Streets, Alleys and Grades Committee Visited the La Belle

AND WILL RECOMMEND CLOSING

Of Thirtieth Street, so the La Belle Iron Works Can Make Proposed Additions to Its Tin Mills—Many Bidders for Board of Public Works Contracts—Several Council Committees Called—Ambulance to be Accepted This Evening.

The city council committee on streets, alleys and grades, Messrs. Robert Haslett, W. P. Megrall, Barney Meehan, W. T. Otto, C. C. Schmidt, William Knoke, J. D. McFadden and Harry McLure, went down to Thirtieth street, South Side, at the La Belle iron works, yesterday afternoon, for the purpose of looking over the ground preparatory to passing upon an application made to council by the La Belle iron works.

This application was presented at the last meeting of council by President Robinson, and asks council that the company be given the use of Thirtieth street, which is fifty feet wide, for a distance of about 250 feet, in front of the La Belle mill. It was stated that if the petition was granted the company would erect new tin plate mills that will employ 200 men with a monthly payroll of \$10,000.

The committee carefully examined the ground, with City Engineer A. L. White, but did not come to a definite conclusion as to what would be recommended to council. However, it is predicted the committee will recommend that the use of the street be granted to the La Belle for a term of years, there being some doubt as to the power of council to deed the street to anyone.

If Thirtieth street is closed, Twenty-ninth will be opened, and will be a better outlet for the residents east of the La Belle mill than Thirtieth street has been.

Council Committees. City council committee on claims has been called to meet Saturday at 7:30 p. m. with the city solicitor and city engineer.

The council fire department committee meets next Monday evening at 7:30 o'clock.

Criminal Court. Yesterday in the criminal court, Judge Hugus on the bench, the case of the state vs. Jack O'Neill, charged with burglary, was continued until the next term of court. O'Neill is out on bail in the meantime.

A Breathing Spot. At its meeting Wednesday night, the board of public works ordered the space west of the Pan Handle tracks, on the river front, above the freight depot, which has been used for several years as a sand depot, cleaned. Mr. George Stamm, of the Stamm house, appeared before the board and signified his willingness to plant shade trees and make a spot that has been an eyesore something beautiful to look upon.

Inspected the Ambulance. Yesterday afternoon between 4 and 5 o'clock, most of the physicians of Wheeling took advantage of the invitation to inspect the new ambulance at Erb's livery stable. Health Officer Jepson and others were there to instruct the medical men in the method of using the various surgical appliances that are part of the ambulance outfit.

ANOTHER ELECTION BET

Figures in a Justice's Court in the City Last Night.

Miller Brothers, of North Wheeling, made a bet of \$150 with a Cleveland traveling man, named Belding, that Major McKinley would have 50,000 plurality in the state of Ohio. The stakeholder, Mr. Gordon, of the Logan Drug Company, paid the money to Belding after the election, President McKinley having received a plurality, according to the secretary of state of Ohio of 51,109.

The Millers were not satisfied, and brought suit to recover the \$300 before Justice Rogers. When the case came to trial last night, the Miller's attorney made a plea only for the \$50 that had been posted by his clients. Messrs. Meyer and Nesbitt, counsel for Belding, produced a letter from the secretary of state of Ohio, stating that McKinley's plurality was 51,109. The suit decided in favor of Belding.

LOCAL BREVITIES.

Matters of Minor Moment in and About the City.

Grand to-night—"Darkest America." The Alhambra will dance at the Pythian Castle next Wednesday evening.

A chance for a bet—Will the "Wheeling" outstrip her sister boat, the "Marietta"?

Opera House to-night—Musical entertainment by Wheeling public school music pupils.

Wheeling isn't so slow. There's no "Pittsburgh" in the new American navy one hears so much about.

The report that Corbett and Fitzsimmons were dying, was in circulation in this community yesterday.

Board of education met last night. There was the usual "scrap," and Colonel Miller was there or thereabouts.

The Protected Home Circle will give an entertainment at the Pythian Castle, on Thursday evening, the 25th.

A suggestion—Give the "Wheeling" two immense Wheeling stogies for masts. They would be strong enough, you know.

