's Ferry outdid itself and few if any towns of the size ever made a better display. The decorations were more profuse than have been seen in Wheeling this campaign.

Among the decorations were many novelties and many of the displays showed much pains and expense. These were not confined to any one street, but they were on every street on the line of march.

The parade was not only the largest, but the finest ever seen in Martin's Ferry and a most orderly one. It formed on Fourth and Fifth streets, right resting on Hanover, and moved a few minutes before 9 o'clock headed by Meister's full brass band.

Every club made a handsome appearance and marched well. Most of the clubs executed the different evolutions and these pleased the people. Each club was well received along the route.

The line of march was over the same route published in the Intelligencer, with a few exceptions. The order of parade was as follows: Chief Marshal Abraham Lash and Staff, consisting of Messrs. B. F. Brady, Dr. A. R. Oze, George W. Tweed, J. B. Montgomery, George H. Smith, Theodore Keller, M. E. Cole, E. J. A. Drennen, Lee Woods, Jerry Eblert, W. T. Garrison, E. O. Padelford, H. L. Lamuth, L. Ackerman, August Krutz, A. U. Moore, Thomas Yingling, James M. Green and M. F. Weems.

The Wheeling clubs showed up in fine style. The Ekins Cadets and the South Side clubs went over on the Terminal train, leaving the station at about 7:45. The Young Men's Republican Escort Club and the Tariff Champions marched

Gladness Comes With a better understanding of the transient nature of the many physical ailments, which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed. There is comfort in the knowledge, that so many forms of sickness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly removes.

over, and the H. C. Richards Six Footers went on the roller cars. The wheelmen assembled at the city building and rode over on their bikes attracting general attention, as they never fail to do.

The Wheeling boys met with a genuine ovation all along the line, and although the march was a long one, the enthusiasm displayed kept them from even thinking they were tired. Going over in the cars the Six Footers were greeted with cheer after cheer on every corner on the Island and in Martin's Ferry.

It was an immense parade and the Wheelingites, always willing to help their neighbors across the river, were glad to have been there.

The Wheeling people were surprised to see the extensive and magnificent decorations and to see so truthfully and so deeply red that it was last night.

Among the principal decorations were those by the following: J. C. Gray, Stephen Hopkins, J. E. Reynolds, Samuel Thompson, L. L. BOHEMIAN SPORTING CLUB

NEW YORK, Oct. 27.—The fight to decide the lightweight boxing championship of the world, attracted a representative gathering of sporting men from all over the United States to the arena of the Bohemian Sporting Club to-night.

THE CONTESTANTS WERE GEORGE LAVIGNE, of Saginaw, Mich., and Jack Everhardt, of New Orleans. The contest was scheduled for 25 rounds at 125 pounds, and both men weighed in all right.

ROUND 1—Lavigne led for the stomach. Jack countered right on neck. Kid led but missed; he led again and landed on jaw with left. Everhardt landed left on face. Lavigne swung right on body and landed right on jaw and left on body twice.

ROUND 2—Lavigne led left and Everhardt ducked his face into it. Lavigne landed right and left on head and again on body. Lavigne swung his right on head and upper part of left.

ROUND 3—Lavigne led left and faced right straight on face. Then he sent his right hand on the body and a hard left on the face. Then he sent in a hot left on head. Everhardt swung left on body and Lavigne did the same.

ROUND 4—Everhardt was very groggy and tried hard to hug to avoid punishment. Lavigne continued to land right and left at will on face and body till the gong sounded.

ROUND 5—Lavigne landed rights and lefts on the face several times in succession. He almost knocked Jack down with a right swing on the jaw. Everhardt was hugging the kid when time was called.

In the 21st Everhardt landed five times on the face. Jack was very weak at call of time in the 23rd and he was hugging Lavigne when the gong rang.

ROUND 24—Both led and landed lefts on face. Both countered four times on face. Lavigne crossed his right jaw. Everhardt staggered. Lavigne then smashed his opponent with right and left swings on the head and had Everhardt almost out when the referee stopped the bout and awarded the fight to Lavigne. Time of last round one minute and fifty-three and three-fifths seconds.

ROUND 25—Lavigne landed rights and lefts on the face several times in succession. He almost knocked Jack down with a right swing on the jaw. Everhardt was hugging the kid when time was called.

HOBBS

Challenges the Citizens of Wheeling.

A Public Test Agreed Upon and the Result to be Published in This Paper.

CAN HOBBS SUBSTANTIATE HIS CLAIMS?

JULIUS HOBBS, M. D.

In view of the great importance of this challenge, not only to the citizens of Wheeling, but to the entire civilized world, the public will be interested in the outcome of what may be properly termed a public investigation of a discovery that will become famous and prove of incalculable importance to the great mass of people who are suffering in one way and another from kidney ailments and other attending ills.

The offer made by Dr. Hobbs in his challenge above alluded to is a simple and plainly worded one. In a nutshell he asserts that he has discovered a remedy that will positively cure that most insidious and common of all complaints, disease of the kidneys, which is wrecking men and women by the score daily.

The good that can be accomplished by a positive specific, one that can be administered in a simple and plain way—in other words, a grand, universal medicine for all kidney troubles—will be hailed as a Godsend everywhere.

The claims made for the remedy in question are, speaking in a general sense, that the Hobbs Remedy Company, of Chicago and San Francisco, are the owners of an ASPARAGUS KIDNEY REMEDY which they positively assert will cure all kidney diseases, with the exception of those where tumors and ulcers have formed and a surgical operation is necessary.

It is not our purpose in this article to enter into a general discussion of the vast number of different forms of kidney troubles, but to treat them as a whole, as space in this paper does not permit us to do otherwise.

GIVE FREE TO ALL

those who are interested in this matter a sample box of this medicine, and to have it done in such an open manner that none can question the honesty of the test.

For the purpose of making this test a large number of samples have been sent to

CHAS. R. GOETZE, Market and Twelfth Streets.

which will be given to any and all persons who will call at his store on Friday, October 25th, from 9 a. m. to 7 p. m.

Each applicant for a free sample of these pills he will also give a little book on kidney diseases which sets out in a clear, plain manner just such information as would be wanted by anyone with weak kidneys.