The "Wheeling" is some pumpkins as a "scraper." That "side swipe" she gave the "Marietta" was nearly a knock-out.

Last evening at the City Hospital occurred the death of Mrs. J. D. Wilson, wife of the well known salesman for the K. Hope Company.

E. M. Holiday & Co., yesterday received the contract for the lumber and mill work for the erection of a large one story frame addition to the Fostoria glass works at Moundsville. Work will be begun next Monday, and completion is called for by the middle of April.

The music pupils of Prof. J. Pinkus gave a recital at the Odd Fellows' hall last night. The pupils reflected credit upon themselves and teacher. Enjoyable numbers were contributed by Mrs. F. J. Le Moyne Hupp and Mr. Will T. Nesbitt. The audience consisted chiefly of the friends of the performers, and all were well pleased with the artistic concert.

On Wednesday the ten-year-old girl removed from the house of bad repute in Alley C, was placed in the Children's Home, by the board of managers of that charitable institution, where she will be cared for. The Children's Home has for many years sheltered the destitute and forsaken children of Wheeling and placed them in comfortable homes of adoption. This good work has continued for over twenty-five years.

FEAST OF PURIM

Observed by Hebrews of Wheeling—The Mercantile Club's Enjoyable Function Last Night.

The Feast of Purim, which is annually observed by the Hebrews, was concluded last night with the children's fancy dress ball, given at the Mercantile club. Appropriate services were held in the synagogue on Wednesday evening, Rabbi Bonheim officiating, and from sunset on that evening until sunset last night, the ceremonies continued.

The feast is an annual occasion of joyousness, and the scene at the Mercantile club rooms was especially a joyous one. The entertainment, which consisted of a musical and dance programme for the children, began at 8 o'clock and continued until 10:30 o'clock, after which the older set made merry until long after midnight. A delightful menu was served in the dining-room by Mrs. Ziegenfelder from 10:30 to 11:30 o'clock. The rooms were beautifully decorated with palms and evergreens. The Opera House orchestra discoursed a pleasing programme of dance music.

The entertainment given by the little folks was very creditable, and their fancy dress costumes were of exquisite design. Some of the performances were especially fine. The following was the programme:

- Piano Duet.....Mrs. Samuel Kraft Reading.....Mr. Henry Horkheimer Serpentine Dance.....Miss Bertha Good Tambourine and Italian Skirt Dance.....Kisses Elizabeth and Myrtle Reizenstein Spanish Castanet.....Miss Irene Kraft Ballers' Hornpipe, Masters Sam Jacobs and Lester Ross. La Fascination, Dance of the Roses, Miss Fannie Hirsch.

Noticeable among the many pretty costumes were those worn by Misses Myrtle and Elsie Reizenstein, Fannie Hirsch, Irma Kraft and Bertha Good. The piano accompaniments were acceptably rendered by Miss Maudo Spooner. The success of the affair is due largely to the regular entertainment committee of the Mercantile club, assisted by the following ladies: Mesdames E. Buckner, Dr. Branechorkmeir, James E. Buckner, Bernard Horkheimer, Nettie Gutman Hirsch, Samuel Kraft and Misses Mollie Baer and Mary Heymann.

MILITARY SENSATION.

Col. Fast, of the Second Regiment, W. Va. N. G., Resigns—Complains of General Spillman.

Special Dispatch to the Intelligence. MORGANTOWN, W. Va., March 18.—In state military circles the resignation of Col. R. E. Fast from the command of the Second regiment of the state troops, and his reasons therefor, are causing a great deal of talk. The resignation has not been acted upon yet by the governor, who is anxious for the colonel to recall it, but the colonel says he will have nothing to do with the military unless the present commander, Gen. B. D. Spillman, is removed. General Spillman, according to the statement of Col. Fast, accompanying the resignation, has been unjust, particularly to the Second regiment, with a view to injuring Colonel Fast's military standing, and has been grossly unjust to the First regiment in his reports to the adjutant general.

NAT GOODWIN WON

Fifteen Hundred Dollars by the Toss of a Dollar.

Special Dispatch to the Intelligence. PITTSBURGH, March 18.—By the mere flip of a dollar Nat Goodwin, the famous comedian won \$1,500 on the big light. The story came out to-night when a representative of Goodwin came to Pittsburgh to collect. When in Pittsburgh last week Goodwin placed \$1,050 to \$1,500, taking the short Fitzsimmons end. He bet his money through John Quiln, manager of Peter Maher. On Saturday night Goodwin worked morning to the Carson reports and the great amount of Corbett money in sight, and decided to hedge. He met his manager, who was so anxious to have him hedge that Goodwin got contrary. Standing in Newell's Goodwin pulled a dollar out of his pocket, shouting as he tossed it, "Heads I hedge, tails I stake." The dollar came down tails, and the comedian held fast.

Seasonal Nuts.

Special Dispatch to the Intelligence. STEUBENVILLE, O., March 18.—A sensation was caused here to-day by the filing of a suit for \$10,000 damages against D. Wylie Graham, a prominent and wealthy farmer of Smithfield township, by John B. Bell, a neighboring farmer, who alleges that Graham alienated his wife's affections and enticed her away. Bell was getting ready to move to McDonald when his wife disappeared.

TARIFF CHANGES.

Important Changes in the Sugar and Pottery Schedules.

WASHINGTON, D. C., March 18.—The ways and means committee to-day changed the sugar schedule to read as follows: Sugars not above No. 16 Dutch standard in color, tank bottoms, syrups of cane juice, melada concentrated melada, concretes and concentrated molasses, testing by the polariscope, not above 75 degrees, one cent per pound, and for every additional degree shown by the polariscope test, three one-hundredths of one cent per pound additional, and fractions of a degree in proportion; and on sugar above No. 16 Dutch standard in color, and on all sugar which has gone through a process of refining, one cent and eight hundred and seventy-five one-thousandths of one cent per pound; molasses testing above forty degrees and not above 55 degrees, three cents per gallon.

The original form of the schedule had the words "or fractions of a degree" after "for every additional degree," but the first clause mentioned in strike-out and the words "and fractions of a degree in proportion" added.

Molasses testing not above 55 degrees was the original wording of the last two lines.

The other amendments to the bill, which were offered by the Republicans and were adopted, follows: "Raising china clay, or Kaolin, from \$2 to \$3 a ton. Placing Rockingham earthenware at 40 per cent ad valorem.

Anti-friction ball bearings for bicycles, of iron or steel or combined iron and steel, at 45 per cent ad valorem.

Other and other earthen, amber and amber earths, sienna and sienna earths, dried and powdered, at half cent a pound.

Welded cylindrical furnaces, made from plate metal, 2 1/2 cents a pound, an addition of about half a cent to the rate in the bill.

Butchers' and packers' skewers at 40 cents per 1,000; change from 35 per cent ad valorem.

Changing the paragraph of the tobacco schedule, which rates at \$2 a pound unstemmed and \$2 75 stemmed all tobacco in any bulk, box or package, or in bulk, which shall contain exceeding 15 per cent of leaves suitable for cigar wrappers, by adding "or which shall be the growth of different countries."

Manufactured tobacco, not specially provided for, raised from 40 cents to 65 cents per pound, and snuff and snuff four raised from 40 cents to 65 cents.

Sausages changed from 5 cents per pound to the free list.

DEMOCRATS DISAGREE

On the Tariff—A Discordant Meeting of Ways and Means Committee.

WASHINGTON, March 18.—The programme for the tariff bill in the house was agreed upon by the ways and means committee to-day after a long and somewhat discordant meeting in which there was disagreement not only between the two parties, but among the Democratic members of the committee. The bill will be reported to the house to-morrow, debate will begin on Monday next and the final vote will be taken on Wednesday, March 31. In the meantime the house will be in session from 11 in the morning until an indefinite hour at night with a recess for dinner, all the time to be consumed in debate on the bill.

It was proposed by Chairman Dingley to have the debate begun on Friday as soon as the bill had been reported, but the Democrats opposed this feature of the programme so strenuously, reminding their adversaries that they had permitted the Wilson bill to be considered in the committee a week, that the Republicans conceded more time to them. The Republicans presented a list of amendments which were incorporated in the bill by a party vote, while many amendments were proposed by the Democrats, several of which did not secure the united support of the representatives of that party.
